1 Get your Authorized Software Code.

2 Minimum System Requirements.
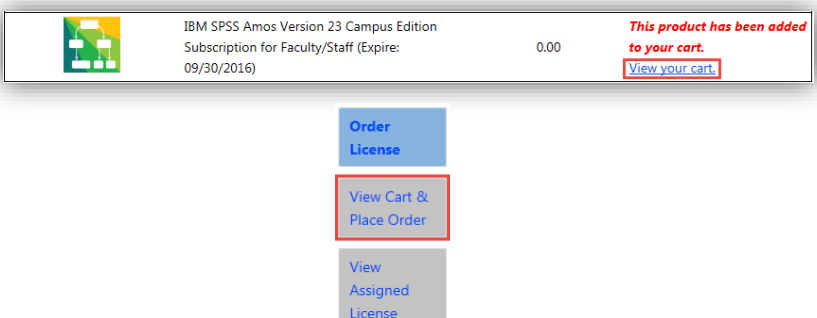

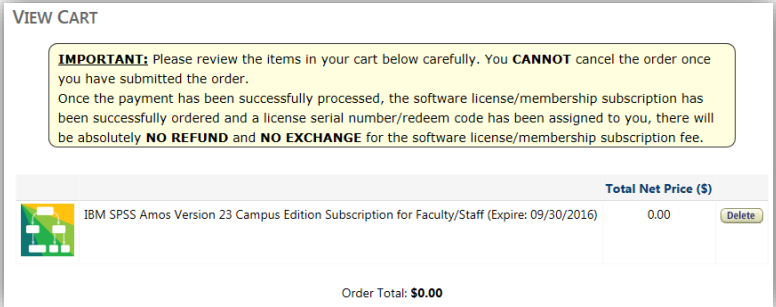

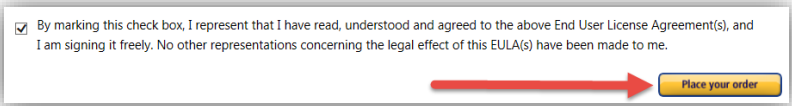

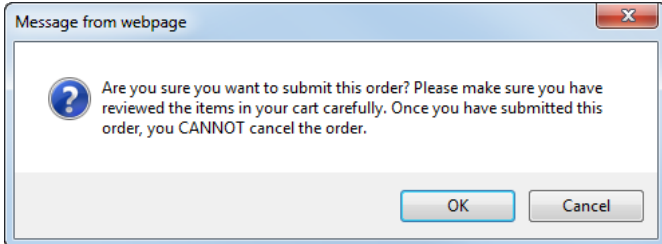

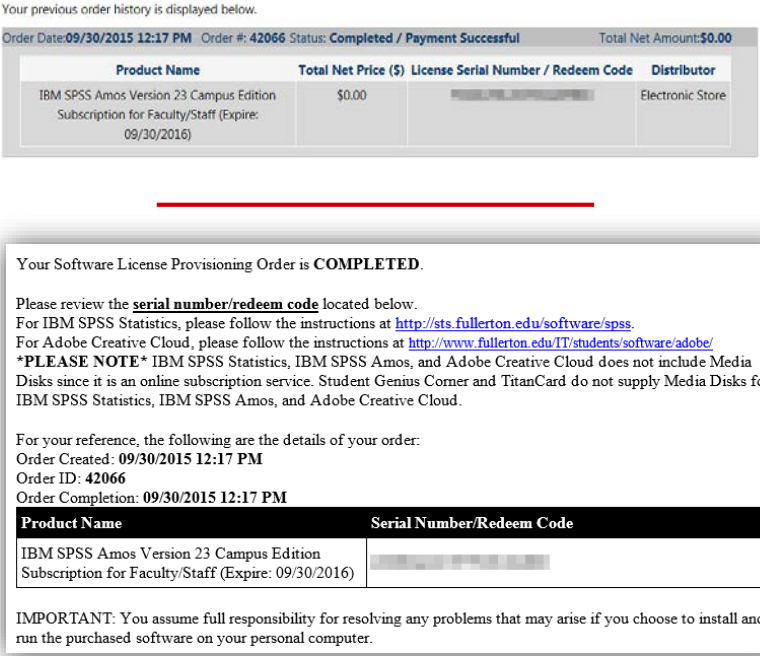

3 Download the Software. Software Trial: SPSS Amos *(CSUs official and FULL VERSION of SPSS Amos software)*

4 Create an Account.

5 Installing your Software.

6 Authorize your Software.

NEED MORE DETAILS? KEEP READING!
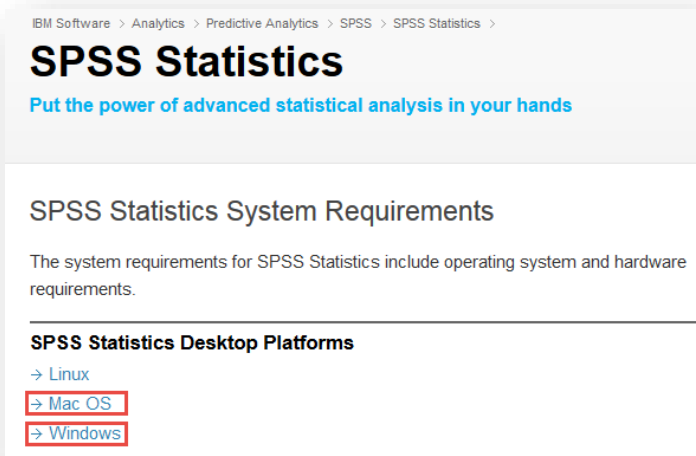

1 Get your Software Authorization Code

Steps	Images
Step One Go to http://www.fullerton.edu/it/ services/software. Click **Get Adobe or SPSS Amos Software Codes**.	**SPSS SOFTWARE** SPSS is now downloaded over the web. You will need an activation code which you can get by logging into the request site using the button below. • SPSS System Requirements • SPSS Installation Guide Get Adobe or SPSS Software Codes
Step Two Type your Portal username and password in the Faculty/Staff Login section. Then click **Login**.	SOFTWARE LICENSE PROVISIONING SYSTEM Welcome to the Software License Provisioning System. This web application is a custom program created for Faculty and Staff to obtain a license key/redeem code for specific software distributed by Division of Information Technology at California State University, Fullerton. Before signing in to this system, please make sure your laptop or computer meets the minimum requirements to install and run the desired software. For more information about the minimum system requirement, please visit http://www.fullerton.edu/it/services/software. You assume full responsibility for resolving any problems that may arise if you choose to install and run the purchased software on your personal computer. Please consider this before proceeding. Each CSUF faculty and staff member is entitled to purchase **ONE** license/redeem code per software edition for **WORK-AT-HOME USE.** Faculty/Staff are eligible to receive a waiver equal to the purchase price of the specified software license key/redeem code. *Due to the CSUF contract with Adobe, the Adobe FREE software only applies to active (or current) State Faculty/Staff employees. Non-State Faculty/Staff (i.e. ASI, ASC, Philanthropic Foundation, OLLI, Research Centers, Emeritus, University Extended Education) are NOT eligible for free software/membership subscription, but may purchase the license/redeem code at the discounted rate.* Once the software license/redeem code has been successfully obtained and a license serial number/redeem code has been assigned to you, there will be absolutely **NO EXCHANGE** and **NO REFUND** for the software license/membership subscription fee. FACULTY AND STAFF LOGIN User Name: jdoe Password: •••••••• Login
Step Three Find SPSS Amos and click **Add to Cart**.	Order License View Cart & Place Order View Assigned License ⚠ **IMPORTANT INFORMATION FOR FACULTY/STAFF** • For Adobe Creative Cloud, please follow the instruction at http://www.fullerton.edu/it/services/software/adobe/installing.php • For IBM SPSS Statistics and SPSS Amos, please visit http://www.fullerton.edu/it/services/software to reach step by step guide, how to get technical assistance, and tutorials. *Due to the CSUF contract with Adobe, the Adobe FREE software/membership subscription only applies to State Faculty/Staff employees. Non-State Faculty/Staff (i.e. ASI, ASC, Philanthropic Foundation, OLLI, Research Centers, Emeritus, University Extended Education) are NOT eligible for free software/membership subscription, but may order the software license code/redeem code at the discounted rate.* ORDER SOFTWARE LICENSES / MEMBERSHIP SUBSCRIPTION Please select the software you want to order for personal / work-at-home use : Software	Total Net Price ($) IBM SPSS Amos Version 23 Campus Edition Subscription for Faculty/Staff (Expire: 09/30/2016)	0.00	Add to Cart View ordered license.

Steps	Images

2 Minimum System Requirements

See the following IBM link for more detail on a specific system or other operating system: SPSS Statistics System Requirements.

| Steps	Images
Step One Click on the following link SPSS Statistics System Requirements or copy and paste this URL (http://www-01.ibm.com/software/analytics/spss/products/statistics/requirements.html) in your browse. Select your **Operating System**.	IBM Software > Analytics > Predictive Analytics > SPSS > SPSS Statistics > **SPSS Statistics** **Put the power of advanced statistical analysis in your hands** SPSS Statistics System Requirements The system requirements for SPSS Statistics include operating system and hardware requirements. **SPSS Statistics Desktop Platforms** → Linux → Mac OS → Windows

Steps	Images
Step Two Click on **Operating Systems** and **Hardware** to ensure your system meets the minimum requirements before installing the SPSS software. *NOTE: Listed are the minimum operating system requirements. Windows7, Windows8 and Windows 8.1 are supported systems (these are considered *above systems). However your hardware components must also meet the minimum requirements to run properly.*	Operating Systems Hypervisors Prerequisites Supported Software Hardware Packaging List - **Operating System:** *Windows XP / Windows Vista and *above (PC)* *Mountain Lion 10.8 and above (MAC)* - **Hardware:** *Available Disk space – 2GB (PC/MAC)* *Memory – 4GB of RAM (PC/MAC);* *8GB of RAM (64bit PC)* *Free disk space – 2GB (PC/MAC)*

3 Download the Software

Steps	Images
Step One Go to http://www.spss.com and click on the **Downloads** link.	IBM Software > Analytics > Predictive Analytics > SPSS > # SPSS software **Predictive analytics software and solutions** **Products** Solutions Customer Resources **Downloads**
Step Two From the Downloads page, click on **Software Trial: SPSS Amos**. This is CSUs official SPSS software. *This is the FULL VERSION of SPSS Amos.*	**Software Trial: SPSS Amos** Easily perform structural equation modeling (SEM) for more accurate results.
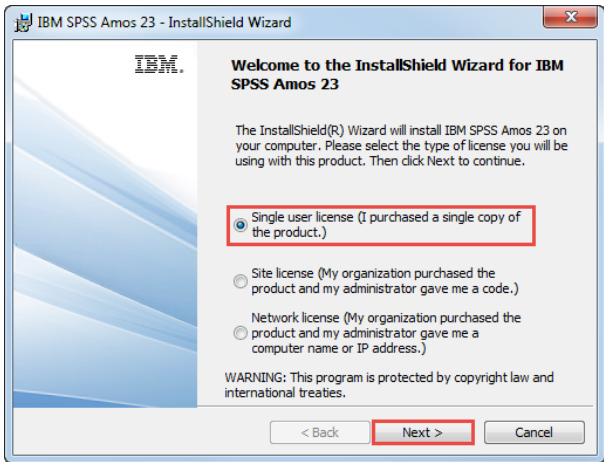

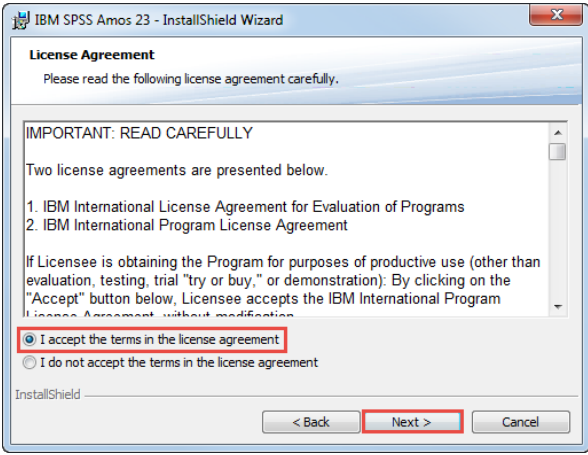

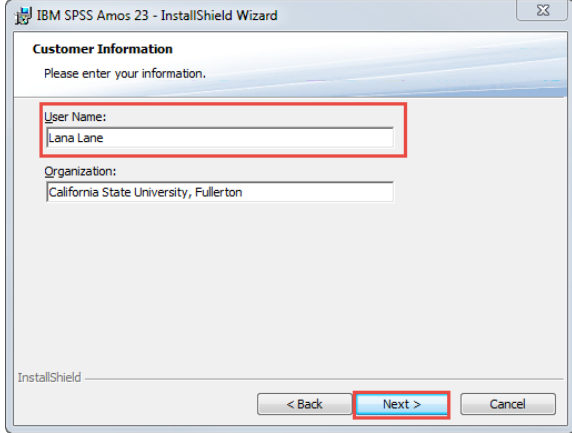

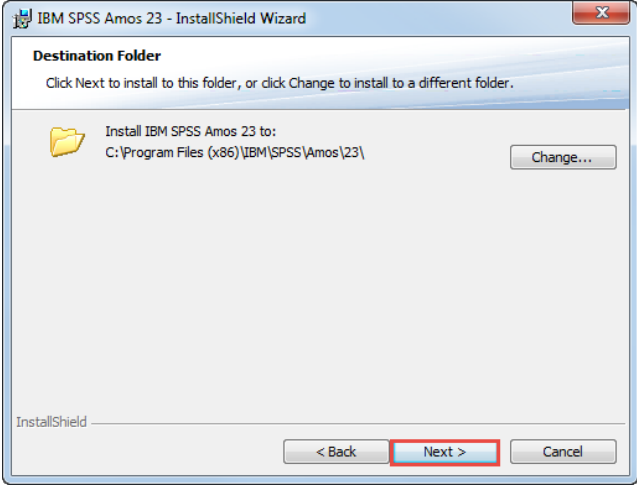

4 Create Account

Steps	Images
Step One You will need to create an account with IBM before proceeding, click **Get an IBM ID**. Note: If you already have an account you can log in with that information under Returning Visitors. Click **Sign in**. **(This account is NOT affiliated with your CSUF account or password.)**	
Step Two Select **I agree** to begin the installation process.	

Steps	Images
Step Three Click **Save File**.	
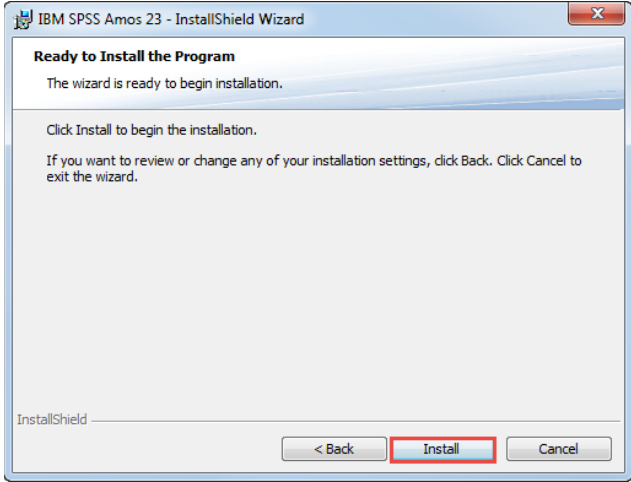

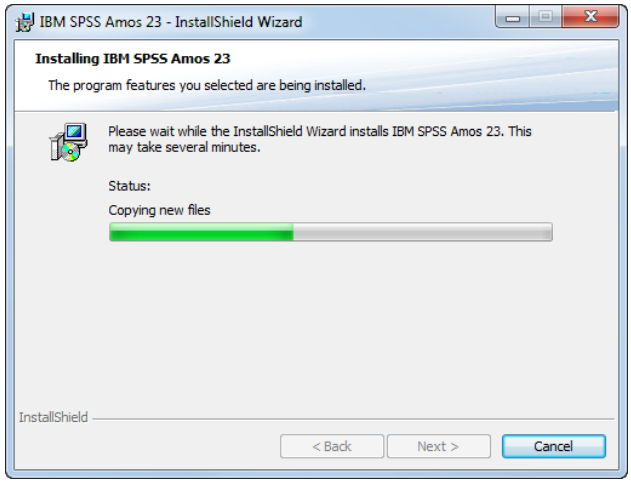

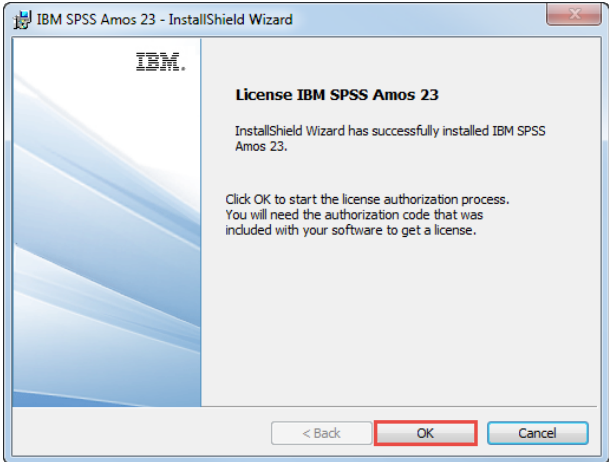

5 Installing your Software

The instructions for this guide were done on a PC; however the installation screens will be the same for a Mac.

Steps	Images
Step One After confirming the agreement from the previous step, you will see the IBM SPSS Amos – InstallShield Wizard window. Click **Next**. *NOTE: Maintain the selection of* **Single user license** *for the purchased copy of the product.*	

Steps	Images
Step Two Accept the license agreement then click on **Next**.	
Step Three Enter your IBM account username. Enter CSU Fullerton as your organization. Click **Next**.	
Step Four Click **Next**.	

Steps	Images
Step Five Click to **Install**.	
Step Six Installation process will take a few minutes.	
Step Seven Click on **OK**.	

6 Authorize your Software
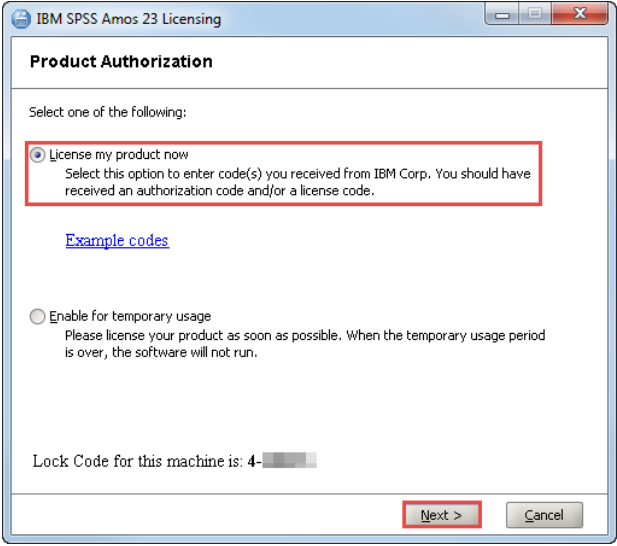

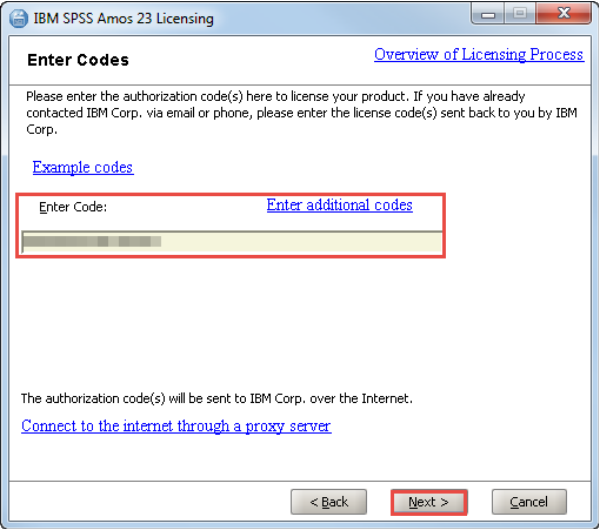

Once the software has been installed, you will be prompted to authorize it.
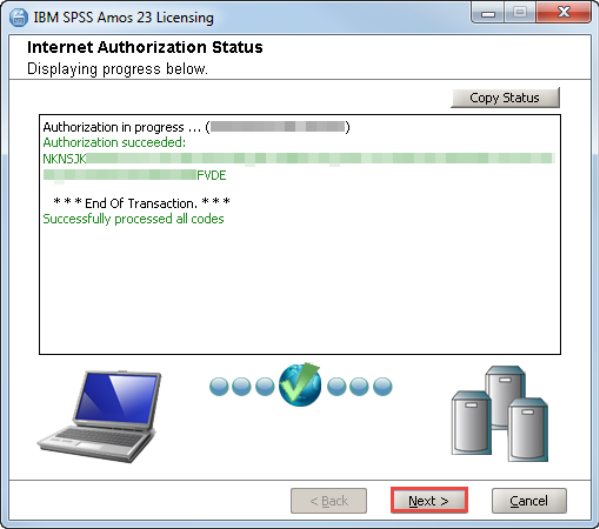

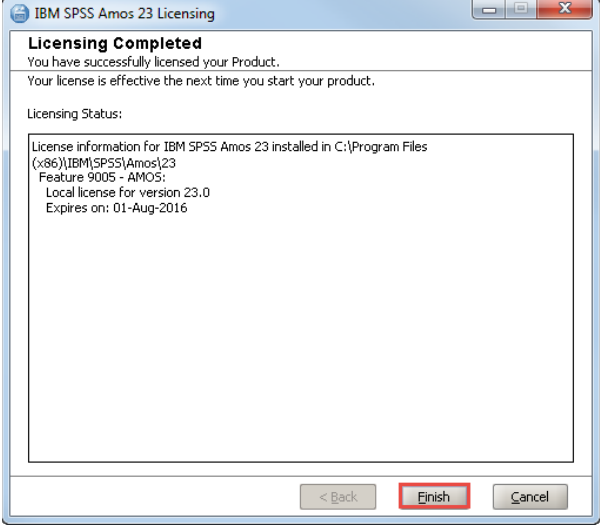

OMG I can't find my Authorization Code!

Don't panic! First, check your Faculty/Staff email account. You should have received an email with the license serial number when you placed the order.

I think I deleted that email!

Okay. Go to https://apps.fullerton.edu/E-Licensing and select **Faculty/Staff**. Log on with your Portal username and password. Click **View Purchased License** on the left. Voila! There are all of the serial numbers for software that you ordered through CSUF.

Steps	Images
Step One On the Product Authorization window, select the **License my product now** option and click **Next**. *NOTE: You must be connected to the internet before you can authorize your software.*	
Step Two Enter the Authorization Code that you received in your email and click **Next**.	

Steps	Images
Step Three Once your software has been authorized, you will see this window. Click on **Next**.	
Step Four Click on **Finish**.
