A Quick Exercise....

•On the note card provided, write the following:

•The 3 biggest fears you have for your transfer students (after they transfer)

•On the backside, at least 1 positive anticipation you have for your transfer students (after they transfer)

•**BE HONEST!**

GE at a Glance...

Golden Four

All students must complete the following four classes with a C or better:

- Oral Communication (A1)
- English Composition (A2)
- Critical Thinking (A3)
- GE Math (B4)

Students should complete these classes before their last semester at the community college.

GE at a Glance...

Area B Certification

- Students often transfer with 10 or 11 units in this area.
 - If so, they are held to 1 or 2 units (to equal 12) in GE Science or Math.
- Many students complete 3 units to obtain 3 of their 9 upper division GE units.
- Many students, however, are dismayed to have to take more GE science/math.
- Students who transfer with 12 units in Area B are not required to take more GE science/math.

GE at a Glance...

Area C Certification

- Students who transfer with 9 units in Area C are exempt from HIST 110A.
- Students must complete 3 more units in III.B.3 (upper division).
- Students who transfer with 12 units in Area C are exempt from III.B.3

GE at a Glance...

Area D Certification

- Students who transfer with 9 units in Area D are exempt from HIST 110B.
- Students must complete 3 more units in III.C.2 (upper division).
- Students who transfer with 12 units in Area D are exempt from III.C.2

Certification vs. No Certification

•GE Certified-
 •9 units of upper division GE in areas III.A3, III. B3, and III. C2 in order to complete the pattern.
 •Hist 110A and 110B waived.

•“More than Certified”
 •If already have 12-12-12 -can take 9 units of upper division GE from any GE category.
 •Hist 110A and 110B waived.

•Partial Certification
 •Depends which categories are certified.
 •Not certified in arts/humanities-Hist 110A not waived
 •Not certified in social sciences-Hist 110B not waived

Major Exceptions

- A Quick Exercise...
- GE at a Glance
- Certification or not?**
- Test Your Knowledge
- Culture Differences
- Transfer Tips
- Questions
- Evaluations/Contact

•Engineering-No Lifelong Learning (IV)

•Computer Science-No Lifelong Learning (IV)

•Chemistry (BS only)-No Lifelong Learning (IV)

•Business, Econ, International Business
 •Can NOT use Micro/Macro Economics to satisfy GE
 •Micro/Macro can be used for certification (thus waiving History 110B), but not used to fulfill Intro to Social Sciences.
 •Bottom line-Have students take at least one other intro to social sciences
 •Double Count List (Once students transfer)

4. If a community college uses a student's AP credit as part of GE certification, CSUF still request to see the original AP scores after a student has transferred.

True or False?

Answer: True-AP credit can be used towards certification, but CSUF still requires student show documentation

Different Advisement Model

- Academic Advisement Center provides information on
 - GE advising
 - General graduation requirements
 - University policies & procedures
- Academic Major Departments provide
 - Major advising
- Some departments require advising sessions every semester, some once per year (Business requires advising prior to registering for the first time)

Drop/Add policies

- At CSUF, the deadline for dropping classes is usually within two weeks of the semester's start.
- Instructors do not, as a rule, drop students who aren't there the first day.
- All adding is done online.
- If an instructor "permits" the student to add a full class, the student must still activate the permit by going online and adding the class.
