Office 365 Email Upgrade
email.fullerton.edu

Academic Affairs Staff Training
Agenda

Pilot Training Agenda Items

1. What to Expect Before the Upgrade
2. What to Expect During the Upgrade
3. What to Expect After the Upgrade
4. Office 365 Email Resources
1. What to Expect Before the Upgrade

- What do you need to do?
  - Clean up inbox and folders
  - Empty Deleted Items
  - Empty Junk Email
- When?
  - By Monday, July 3rd
2. What to Expect During the Upgrade

- **Upgrade Day/Time**
  - Monday, July 10th at 4pm – early Tuesday, July 11th

- **Availability of Email**
  - Email will be view-only during the upgrade (no sending or receiving)
3. What to Expect After the Upgrade

- **Accessing Desktop Outlook**
  - PC Users may need to restart Outlook application and enter current password
  - Mac Users will need to delete and re-create Outlook profile

- **Outlook on the Web**

- **Fax Senior**
  - You will be able to receive faxes in your email but not send
3. What to Expect After the Upgrade (cont’d)

- **Mobile Devices**
  - Follow instructions to update your Mail or Outlook mobile app settings. You may have to delete/re-create profile.
  - **Updating Outlook app:**

3. What to Expect After the Upgrade (cont’d 2)

- **Administrative Accounts**
  - Some accounts are not moving to Office 365. If your delegate access stops working, you may need to access the account using Outlook on the Web or add it as a second account to your desktop Outlook.

- **Calendars and Sharing**
  - Some calendars are not moving to Office 365; you will only be able to see free/busy information.
  - If you share your calendar with someone else, you may need to re-add the sharing.
