HOW TO SIGN-UP FOR TRANSFER STUDENT ORIENTATION

Students will be given information on BOTH orientation options:

**OPTION 1:**
In-Person Transfer Student Orientation (TSO)

In-Person Transfer Student Orientation is a **first-come, first-served** basis until it reaches full capacity.
OPTION 2: Online Transfer Overview (OTO)

The Online Transfer Overview (OTO) is a 45 minute electronic overview of campus resources and services. OTO will highlight important policies, campus resources, and provide you with contact information for advising locations in your Academic College.

Participation in the online overview satisfies the orientation requirement for transfer students but does not provide academic advising. It is recommended that students who select this orientation option seek academic advising through an academic department or the Academic Advising Center. Please note that depending on your college you may be required to attend an in-person Transfer Student Orientation, or attend mandatory advising.

Please note that once registered for TSO, the program fees are non-refundable, and completing the Online Transfer Overview does not cancel registration for the in-person TSO.

PREPARING YOU FOR SUCCESS

Students will be required to complete a MANDATORY Title IX Training, which is accessible through the TSO Registration Site.
STEP 9
• Click on Choose Orientation Date.

STEP 10
• Choose an available session This page displays a list of all available sessions that you are eligible to register for.

Orientation dates are specific for students based on major or special programs.

The list displays each session’s date, location, and a brief description. Click the button of the session you wish to register for.

If no sessions are available, the student will need to contact Outreach, Recruitment and Orientation for further assistance.

**Make sure to read the description and note the date and start time.**
HOW TO CHANGE YOUR MAJOR

OPTIONAL STEP:

Students have the option to change their major themselves prior to matriculation. A list of open majors is provided and a student may change as often as they like.

Each time a student changes their major they will be required to select a new orientation session that is applicable to their new major.
**FINAL STEP**

**PAYMENT FOR ORIENTATION FEES**

***To avoid double payments or payment issues, please turn off any Pop-Up Blockers on your browser.***

Students will be redirected to Student Financial Services (CashNet) to pay for their orientation fees.

Students will receive confirmation e-mail upon successful transaction.

Students with EFC (Estimated Family Contribution) of 0 will have fee deferred, however must still pay for parents/guests.
