

SRS/Links Mentoring Program

The Student Retention Services' Links Mentoring Program (LMP) is designed to assist students networking with the CSUF community. Activities targeted by LMP include academic and social workshops, educational fieldtrips, leadership training and the opportunity to establish networking skills with students and faculty/staff. In addition, the program provides mentoring, career development, internships, community service and scholarships. The program encourages students to become involved in campus clubs/organizations.

The Links Mentoring staff has a strong belief that education equals success, and success comes from the gathered knowledge found in the culture, community and academic environment.
