The transfer process into any University can be tricky, but Cal State Fullerton and the peer advisors are here to help! The Transfer Center team has been through the transfer process themselves and we are more than happy to share our experiences and help prospective students. In this month’s newsletter you will be meeting our peer advisors and will receive information about the transfer process, as well as the University's requirements. The Transfer Center works with other departments to help make the transition as smooth as possible by hosting events for both current and prospective students. If after reading this newsletter students need further clarifications or have more questions you can check out our contact page to see what other services we offer to better assist you.

Transfer Admissions Requirements

Students must meet all of the following requirements to Cal State Fullerton:

- **60 Transferrable semester units (90 quarter units)** A maximum of 70 transferrable semester (105 quarter) units from a community college may be used towards completion of a degree.
- **A minimum of 30 semester unit (45 quarter units)** in CSU-approved general education coursework with grades C or better, selected from either the CSU GE Breadth pattern or the IGETC, including completion of the “Golden Four” below:
  - **The “Golden Four” requirements:**
    - Oral Communication
    - Written Communication
    - Critical Thinking
    - Mathematics/Quantitative reasoning
- Good academic standing at the last college or university attended

Transfer GPA Requirements

Although students may be admitted to CSU campuses with a 2.0 (C) minimum grade point average, applicants are strongly encouraged to meet higher than minimum standards as the University is an impacted campus for all majors.

To ensure a fair process for all applicants, the GPA requirement will not be determined until after the initial filing period is over. It will be based on the number of applications received, the competitiveness of the pool, and the number of spaces available.
