

College of Business and Economics Residency Requirements

Disqualified students must keep in mind that courses completed through Open University do not satisfy CBE residence requirements. If you do not satisfy CBE residence requirements prior to your disqualification, you may have to retake some Open University courses once you are readmitted to the university. For more information on these requirements, please visit the Business Advising Center in LH-731.

Business Administration Majors

- At least 30 units in the major must be taken in residence.
- At least half of the concentration units must be taken in residence. Accounting students must complete at least 15 units of their concentration in residence.
- At least 15 of the last 24 units of the major must be taken in residence.

International Business Majors

- At least 12 units of upper-division core courses must be taken in residence
- 6 units of upper-division concentration courses must be taken in residence
- 6 units of internships must be taken in residence

Economics Majors

- At least 15 units of courses must be taken in residence.
