Transfer Admissions Requirements
Students must meet all of the following requirements for admission to Cal State Fullerton:

- Good academic standing at the last college or university attended.
- 60 transferable semester units (90 quarter units); a maximum of 70 transferable semester (105 quarter) units from a community college may be used toward completion of a degree.
- A minimum of 30 semester units (45 quarter units) in CSU-approved general education coursework with grades of C- or better, selected from either the CSU General Education-Breadth pattern or the IGETC (Intersegmental General Education Transfer Curriculum), including completion of the “Golden Four” below:
  1. Oral Communication
  2. Written Communication
  3. Critical Thinking
  4. Mathematics/Quantitative Reasoning

Transfer GPA Requirements
Although students may be admitted to CSU campuses with a 2.0 (C) minimum grade point average, applicants are strongly encouraged to meet higher-than-minimum standards as the University is an impacted campus for all majors.

To ensure a fair process for all applicants, the GPA requirement will not be determined until after the initial filing period ends. It will be based on the number of applications received, the competitiveness of the pool, and the spaces available.
Transfer Advisement
Cal State Fullerton works closely with California community college transfer centers to ensure that their students receive current information about our campus admissions policies, academic programs, and student services. Appointments with CSUF outreach counselors provide pre-admission counseling and academic advising at many of our local community college transfer centers during the academic year.

The CSUF Transfer Center provides peer advising, admissions information, and campus referrals for prospective community college transfer students. Contact us at 657-278-3358 or transfer@fullerton.edu. The Transfer Center is located in Langsdorf Hall, room 501B.

Transfer Student Orientation
All incoming transfer students are required to complete a transfer student orientation prior to enrolling in their first semester at CSUF. Students may choose either on-campus (in-person) or online orientation sessions. For more information, call 657-278-2501 or visit fullerton.edu/orientation.
