Graduate School Expo | Universities and Program Types

8 | Alliant International University

www.alliant.edu/

Program Type(s): Education/Psychology/Social Work

Alliant International University prepares students for professional careers of service and leadership, and promotes the discovery and application of knowledge to improve the lives of people in diverse cultures and communities around the world.

10 | Antioch University

www.antioch.edu

Program Type(s): Education/Psychology/Social Work

For over 160 years Antioch University has been a leader in progressive education, making a difference in the lives of students by preparing them to teach, lead and practice in today's diverse landscape. At Antioch, we offer programs to help you realize your career goals and gain a holistic understanding of how to create change through programs rooted in social, environmental, and economic justice.

39 | Arizona State University - Thunderbird School of Global Management

thunderbird.asu.edu/degree/graduate

Program Type(s): Business

Thunderbird prepares leaders and managers to be equipped with a global mindset and hands-on experience that organizations around the world demand. Our master's degree programs prepare students for global leadership positions in the private, public and nonprofit sectors as well as start-ups and social enterprises.

22 | Azusa Pacific University

apu.edu

Program Type(s): Multiple Disciplines

Azusa Pacific University offers a wide array of graduate programs across its schools and colleges, including master's and doctoral degrees. The university specializes in fields like nursing and health sciences, education, psychology, and business, with many programs available on-campus, online, or at regional locations to accommodate working professionals.

27 | Biola University

biola.edu

Program Type(s): Multiple Disciplines

Begin building your future today at Biola, one of the nation's foremost Christian universities known for its academic quality and innovation. With eight schools and more than 250 academic programs at the bachelor's, master's and doctoral levels, you can pursue your degree right now by applying today. We have programs for undergrads, grads and adult learners.

79 | Cal Poly Pomona - College of Business

cpp.edu/gradbusiness

Program Type(s): Business

Cal Poly Pomona's College of Business Administration and Singelyn Graduate School of Business prepare the business leaders of the future by powerfully connecting them to relevant degree programs, "learn by doing" opportunities, industry mentors, and a network of accomplished alumni. We are SoCal's polytechnic business school.

12 | California Baptist University

calbaptist.edu/

Program Type(s): Education/Psychology/Social Work

California Baptist University believes each person has been created for a unique purpose. CBU strives to help students understand and engage this purpose by providing a Christ-centered educational experience that integrates academics with spiritual and social development opportunities.

The Career Center is committed to creating inclusive and accessible career fairs. If you are a student who needs accommodations to fully participate, please complete the accessibility form at bit.ly/cc-req.

36 | California Institute of Advanced Management

ciam.edu/

Program Type(s): Business

The California Institute of Advanced Management (CIAM) is a private nonprofit university in Southern California dedicated to teaching responsible, holistic, and compassionate business management principles for the betterment of humanity. Blending academic rigor with practical application, CIAM nurtures leaders who not only excel in their professional endeavors but also champion positive societal change.

4 | California Lutheran University

callutheran.edu/academics/graduate/

Program Type(s): Multiple Disciplines

California Lutheran University is a diverse scholarly community dedicated to excellence in the liberal arts and professional studies. Graduate programs include: doctorates in clinical psychology and educational leadership, teaching credentials, and master's degrees in counselor education, teacher leadership, psychology, information technology, business administration, management, public policy and more.

43 | California Northstate University

cnsu.edu

Program Type(s): Health Sciences

California Northstate University (CNU) is a new institution dedicated to educating, developing, and training individuals to provide competent, patient-centered care. The University was developed after the successful launch of the College of Pharmacy. The founders of the College of Pharmacy built a progressive program that includes active learning, direct patient experiences, and research.

25 | Chapman University

chapman.edu/gradadmission

Program Type(s): Multiple Disciplines

Chapman University offers more than 40 in-person graduate and credential programs that can help you advance your career or change professions.

80 | Chapman University, Argyros College of Business and Economics

chapman.edu/business/index.aspx

Program Type(s): Business

Become a future business leader with a unique, immersive, and personalized education experience. Located in one of the country's top business hubs in Southern California, Argyros College puts you in the perfect spot to take advantage of amazing career opportunities and tap into a network of talented and knowledgeable faculty and professionals.

76 | Chapman University, Dale E. Fowler School of Law

chapman.edu/law/

Program Type(s): Law

Chapman University's Dale E. Fowler School of Law is an ABA-accredited, private law school located in beautiful Orange County, California, just 35 miles from downtown Los Angeles and a short drive to both the beach and Disneyland.

46 | Chapman University, School of Pharmacy

chapman.edu/pharmacy

Program Type(s): Health Sciences

Located in Irvine, California, the Chapman University School of Pharmacy (CUSP) proudly holds the distinction of being the first ACPE-accredited pharmacy school in Orange County. Our school provides a streamlined healthcare education opportunity to the local community, which is rich in healthcare services. Our focus is on team-based, patient safety-focused healthcare and transformational research.

51 | Charles R. Drew University of Science and Medicine

cdrewu.edu

Program Type(s): Health Sciences

Charles R. Drew University of Medicine and Science (CDU) is a private, nonprofit, and historically Black graduate institution located in South Los Angeles. Established in 1966 in response to inadequate medical access in underserved communities, CDU is committed to cultivating diverse health professional leaders who are dedicated to social justice and health equity.

34 | Claremont Graduate University

cgu.edu

Program Type(s): Multiple Disciplines

For 100 years, Claremont Graduate University has been a vibrant institution of creative thinkers, problem solvers, and change makers. As an exclusively post-graduate university, we attract exceptional faculty, some of the world's finest researchers, and passionate students with a drive to create positive change. Discover the power of knowledge and innovation. Discover CGU.

72 | Columbia Journalism School

journalism.columbia.edu/admissions

Program Type(s): Humanities

Columbia Journalism School is global, influential and innovative. Centered in the media capital of the world, it leads the way to a better future - backed by more than 100 years of experience in educating trailblazers of the industry. The school's tradition is rooted in the bedrock values of ethics - and it looks forward, with cutting-edge innovation and media scholarship.

1 | Concordia University Irvine

cui.edu

Program Type(s): Multiple Disciplines

Here at Concordia University Irvine we offer Christian education that's uniquely designed to develop the whole person - personally, professionally, and spiritually. We value developing the hard and soft skills you need to grow and succeed in your life's callings - plus the tools to adapt to the ever-changing workplace and world.

35 | CSU Channel Islands

csuci.edu

Program Type(s): Multiple Disciplines

CSU Channel Islands (CSUCI) offers flexible, affordable graduate programs designed for working professionals and recent graduates. Options include Business Analytics (MS), Early Childhood Studies (MA), Education specializations (MA), Public Administration (MPA), and Psychology (MA). Our supportive faculty and community help you advance your career and make an impact.

83 | CSU Dominguez Hills

csudh.edu/gsr

Program Type(s): Education/Psychology/Social Work

The College of Extended and Global Education provides lifelong learning opportunities for different stages in your life ranging from high school, college, career to retirement. We also extend the resources of the university into the community, region, nation, and around the world.

57 | CSU Fullerton, College of Business, All Departments

business.fullerton.edu

Program Type(s): Business

Graduate education at the Cal State Fullerton College of Business and Economics is designed for the dynamic population of business professionals in Southern California and beyond.

56 | CSU Fullerton, College of Business, Grad Programs

business.fullerton.edu

Program Type(s): Business

Mihaylo College of Business and Economics MBA and Graduate Programs.

64 | CSU Fullerton, College of Communications, CTVA

communications.fullerton.edu/ctva

Program Type(s): Education/Psychology/Social Work

College of Communications with three departments: Dept of Communications, Dept of Human Communication Studies; and Dept of Cinema and Television Arts.

63 | CSU Fullerton, College of Education, All Departments

ed.fullerton.edu

Program Type(s): Education/Psychology/Social Work

The College of Education at CSUF offers more than just a degree or certification. In the ever-changing world of education, we strive to teach our students to become the next leaders of tomorrow. We offer research-driven experiences that pair theory and practice in collaborative, real-world environments.

62 | CSU Fullerton, College of Education, Educational Leadership
ed.fullerton.edu/edleadership

Program Type(s): Education/Psychology/Social Work

The College of Education at CSUF offers more than just a degree or certification. In the ever-changing world of education, we strive to teach our students to become the next leaders of tomorrow. We offer research-driven experiences that pair theory and practice in collaborative, real-world environments.

55 | CSU Fullerton, College of Engineering & Computer Science **fullerton.edu/ecs**
Program Type(s): Education/Psychology/Social Work

Telephones. Television. Computers. CD players. Can you imagine what your life would be like without these inventions? The people who gave us these innovations include engineers and computer scientists who use their knowledge and imagination to solve problems, expand possibilities, and help humanity. You can be among those who drive technological progress to shape our world in the 21st Century.

60 | CSU Fullerton, College of HHD, Counseling **hhd.fullerton.edu/counsel**
Program Type(s): Health Sciences

The CSUF Department of Counseling offers a Master of Science in Clinical Mental Health Counseling and Marriage and Family Therapy. Our program is approved by the California State Board of Behavioral Sciences (BBS) to meet all educational requirements for state licensures as Licensed Professional Clinical Counselors (LPCCs) or the Licensed Marriage and Family Therapist (LMFT) in California.

59 | CSU Fullerton, College of HHD, Public Health **hhd.fullerton.edu/pubh**
Program Type(s): Health Sciences

The mission of the College of Health and Human Development is to prepare students to thrive in a globalized era in their chosen field. We provide education, conduct research, and engage diverse communities to advance human health, development, and well-being.

61 | CSU Fullerton, College of HHD, Social Work **hhd.fullerton.edu/msw**
Program Type(s): Health Sciences

At the CSUF MSW program, we are committed to preparing passionate, skilled social work practitioners ready to make a meaningful impact. With a strong emphasis on hands-on, direct practice with individuals, families, and communities, our program offers focused training in three areas: child welfare, community mental health, and aging.

54 | CSU Fullerton, College of Humanities & Social Science **amst.fullerton.edu**
Program Type(s): Education/Psychology/Social Work

Rather than learning job skills that may be outdated in ten years, H&SS students acquire the tools that allow them to build life-long careers. They learn how to think, argue compellingly, lead a team, communicate effectively, conduct research, comprehend large problems and data sets, and make decisions. Those are the very skills employers seek the most.

71 | CSU Fullerton, Office of Graduate Studies **fullerton.edu/graduate**
Program Type(s): Other Specializations

CSUF provides high-quality educational experiences for students from diverse cultural and economic backgrounds. We offer 57 master's and doctoral programs in a wide variety of disciplines, leading to upward mobility through meaningful employment, Ph.D. programs, or professional degrees.

58 | CSU Fullerton, University Extension **extension.fullerton.edu**
Program Type(s): Other Specializations

CSUF University Extension, where lifelong learning thrives. Our expansive portfolio encompasses non-state-funded short-term professional development, online bachelor's degree-completion, flexible master's degrees, postbaccalaureate pre-health, and educator programs tailored to modern learners.

33 | CSU Long Beach

csulb.edu/graduate-studies

Program Type(s): *Multiple Disciplines*
