A GREAT FUTURE
AWAITS YOU

2007-2008

Welcome to CSUF Irvine!

Welcome to the CSUF Irvine Campus. Roughly 32 staff members and 15 student assistants assist in serving approximately 3,400 students and 180 faculty members at the Irvine Campus. Their services are spread out over the administrative areas of student affairs, university police, career advisement, academic advisement, financial aid advisement, information technology, computer classrooms, televised classes, clerical activities, course scheduling, physical facility oversight and maintenance, admissions and registration, cashiering, enrollment services, library services, bookstore, café and visitor information services.

We urge you to visit our various facilities and services. Please do not hesitate to ask our "student centered" staff for assistance. Since a part of our motto is "One Stop Service" at the Irvine Campus, our staff will attempt to complete all your requests, so that you do not have to drive 19 miles to the main campus.

We are glad you chose to be involved at the CSUF Irvine Campus.

Sincerely,

George Giacomakis, Ph.D,
Director
CSUF, Irvine Campus

ABOUT

CSUF IRVINE CAMPUS (IRVC)

Cal State Fullerton's branch campus at Irvine was established in fall 2002 to meet the higher education needs of central and south Orange County. CSUF Irvine Campus (IRVC) offers many of the resources of a large university in a smaller, more personal learning environment.

Located on the grounds of the former El Toro Marine Corps Air Station in Irvine, about 19 miles from Fullerton. Irvine Campus students are taught by Cal State Fullerton faculty members, so our courses are of the same high academic quality as those offered at the main campus. Students who take classes at Irvine Campus receive their degree from Cal State Fullerton.

Only upper-division, credential and graduate-level courses are offered at the Irvine Campus. Students must have been admitted through the regular admission process or already enrolled at Cal State Fullerton, and meet the same academic requirements and prerequisites as current students.
