Summer Bridge @ Cal State Fullerton

What Is The Summer Bridge Program?

It is a five to six week residential program during late June and the month of July for incoming EOP students at Cal State Fullerton. Students in the program will attend English, Math and/or other GE classes during the program with weekends off. There is no cost to students participating in the residential program; all meals and lodging are provided. Tuition, late fees, and book costs are not provided by EOP.

...

Who should apply for Summer Bridge?

Students who want to improve their chances for success at the university and students who may not qualify for admissions to CSUF should apply.

Note: Summer Bridge is an admissions requirement for some students.

How Will I Benefit from the Program?
