International Friendship Council

World Citizen Award

The International Friendship Council is an organization that reaches out to international students by offering them friendship with U.S. Americans. These friendships develop through involvement with events and activities that enable the students to adapt more easily to this culture. The students receive encouragement and answers to their questions from supportive and caring friends. At the same time, the international students bring a clearer understanding of their home countries and ways of life to the U.S. Americans. Everyone benefits from these special friendships.

With this in mind, the International Friendship Council wishes to recognize a graduating student from Cal State Fullerton who has demonstrated involvement, on and off the campus, in contributing to international understanding. Although grade point average is a factor, greater consideration is given to the individual's involvement in the community, both on and off campus. The Council, believing that world understanding and tolerance begins with individuals, wishes to recognize a student who exemplifies this vital characteristic.

A certificate and \$200 will be given to the student who is chosen for this award. It is usually presented at an awards and graduation reception held annually at Cal State Fullerton just prior to university commencement.

Please apply for the award by completing the following application. **Return it to us no later than March 15.**

First Name: _____ Last Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Phone: (____) _____ E-mail Address: _____
