IMPORTANT NOTICES TO ALL STUDENTS!

FEE INCREASES

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees.

CAMPUS-WIDE IDENTIFICATION NUMBER

Due to recent state laws concerning identity theft, Cal State Fullerton assigns all students a campus-wide ID number (CWID). All university records and accounts for the student will be identified with the CWID. Each student needs to become familiar with his or her CWID number for conducting university business and making academic inquiries.

NEW GRADING SYMBOLS AND PLUS/MINUS GRADING

Several new grading symbols became effective beginning fall 2002 in accordance with the Chancellor’s Office Executive Order Number 792. See section on Incomplete (p. 8) and Unofficial Withdrawal (p. 12). As of spring 2005, the university allows plus/minus grading. See page 13 for further information.

ENGLISH AND MATH REMEDIATION

Each California State University campus is responsible for ensuring students take the English Placement Test (EPT) and Entry Level Mathematics Examination (ELM) unless they are exempt from the requirement(s). Exemption information is on page 17. Based on the test results, those students requiring remedial instruction will be placed in the appropriate remedial classes during their first semester on campus. By taking the appropriate remedial classes in the first semester, students will be better prepared to meet the challenges of their later course requirements. Remedial classes include MATH 30A, MATH 30B, MATH 40, ENGL 99 and ENGL 99M. Degree credit is not awarded for these classes. Transfer students can qualify for an exemption by completing and transferring to CSUF a college course that satisfies the General Education–Breadth or Intersegmental General Education Transfer Curriculum (IGETC) quantitative reasoning requirement, provided such course was completed with a grade of “C” (2.0) or better.

E-MAIL ADDRESS

Each student has been issued an e-mail address where university messages will be sent to you. For additional information about your e-mail account, contact 657-278-7777. Many campus offices have begun utilizing e-mail as the primary communication mode to the student. Be sure to check your e-mail on a regular basis.

MAILING ADDRESS

You are required to keep your mailing address, e-mail address, and phone number current with the university to ensure that you receive all university communications. Your official address on record will be used for mailing your parking permit. You will no longer be required to complete a parking form with your parking and registration payment. For additional information about parking permits, call Parking and Transportation Services at 657-278-3082.
ALL DISCRIMINATION/HARASSMENT/TITLE IX/ADA COMPLAINTS

Inquiries concerning compliance with the Nondiscrimination Policy (p. 9), Sexual Harassment Policy (p. 10), Title IX of the Education Amendments and implementing campus policies or procedures should be directed to: Rosamaria Gomez-Amaro, Director of Diversity and Equity Programs/Title IX Coordinator, CSUF, College Park, Suite 770, Fullerton, CA 92834-6806, 657-278-3951, http://diversity.fullerton.edu; Paul K. Miller, Director, Disabled Student Services, CSUF, University Hall 101, Fullerton, CA 92834-9480, 657-278-3117, TDD 657-278-2786, www.fullerton.edu/dss (student referrals and complaints related to Section 504 of the Rehabilitation Act of 1973); or San Francisco Office, 50 Beale Street, Suite 7200, San Francisco, CA 94105, 415-486-5555, Fax 415-486-5570, TDD 877-521-2172, E-mail: ocr.sanfrancisco@ed.gov, www.ed.gov/ocr. Copies of the above policies and student grievance procedures for the resolution of discrimination and sexual harassment complaints are available in the offices of the President (CP-1000), Vice President for Academic Affairs (MH-133), Vice President for Student Affairs (LH-805), Diversity and Equity Programs (CP-770), Disabled Student Services (UH-101), Public Safety (T-1200), College Deans, Office of Student Life (TSU-235), University Library Reference Desk and Women’s Center (UH-205).

CONFIDENTIALITY AND YOUR STUDENT INFORMATION

There have been significant changes to the Family Educational Rights and Privacy Act (FERPA) regarding students’ rights with respect to their educational records. Please refer to page 12 for FERPA information.

GRADUATE STUDIES

Cal State Fullerton offers outstanding opportunities for students to pursue a graduate degree. CSUF offers graduate degrees, including a doctoral program, as well as seven programs entirely online. Please visit www.fullerton.edu/graduate for more information and a list of programs.

UNDERGRADUATE ACADEMIC ADVISEMENT

The university encourages all students to seek advisement each semester, well in advance of registration. Advisers in each major department and in the Academic Advisement Center (UH-123B) assist students in making appropriate course selections and in planning a course of study. Students have the responsibility for taking advantage of opportunities for academic advisement provided by the various university offices and programs.

GENERAL EDUCATION ADVISEMENT

Academic Advisement is the academic home of the undeclared student. All undergraduate students may obtain information about the CSUF general education curriculum and degree requirements by visiting the Academic Advisement Center in UH-123B. Advising is offered on a walk-in basis Monday through Friday and all students must bring a recent printed copy of their Titan Degree Audit (TDA) to meet with an academic adviser.

MAJOR ADVISEMENT

Students who have declared a major should consult their departmental adviser well in advance of registration. Students who wish to explore the majors offered by a specific college should contact the appropriate advisement office.

ACADEMIC FREEDOM AND RESPONSIBILITY

The Academic Senate of California State University, Fullerton, endorses the 1987 Statement on Professional Ethics (UPS 230.000) and the 1940 Statement of Principles and Interpretive Comments of the American Association of University Professors contained in the 1984 Edition of Policy Documents and Reports.

ASSISTANCE FOR STUDENTS

If you are experiencing difficulty either academically or in your personal life, you should consult support groups on campus that may be able to assist you. Personal counseling is available from Counseling and Psychological Services. If you are unsure of a career, you should consult with the Career Center for special career counseling and interest testing. Other support services include: the Office of the Vice President for Student Affairs, Academic Advisement Center, Academic Appeals, Dean of Students Office, Disabled Student Services, Financial Aid, International Education and Exchange, Student Health and Counseling Center, University Learning Center, Women’s Center/Adult Re-entry/Veterans Certification Office, Writing Assistance Center, and the Office of Admissions and Records.

AUDITING

The symbol AU identifies those instances where a student enrolled in a course for purposes not requiring credit. An auditor must have the permission of the instructor, and may enroll only after students otherwise eligible to enroll in the course for credit have done so. Auditors pay the same fees as credit students; regular class attendance is expected. Once enrolled as an auditor, a student may not change to credit after the last day to add classes. A student enrolled for credit may not change to audit after the deadline published on the inside cover of this registration guide. An auditor does not take examinations in the course; therefore, there is no basis for evaluation nor a formal grade report.

CLASS ATTENDANCE

While class attendance is not recorded officially by the university, regular attendance in class is often essential to success in a course. Policy on class attendance is within the discretion of the individual faculty member, who shall announce the policy at the first class meeting of the semester.

It is especially important that students attend the first meeting of a class. Students absent from the first meeting without notification to the instructor or departmental office within 24 hours after class may be denied admission to the class. Instructors may deny admission to absentees to admit persons on waiting lists in their places. A student who registers for a class and whose name appears on the first-day-of-class list should attend all class meetings the first week (five class days). If a student decides not to continue enrollment in a class, either before or after instruction begins, it is a student’s responsibility to follow the appropriate procedures for dropping the class; however, if a student is absent without notifying the instructor or departmental office within 24 hours after any meeting missed during the first week, the student may be dropped administratively from the class by the instructor. Students should not assume that this will be done for them and should take the responsibility to ensure that they have been dropped by following the appropriate procedures for dropping classes. An instructor may also administratively drop a student who does not meet prerequisites for the course. These administrative withdrawals shall be without penalty.

CLOSED CLASSES

A departmental permit is required to add a closed class.

CONCURRENT ENROLLMENT

A student enrolled at the university may enroll concurrently for additional courses at another CSU campus only with advance written approval and by filing a concurrent enrollment form with the Office of Admissions and Records. Certain restrictions apply when a quarter-system campus is involved. Permission will not be granted when the study list in the proposed combined program exceeds units authorized for full-time study. Students may enroll concurrently at institutions outside the CSU system without special permission or forms.

CONTINUOUS ENROLLMENT - GRADUATE STUDENTS WITH MASTER’S DEGREE OBJECTIVES

A student with a graduate degree objective must maintain continuous enrollment (summer sessions and intersession excluded) until the degree is awarded.

A graduate student who finds it impossible to attend during a particular semester and is denied a formal leave of absence, may register in Graduate Studies 700, which gives no units of credit and does not require class attendance. Registration in Graduate Studies 700 is restricted to classified or conditionally classified graduate students.

A graduate student who fails to register, and who has not obtained approval for a formal leave of absence, has discontinued enrollment in the graduate degree program. If the student wishes to resume study, he or she must reapply for admission to the university and to the degree program.

End of Program Enrollment: students who have enrolled in all units required for the degree and are continuing to work on thesis, project or comprehensive exam preparation, are expected to maintain continuous enrollment by enrolling in GRAD 700 Continuous Enrollment (zero units) through regular registration or at a reduced fee through Extended Education. Students must submit a GRAD 700 Request Form signed by their program adviser before extended education registration forms will be released. Forms are available in the Graduate Studies Office, (MH-103) or from the departmental graduate program adviser.

If you are unsure as to which GRAD 700 applies to your situation, contact your program adviser.

CONTINUOUS ENROLLMENT OF TEACHING CREDENTIAL CANDIDATES

A postbaccalaureate student who has completed student teaching but must complete requirements for an elementary or secondary teaching credential and finds it impossible to enroll in courses for the credential during a certain semester may apply for a leave of absence.

COURSE OUTLINES

Course outlines, which shall be compatible with approved course proposals on file in the Office of the Associate Vice President, Academic Programs, and with course descriptions in the university catalog, must be provided to students in writing within the first five days of instruction. Course outlines shall give detailed information on the following matters: (1) course material to be covered (e.g., reading list); (2) the grading policy for the course; (3) class assignments (e.g., term papers-length, due date, projects); and (4) examination dates and make-up policy, and the required or permissible materials or equipment which may be used in testing situations; (5) required or permissible materials and/or equipment, e.g., texts, materials, or equipment, including calculators, software, artistic materials, scientific apparatus, etc.

It shall be a normal and reasonable duty of each faculty member to provide these materials, in accordance with the outlined provisions. The faculty member shall also provide these materials to the department chair.
DEGREE CANDIDATES

Candidates for the baccalaureate must file an application for a graduation check one year (two semesters) prior to the semester in which they anticipate completing all requirements for a degree. Undergraduate candidates for May 2012 must file the appropriate form by January 13, 2012. Undergraduate candidates for August 2012 must file the appropriate form by March 30, 2012. The form is available on your student portal under “Self Service,” by clicking on “Other Academics.” Complete information and instructions about the entire graduation check process for undergraduates are available on the university website under “Graduation.”

Candidates for May and August 2012 master’s and doctorate degrees must file a request for a graduation check on or before January 30, 2012. The form to accomplish this is available on your student portal under “Self Service” (click on Other Academics).

A change in anticipated date of graduation may be reported by filing the necessary form with the Graduation Unit (LH-114) for undergraduate students, and with the Graduate Studies Office (MH-103) for graduate students.

GRADE OPTIONS

The university uses a combination of traditional and nontraditional grading options as follows:

Traditional

Nontraditional

CR - C (2.0) grade or better in undergraduate courses; B (3.0) or better in graduate courses.

NC - No credit

Students may indicate the grading option for each course when they register. They have until the deadline published in the front cover of the registration guide to change an option. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by all undergraduate students for major, minor and general education requirements. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by graduate students for all required courses. Exceptions are those courses designed by the faculty to be graded Letter Grade Only or CR/NC Only.

Students should know that there is a limitation on the number of courses which can be taken with the nontraditional grading option. A maximum of 36 units of credit/no credit courses, including those transferred from other institutions, may be counted toward the baccalaureate. No course with a grade of CR may be used for the master’s or doctorate degree. A detailed description of the grading policy and definition of symbols used may be found in the current catalog.

Advisory Caution

Undergraduate students who plan to pursue graduate or professional studies later are advised to be selective in opting for courses on a credit/no credit basis. As a general rule (advisory only), coursework that is preparatory or prerequisite to advanced specialized study should be completed and evaluated on a letter grade and not credit/no credit.

INCOMPLETE AUTHORIZED (I)

The symbol ‘I’ (Incomplete Authorized) signifies that a portion of the required coursework for a class has not been completed and evaluated in the prescribed time period, due to unforeseen but fully justified reasons, and that there is still a possibility of earning credit. It is the responsibility of the student to bring pertinent information to the instructor and to determine from the instructor the remaining course requirements which must be satisfied to remove the Incomplete. A final grade is assigned when the work agreed upon has been completed and evaluated.

An Incomplete must be made up within one year following the end of the term during which it was assigned. This limitation prevails whether or not the student maintains continuous enrollment. Failure to complete the assigned work will result in an Incomplete being changed to an IC symbol or an NC unless faculty member assigns a specific letter grade at the time the Incomplete is assigned, which would replace the ‘I’ in the student’s record at the end of the one year deadline. Therefore, ‘I’ grades that were earned for the spring 2011 semester must be completed by May 25, 2012. ‘I’ grades assigned at the end of the fall 2011 semester must be completed by January 2, 2013.

The IC symbol counts as a failing grade for grade point average and grade point balance computations.

A grade of Incomplete may be given only when, in the opinion of the instructor, a student cannot complete a course during the semester of enrollment for reasons beyond the student’s control. Such reasons are assumed to include: illness of the student or of members of the student’s immediate family, extraordinary financial problems, loss of outside position, and other exigencies. In assigning a grade of ‘I’, the instructor shall file with the department, for future reference and student access, a Statement of Requirements for Completion of Course Work. The requirements shall not include retaking the course. The instructor will also designate a time limit (up to one year) for completing requirements. Upon request, a copy of the document will be furnished to the student. The student should review this statement at the earliest opportunity.

The statement of requirements will include an indication of the quality of the student’s work to date. This not only provides an interim evaluation for the student but assists the department chair in assigning a final grade in those instances where the instructor is no longer available. When specific requirements are completed, the instructor will report a change of grade. The responsibility for changing the Incomplete grade rests with the instructor.

INDEPENDENT STUDY

If you want to register in an independent study course, you must obtain written approval from the instructor and the department chair using the appropriate university form. During the semester, you and the instructor shall prepare a study plan and submit it to the department chair, or designee, for approval. The approved study plan shall be kept on file in the department or program office, and shall include a statement of the basis for final evaluation of the independent study.

You may not take more than six units of independent study at the undergraduate level in a given semester or apply more than nine units of independent study toward completion of the undergraduate degree. If you are a graduate student, you may not apply more than six units of independent study toward the completion of a graduate degree unless written approval is obtained by the appropriate college dean.

Lower-division students normally enroll in Independent Study 299, upper division students in 499; and graduate students in 599, respectively. Independent study courses may be repeated.
INTERNETNS AND COMMUNITY ENGAGEMENT
Information on internships and community engagement can be found at www.fullerton.edu/cice.

LEAVE OF ABSENCE - UNDERGRADUATES AND POSTBAC-CALAUREATE UNCLASSIFIED GRADUATE STUDENTS
A leave of absence may be granted based on certain documented extenuating circumstances and normally is granted for not more than one year. Students must be in good academic standing and must have completed 12 units at this university. A leave of absence is not granted in order for a student to return to a community college to take coursework for financial or academic reasons. An approved leave of absence authorizes the student to return without reapplying to the university and continue under the catalog requirements prior to the absence. Undergraduate and postbaccalaureate unclassified graduate students on approved leaves of one year (two academic semesters) or less are eligible to register for the semester immediately following the end of the leave.

LEAVE OF ABSENCE - GRADUATE AND CREDENTIAL STUDENTS
Graduate degree or credential students may be granted leaves of absence, up to two consecutive semesters, which maintain their place in the university and in degree or credential programs (i.e., they do not have to reapply following the leave). A leave granted to a degree objective student also preserves the election of curriculum rights regarding catalog requirements. However, a leave granted by the university does not extend time limitations imposed by the state for completing specific credential requirements nor does it extend the time limit for completing the master’s or doctorate degree.

In the case of non-approved breaks in enrollment, reapplication for admission to the university and to the chosen degree or credential program will be required. A place in the degree/credential program or in the university will not be held for the student in these circumstances.

Forms for requesting a leave of absence are available in the Admissions and Records Service Center (LH-114), the Graduate Studies Office (MH-103), or the Graduate Studies website: http://www.fullerton.edu/graduate. Students must be in good academic standing and must have completed at least six units toward the degree or credential in residence at this university in order to qualify for leaves of absence. Leaves must be submitted before the first day of classes.

NONDISCRIMINATION POLICY - A COMMITMENT VALUING DIVERSITY
The California State University, Fullerton is committed to creating an atmosphere in which all students have the right to participate fully in its programs and activities free from unlawful discrimination, harassment and retaliation. Executive Order 1045 Systemwide Policy Prohibiting Discrimination, Harassment, and Retaliation Against Students and Applicants for Admission AND Systemwide Procedure for Handling Discrimination, Harassment and Retaliation Complaints by Students and Applicants for Admission Against the CSU and/or CSU Employees - was established in compliance with the California Equity in Higher Education Act, California Education Code Sections 66250 et seq., among other applicable state and federal laws.

It is the policy of the California State University (CSU) that no student or applicant for admission as a student shall, on the basis of disability, gender, nationality, race or ethnicity, religion, sexual orientation, or age, be unlawfully excluded from participation in or be denied the benefits of any CSU program or activity. Nor shall a student or applicant for admission as a student be otherwise subjected to unlawful discrimination, harassment, or retaliation for exercising his/her rights under this executive order.

Discrimination is prohibited by Title VI and VII of the Civil Rights Act of 1964, as amended, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, the Vietnam Era Veterans Readjustment Act, and the Americans with Disabilities Act of 1990, including all subsequent amendments and administrative regulations adopted thereunder by the Department of Education and Department of Labor.

Employees and students who violate this policy may be subject to discipline. If discipline of a CSU employee is appropriate under this policy, it shall be administered in a manner consistent with applicable collective bargaining agreements, CSU policies, and provisions of California Education Code Sections 89535 et seq. Discipline of a student shall be administered in accordance with Section 41301 of Title 5, California Code of Regulations.

OPEN UNIVERSITY ENROLLMENT
Open enrollment provides an opportunity for people who are not currently admitted to Cal State Fullerton to enroll in undergraduate and graduate-level classes. Registration is on a space-available basis after classes have started. Information packets are available from University Extended Education (UEE) in CP-100, a UEE Academic Adviser or at www.openuniv.fullerton.edu. Open University students are required to contact UEE Academic Advisers Lyn Richie-Walker (UH-123, 657-278-7645) or Margret Luzzi (CP-100, 657-278-7644) prior to registering. Credit earned through Open University is designated as special session credit.

A maximum of 24 special session credits may count toward a bachelor’s degree. Special session credit earned through Open University may not be used to fulfill the residence requirements (30 semester units) for a bachelor’s degree. For graduate degrees, normally 6 to 9 units may apply. More units of credit may apply for graduate degrees which require more than 30 units. Please consult the graduate department adviser. Disqualified (DQ) undergraduate students may not enroll in more than six (6) units per academic term. Participation in Open University enrollment does not constitute admission to the university.

REPEAT POLICY
Grade Forgiveness Repeats
Undergraduate students may repeat courses up to 16 units for forgiveness at California State University, Fullerton for which a grade of C- (1.7) or lower was earned. In repeating such courses, the traditional grading system shall be used. In computing the grade point average of a student who repeats courses in which he or she received C- (1.7) or lower, only the most recently earned grades and grade points shall be used for the first 16 units repeated.

In exercising this option, an undergraduate student must take and repeat the course at this campus and may request application of this policy after the course has been repeated. This should be accomplished by submitting the appropriate form (available in Admissions and Records), immediately following the term in which the course has been completed, so that the student’s grade point average can be revised.

Undergraduate students may not repeat a course in which a grade of ‘C’ or better has been earned, except for those courses noted in the university catalog as “may be repeated for credit.”
Grades Averaged Repeats

A maximum of 12 additional units may be repeated, but without forgiveness (effect of first grade is not removed from the GPA calculation). Grades from both the original class and the repeated class will be averaged in the GPA calculation. Classes under this type of repeat are referred to as ‘Grades Averaged’ repeats and the 12-unit limit was effective starting with the Fall 2009 semester. Therefore, the count of classes towards the 12-unit limit begins with classes taken and repeated from Fall 2009 forward.

An individual course may be taken a maximum of three times except as noted in the university catalog (e.g. KNES 100-may be repeated for credit up to six times).

ACADEMIC DISHONESTY

Academic dishonesty includes such things as cheating, inventing false information or citations, plagiarism, and helping someone else commit an act of academic dishonesty. It usually involves an attempt by a student to show possession of a level of knowledge or skill which he or she does not possess.

The initial responsibility for detecting and dealing with academic dishonesty lies with the instructor concerned. An instructor who is convinced by the evidence that a student is guilty of academic dishonesty shall:

1. Assign an appropriate academic penalty. This may range from an oral reprimand to an F in the course.
2. Report to the student involved, to the department chair, and to the vice president for Student Affairs the alleged incident of academic dishonesty, including relevant documentations for action that he or she deems appropriate.

The vice president for Student Affairs shall maintain an academic dishonesty file of all cases of academic dishonesty with the appropriate documentation. Students shall be informed when their names are inserted into the file and provided with copies of any appeals or disciplinary procedures in which they may become involved. The vice president for Student Affairs or his or her designee may initiate disciplinary proceedings under Title 5, California Code of Regulations, Section 41301, and Chancellor’s Executive Order 148; when two or more incidents involving the same student occur, he or she shall do so.

A student may appeal any action taken on a charge of academic dishonesty under the University Policy Statement 300.030, “Academic Appeals.” See “Academic Appeals” in the “Student Affairs” section of the university catalog.

SEXUAL HARASSMENT POLICY

It is the policy of California State University, Fullerton to maintain a working and learning environment free from sexual harassment of its students, employees and those who apply for student or employee status. Sexual harassment is illegal under Title VII of the Civil Rights Act of 1964, Title IX of the Higher Education Amendments of 1972, and the California Education Code 89535, Executive Order 927-Systemwide Policy on Prohibiting Harassment in Employment and Retaliation for Reporting Harassment or Participating in a Harassment Investigation Executive Order 1045 Systemwide Policy Prohibiting Discrimination, Harassment, and Retaliation Against Students and Applicants for Admission AND Systemwide Procedure for Handling Discrimination, Harassment and Retaliation Complaints by Students and Applicants for Admission Against the CSU and/or CSU Employees also prohibit sexual harassment within the California State University system. The university will not tolerate sexual harassment and will take action to eliminate such behavior. Information concerning campus sexual harassment policies and procedures can be obtained from the Office of Diversity and Equity Programs, College Park 770, 657-278-3951 or http://diversity.fullerton.edu.

SEXUAL ASSAULT PREVENTIONS AND SURVIVOR SERVICES

CSUF Sexual Assault Prevention and Survivor Services provide educational programs to students, faculty and staff with emphasis on bystander intervention, alcohol’s role and effective communication techniques. Aftercare for assaulted students includes non-forensic medical care, advocacy and accompaniment, professional counseling services, academic advocacy and housing intervention as needed. Additional information can be found at http://www.fullerton.edu/WomenCenter/programs.asp?pg=sexual_assault or contact Susan Leavy at 657-278-3928 or sleavy@fullerton.edu.

USE OF BICYCLES AND SKATEBOARDS ON CAMPUS

The university’s policy concerning the use of bicycles, skateboards and other forms of non-motor vehicle transportation is set forth in President’s Directive No. 16. Please see http://directive16.fullerton.edu.

SMOKING POLICY

I. Policy Statement

To mitigate well-established health risks associated with exposure to secondhand smoke, the California State University Board of Trustees delegated authority to campus presidents to adopt rules regulating smoking on campuses. At California State University, Fullerton, smoking is prohibited in any:

- Building owned, leased or rented by the university or one of its auxiliaries, whether located on or off campus.
- Outdoor area (for example a patio, balcony, courtyard or atrium) within 20 feet of any building. Smoking is permitted beyond 20 feet in outdoor areas unless otherwise posted.
- Vehicles owned, leased or rented by the university or one of the university’s auxiliaries.

II. Existing State Guidance and Development Considerations

The State of California prohibits smoking in all public buildings and other enclosed areas of employment. Authority to issue this policy is based on Title 5, California Code of Regulations, Section 42356; State of California Executive Order W-42-93; State Government Code Section 19994.31; State Labor Code Section 6404.5; and CSU Executive Order 599.

III. Scope

This policy applies to all university faculty, staff, students and visitors, as well as the areas noted in Section I above. Smoking is permitted in university-sponsored Theater and Dance productions only if smoking is listed in a script as a required part of a performance.

Smoking is permitted in student-authored or student-sponsored scenes, showcases or workshops only if produced as part of the university’s Department of Theatre and Dance Season. Entertainment productions and other presentations in the Titan Student Union are not exempt from this policy; however, the Executive Director of the Associated Students may grant an exemption when smoking is listed in the script as a required part of a performance.

IV. Definitions

“Smoking” is defined as inhaling, exhaling, burning, or carrying a lighted cigarette, cigar, pipe or other apparatus used to smoke tobacco or any other organic or non-organic material.
V. Implementation

The Office of Environmental Health and Safety will provide faculty, staff, students and visitors with notice of this policy through signs, information campaigns or other publications. Supervisors are responsible for informing employees of this policy.

VI. Accountability

Faculty, staff and students violating this policy are subject to appropriate disciplinary action pursuant to the applicable collective bargaining agreement and/or administrative policies or procedures. Violations should be reported to the appropriate administrator, Environmental Health and Safety at 657-278-7233 or Risk Management at 657-278-7346.

This policy is effective as of April 3, 2003, and supersedes all previous university smoking policies. Contacts for questions regarding this policy are the Director of Environmental Health and Safety and the Director of University Risk Management.

SOCIAL SECURITY NUMBER AND STUDENT IDENTIFICATION NUMBER

Applicants are required to include their correct social security numbers in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code (26 U.S.C. 6109). The University uses the social security number to identify students and their records including identification for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the University to file information returns that include the student’s social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. This information is used by the IRS to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes. The Social Security number also is required by the Franchise Tax Board for collection of past due accounts.

For other records and services, the university uses an assigned campus wide identification number (CWID) as the student’s account number. For more information on CWID see page 3. A student’s TitanCard number is not his or her identification number.

Students are required to write their student identification numbers (CWID) on personal checks submitted for any payment to the University. Payment by personal check is consent by the student for the University to write the student’s identification number on the check if it is not referenced. If a student prefers that his or her student identification number not be on the check, then the student must submit payment by cashier’s check, money order, or, when appropriate (other than mail-in or drop-off registration), cash. Use of the student identification number assures credit to the correct student university account.

STOP-OUT POLICY

The stop-out policy allows undergraduate students and postbaccalaureate unclassified non-credential graduate students to be absent for one semester and maintain their continuing student status. This includes election of catalog requirements for graduation and eligibility to register for the next semester. Disqualified students, foreign visa students, students on leaves approved for more than one year and students without approved leaves who are absent for more than one semester must apply for readmission should they wish to return to Cal State Fullerton.

Immediate, over-the-counter transcript service cannot be provided except on an emergency basis.

Transcripts may be ordered online 24/7 and paid for with your credit card through the National Student Clearinghouse. Current degree seeking students can access the National Student Clearinghouse via the student portal. Students without a secured student portal may access the service at www.studentclearinghouse.org.

VETERANS

Veterans may obtain information concerning application for benefits, registration, and adjustments in status from the Veterans Certification official located in University Outreach Office LH-540. VOLUNTARY STUDENT HEALTH INSURANCE

Students wishing to obtain voluntary student health insurance may do so at the Associated Students Office. Although neither CSUF nor the Associated Students Office can endorse any particular policy, the staff does negotiate for a policy that offers the best coverage at the lowest possible cost. Students should seriously consider health insurance, since it enables them to obtain needed medical services without having to be concerned about the rising cost of medical services. The staff of the Associated Students Office will be pleased to answer any questions about the insurance policy at 657-278-2401.
UNIVERSITY OF CALIFORNIA, FULLERTON

Spring 2012 Registration Guide

WITHDRAWAL LIMIT
Undergraduate students will be limited to a maximum of 18 units of withdrawals ("W" on transcript) during their CSUF career. "W"s earned prior to Fall 2009 will remain on the record but will not be counted toward the unit cap. (See www.fullerton.edu/admissions. Under “Resources,” click on “Frequently Asked Questions”).

WITHDRAWAL UNAUTHORIZED (WU)
Students who discontinue course participation without formally filing a withdrawal form with the university shall be considered to have withdrawn unofficially from the course. Such action by the student will result in a final grade of WU (Withdrawal Unauthorized) or NC, depending on the grade option elected. For purposes of grade point average computation, the WU symbol is equivalent to an F. Students will be held responsible and billed for fees not yet paid.

Students may petition for retroactive withdrawal from individual courses or from an entire semester by using the retroactive withdrawal petition process. However, this process has specific requirements and deadlines for submitting a petition, and a strict requirement for providing independent written documentation (from a source other than the student) to verify the serious and compelling circumstances that resulted in the student receiving a WU. The preferred period for submitting these petitions is by the fourth week of the semester immediately following the term being petitioned. For students who do not meet this deadline, there is an extension period for submitting petitions:

- if you have graduated from CSUF, no later than 12 months from your date of graduation.
- if you have not graduated from CSUF, no later than five years from the semester being petitioned.

All retroactive withdrawal petitions are individually reviewed and can be either granted or denied. If it is determined that retroactive withdrawal is justified, a grade of W will be assigned and the negative effect of the WU grade will be removed from the grade point average. If a W is granted by retroactive petition, a decision will be made at the time of review as to whether the W will be counted or not counted in the 18-unit limit. Petition forms are available at the Admissions and Records Service Center, LH-114.

FEES AND DEBTS OWED TO THE INSTITUTION
Should a student or former student fail to pay a fee or a debt owed to the institution, the institution may "withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt" until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381).

Prospective students who register for courses offered by the university are obligated for the payment of fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay student fees including any tuition for the reservation of space in the course.

The institution may withhold permission to register or to receive official transcripts of grades or other services offered by the institution from anyone owing fees or another debt to the institution. The institution may also report the debt to a credit bureau, offset the amount due against any future state tax refunds due the student, refer the debt to an outside collection agency and/or charge the student actual and reasonable collection costs, including reasonable attorney fees if litigation is necessary, in collecting any amount not paid when due.

If a person believes he or she does not owe all or part of an asserted unpaid obligation, that person may contact Student Financial Services. Student Financial Services, or another office on campus to which Student Financial Services may refer the person, will review all pertinent information provided by the person and available to the campus and will advise the person of its conclusions.

WRITING CENTER
The Writing Center offers free tutorial help to university students. The Writing Center, located on the first floor of Pollak Library, is open Monday through Saturday. Students may drop in or may make appointments by calling 657-278-3650. More information is available at http://hss.fullerton.edu/english/wc/.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

THE PRESIDENT’S DIRECTIVE NO. 17
The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. They are:

I. Directive
The Family Educational Rights and Privacy Act ("FERPA") and California State University Executive Order 796 ("EO 796") afford students the right to inspect and review their education records; request amendment of an education record believed to be in error or misleading; limit disclosure of personally identifiable information contained in an education record; and file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with FERPA. Should a conflict arise between FERPA or EO 796 and this directive, FERPA or EO 796 will take precedent.

II. Authority

III. Scope
This directive applies to the records of any student who is attending or has attended the University. They do not apply to records of applicants for admission who are denied acceptance or, if accepted, do not attend the University.

IV. Definitions
A. Directory Information. A student’s name, date and place of birth, permanent and local address, University-recognized e-mail address, telephone number, class level, enrollment status, major(s), minor(s), dates of attendance, degrees and awards received, previous educational institutions attended, and past and present participation in recognized activities. Directory information also includes weight and height if student is an athletic team member.

B. Legitimate Educational Interest. A school official has a “legitimate educational interest” if the official must review an education record to fulfill their professional responsibility. The University faculty or staff member responsible for maintaining the requested record is responsible for determining whether a school official has a legitimate educational interest.

C. School Official. A University or CSU system employee or volunteer in an administrative, academic, research or staff position, including
law enforcement unit personnel and health staff; an individual or
title=ent with whom the University has contracted to act for the institu-
tion or to provide services the institution would otherwise perform for
itself, such as an attorney, auditor, or collection agent; an individual,
including a student, serving on a CSU System or University committee,
such as a disciplinary or grievance committee, or assisting another
school official in performing their professional responsibility.

V. Implementation
A. School officials with a legitimate educational interest may access student
records. In addition to school officials with a legitimate educational
interest, the University may disclose Directory information (defined
in Section IV. A), depending on the nature of the request and depending
on the release category selected by a student. Students may choose to
limit the release of their Directory information as described below:
1. Permit release of all Directory information. Unless restricted by a
student, the University may release a student’s Directory
information at any time to any requesting party, including the
military and for the development of University-affiliated marketing
programs. This is the default category for release of information.
2. Permit release only “Verification” information. This sub-category
of Directory information consists of a student’s name, class level,
enrollment status, major(s), minor(s), degrees and awards received,
dates of attendance and University-recognized e-mail address. The
University may release this information in response to requests,
including but not limited to those from campus auxiliaries, financial
lenders, employers, the military or insurance companies for
verification of degree and enrollment information; for inclusion
in Commencement and honors materials. Students who release
only “Verification” information will be excluded from all University
directories, printed or electronic, that the University may produce or
publish.
3. Withhold release of all Directory information. Withholding the
release of all Directory information means that the student will be
excluded from all University directories and publications that the
University may produce or publish, including Commencement and honors materials, and the University will not verify
degree, dates of attendance or enrollment information
without the prior written consent of the student. There will be no
release to the military or for marketing programs.

B. Students wishing to review their education records must make a
written request to the Vice President for Student Affairs. Requested
education records as defined by FERPA will be made available for
review within 45 working days of the request. Reasonable charges for
copy costs will be applied.

C. The University notifies students of their FERPA rights in its course
catalog, university website, and annually via electronic mail.

D. Students who believe their rights have been abridged may make a
request in writing seeking assistance from the Vice President for

GRADING STANDARDS IN GENERAL EDUCATION (GE)

A grade of “C” (2.0) or better is required to satisfy GE requirements in:

- Oral Communications (category I. A)
- Written Communications (category I. B)
- Critical Thinking (category I. C) and
- Mathematics (category III. A. 1)
- A grade of “C minus” (1.7) or lower is not a passing grade.

A grade of “D” (1.0) or better is required to satisfy all other GE
requirements. A grade of “D minus” (0.7) or lower is not a passing grade.

GRADING STANDARDS IN UPPER DIVISION WRITING
REQUIREMENT (UNDERGRADUATES)

A grade of “C” (2.0) or better is required to satisfy the upper division
writing requirement. A grade of “C minus” (1.7) or lower is not a passing grade.

GRADING STANDARDS IN GRADUATE PROGRAMS

A grade of “C” (2.0) or better in each course in the graduate study plan.
A grade of “C minus” (1.7) or lower is not a passing grade.
A grade of “C” (2.0) or better in course(s) that are used to meet the
writing requirement. A grade of “C minus” (1.7) or lower is not a passing grade.
GRADE POINT AVERAGE REQUIREMENTS FOR GRADUATE STUDENTS
An average GPA of at least 3.0 based on all courses attempted to satisfy requirements for the master’s degree. This average applies to:

- All 400- and 500-level units attempted subsequent to admission to a degree program; and
- All units required on the student’s graduate study plan including transfer courses.
Departments may have additional grading standards for graduate programs—consult your graduate advisor.

CREDIT / NO CREDIT GRADING OPTION
For undergraduate students, “credit” is awarded for work equivalent to all grades which earn 2.0 or more grade points (“A+” thru “C”). “No credit” is awarded for work equivalent to all grades which earn less than 2.0 grade points (“C” minus thru “F”).

For graduate students, “credit” is awarded for work equivalent to all grades which earn 3.0 or more grade points (“A+” thru “B”). “No credit” is awarded for work equivalent to all grades which earn less than 3.0 grade points (“B minus” thru “F”).

PLUS / MINUS GRADES AND TRANSFER ADMISSIONS
In determining transfer admissibility, the transcripts of applicants for admission will be evaluated and grade point average(s) calculated based on the grade points assigned by the CSUF grading policy, e.g. a grade of B+ at Cypress College will be calculated for admissions purposes as being worth 3.3 grade points per semester units.

Plus and minus grading will have no effect upon the admissions applicability of community college coursework that has been general education "certified" by California community college(s) as per CSU Executive Order 1033.

16 Spring 2012 Registration Guide
ENGLISH PLACEMENT TEST (EPT)

All new undergraduate students entering the California State University are required to take the English Placement Test (EPT) except those who qualify for an exemption as described below. If you are not exempt, you must take the EPT prior to enrolling in your first semester. Failure to take the EPT prior to your first semester will cancel your registration eligibility for classes.

- If you score 142-146, you are recommended to take English 100/100W in the summer. If English 100/100W is not taken in the summer, students are required to take English 99 in the fall term. No ILE appointment is required.
- If you score 141 & below, you are recommended to take English 100/100W in the summer. If English 100/100W is not taken in the summer, students are required to take English 99 in the fall term. Students are required to make one ILE appointment. CSUF compliance policy requires that you strengthen your writing skills during your first semester of enrollment in an approved class, i.e.: English 99 or English 99M. Failure to complete basic English skills in two semesters will result in the student being disenrolled. Please contact the INTENSIVE LEARNING EXPERIENCE (ILE) office in UH-234 or telephone 657-278-7236.

It is mandated that freshmen and sophomores who score between 120-144 are required to participate in the INTENSIVE LEARNING EXPERIENCE (ILE) program and enroll in English 099 or ENGL 099M, depending on the test score. Failure to complete the basic English skills in two semesters will result in students being disenrolled. In addition, any student enrolled in ENGL 099 or ENGL 099M is required to make one appointment with ILE by May 1, 2012. Contact the ILE office in UH-234 or telephone 657-278-7236.

The English Placement Test (EPT) is given in conjunction with the Entry Level Mathematics (ELM) exam. Students may take the test(s) at the most convenient CSU campus. Many campuses have online registration available. Go to the CSU EPT/ELM Information Bulletin at www.ets.org/csu for a complete list of EPT and/or ELM test dates and registration procedures on all the CSU campuses.

If you wish to take the EPT at Cal State Fullerton, online EPT and/or ELM registration is available. To register for the EPT at Cal State Fullerton, go to the Testing Center’s website at www.fullerton.edu/testing.

To take the EPT, you must bring a check or money order for $18 (payable to Educational Testing Service) to the testing site on the day of the exam. Cash will not be accepted. If you plan to take the English Placement Test (EPT) and Entry Level Math (ELM) on the same day, you may bring one check or money order in the amount of $36 (payable to Educational Testing Service). All fees are nonrefundable and subject to change. No student will be tested without proper payment and picture identification. For further information, refer to the English Placement Test and Entry Level Mathematics Examination Information Bulletin or visit the Testing Center’s website at www.fullerton.edu/testing.

Exemptions:

To be exempt from the English Placement Test requirement, students must present proof of one of the following:

- A score of “Exempt” or “Ready for college-level English courses” on the CSU Early Assessment Program (EAP) taken along with the English Language Arts California Standard Test in grade 11
- A score of 22 or above on the American College Testing (ACT) English Test
- A score of 3 or above on either the Language and Composition or Composition and Literature examination of the College Board Scholastic Advanced Placement Program
- Completion and transfer to the CSU of the credits for a college course that satisfies the CSU General Education requirement in English Composition, provided such a course was completed with a grade of C or better.

ENTRY LEVEL MATHEMATICS EXAMINATION (ELM)

The Entry Level Mathematics Examination is the mathematics placement test required by the CSU of undergraduate students who have not already earned credit for one or more college-level general education course(s) in mathematics. All new undergraduate students entering the California State University are required to take the Entry Level Mathematics Examination (ELM) except those students who qualify for exemption as described below. The ELM is a basic skills examination that will determine if you are prepared for college-level courses that require a reasonable amount of mathematics. If you are not exempt, you must take the ELM prior to your enrollment in the university. Failure to take the ELM (or become exempt) prior to your first semester will cancel your registration eligibility for classes.

To be exempt from the Entry Level Mathematics test requirement, students must present proof of one of the following:

- A Score of “Exempt” or “Ready for college-level Mathematics courses” on the CSU Early Assessment Program (EAP), taken in grade 11 in conjunction with the California Standards Test in Summative High School Mathematics or Algebra II
- A score of “Conditionally ready for college-level Mathematics courses” or “Conditional” on the CSU Early Assessment Program (EAP) take in grade 11 along with the California Standards Test in Summative High School Mathematics or Algebra II, provided successful completion of a CSU-approved 12th grade math course that requires Algebra II as a prerequisite
- A score of 550 or above on the mathematics section of the College Board SAT: Reasoning Test
- A score of 550 or above on a College Board SAT Subject Test in Mathematics (levels 1 or 2)
- A score of 23 or above on the American College Testing (ACT) Mathematics Test
- A score of 3 or above on the College Board Advanced Placement Calculus AB or Calculus BC exam
- A score of 3 or above on the College Board Advanced Placement Statistics examination

It is mandatory the freshmen and sophomores who score 30 or below are required to participate in the Intensive Learning Experience (ILE) program by enrolling in MATH 30A the first semester, followed by MATH 30B the second semester. In addition, any student enrolled in MATH 30A/MATH 30B is required to make one appointment with ILE by May 1, 2012. Contact ILE in UH-234 or call 657-278-7236.
Failure to complete the basic Mathematics skills in two semesters will result in students being disenrolled. Students who do not pass the ELM may gain access to required university general education mathematics courses via any of the following methods if completed prior to their first semester of enrollment at CSUF.

- Pass, with a “C” (2.0) or better, a course in Intermediate Algebra offered by an accredited college (once the ELM has been taken, bring an official transcript to Langsdorf Hall, Room 114, Attention Nancy J. Dority).
- Retake/pass the ELM.
- Complete one or more lower level mathematics course(s) and retake/pass the ELM.
- Complete course(s) offered by the CSUF Intensive Learning Experience (ILE), MATH 30A, MATH 30B or MATH 40.

The Entry Level Mathematics (ELM) is given in conjunction with the English Placement Test (EPT). Students may take the test(s) at the most convenient CSU campus. Many campuses have online registration available. Go to the CSU EPT/ELM Information Bulletin at www.ets.org/csu for a complete list of ELM and/or EPT test dates and registration procedures on all the CSU campuses.

If you wish to take the ELM at Cal State Fullerton, online ELM and/or EPT registration is available. To register for the ELM or for further information, refer to the English Placement Test and Entry Level Mathematics Examination Information Bulletin or visit the Testing Center’s website at www.fullerton.edu/testing.

On the day of the exam, you must bring a check or money order for $18 (payable to Educational Testing Service) to the testing site. Cash will not be accepted. ### COMPUTER SCIENCE PLACEMENT TEST

The Computer Science curriculum begins with a three course sequence, CPSC 120,121,131, covering concepts of programming and data structures. You may have gained knowledge of these topics in a variety of ways, but do not have formal courses to transfer nor AP scores to submit. To validate your knowledge you may take the Computer Science Placement Examination to waive one or more of these courses. The test may be taken only once. Test scores are valid for two consecutive semesters.

Arrive for instructions 10 minutes before test begins. Bring pencils and eraser. There is no fee and you do not need to pre-register, but picture identification is required.

UPPER-DIVISION BACCALAUREATE WRITING REQUIREMENT

UPPER-DIVISION WRITING COURSES AND JUNIOR LEVEL EXAMINATION IN WRITING PROFICIENCY (EWP)

The university requires that all students completing bachelor’s degrees under 1980-81 and later catalog requirements demonstrate writing ability acceptable for graduation. The upper-division writing requirement has two parts; you must satisfy each:

- An Upper-Division Course. Based on your specific major, you are required to either pass a specially designated upper-division course of at least three semester units or pass two or more courses for a total of at least six units.
- The Junior-Level Examination in Writing Proficiency (EWP). The university faculty requires that you pass the EWP, which has been especially designed to measure writing ability.

Course

The University Board on Writing Proficiency must certify the course or courses that each major department designates to fulfill the requirement. Departments and programs may specify either a single course of at least three units which involves intensive instruction in writing, or two or more courses (a total of at least six units) in which you are required to write one or more lengthy papers or several shorter ones, which involve the organization and expression of complex ideas. In these courses, you will be given careful and timely evaluations of your writing and suggestions for improvement. An assessment of your writing competence will be included in determining your final course grade. You must pass these courses with a grade of C or better.

**Petitions**

In certain cases, you may present a petition to the board for exemption from or modification of the requirement.

1. If you are a transfer student or a candidate for a second baccalaureate, you may be certified as meeting the requirement after you submit to the board acceptable evidence showing that you have completed the equivalent to CSUF’s upper division requirement.

2. You may petition the board for substitution of an alternative to the Examination in Writing Proficiency when exceptional circumstances, such as a clinically identified learning disability, make the examination inappropriate. Such petitions must include documentation of the special circumstances and propose specific alternative means of demonstrating writing proficiency.
GENERAL EDUCATION REQUIREMENTS

General Education courses are required at CSUF as a necessary and integral part of your University education. They are the foundation on which each and every major is built, and have been specifically designed to provide exposure to current thinking and scholarship. Students’ success in the global socio-economic climate will be determined by the ability to research, analyze and apply universally accepted principles in areas beyond those learned in their majors. These courses serve as the stepping stones to a lifetime of growth; personally, professionally and academically.

UNIT REQUIREMENTS
51 total units, including:
- 9 units upper division taken as a junior or senior
- 9 units in residence at CSUF
- 3 units in cultural diversity (courses marked with an asterisk*)
- Limited to either 9 units or 3 courses from a single department, excluding courses in GE Area A, Core Competencies
- Each course counts in only one GE Area, except those meeting Area Z, Cultural Diversity

ACADEMIC STANDARDS

- Letter grade required
- “C” (2.0) or better in Areas A1, A2, A3, and B4, thus, a grade of C- (1.7) is not sufficient to fulfill these requirements (Note: A grade of “C minus” (1.7) will not satisfy GE requirements in these four Areas) A grade of “D” (1.0) or better is required to satisfy ALL other GE requirements (a grade of “D minus” (.7) is not a passing grade.
- CR/NC allowed if it is the only grade option available

COURSES IN YOUR MAJOR

- Courses offered by the department of the student’s major may NOT be used to fulfill the requirements of Areas B, C, D, E or Z with the exception of areas offering choices from only one department.
- Courses that are cross-listed meet general education requirements for all majors except those in the home department of the cross-listed course. The home department is the one under which the course description appears in the catalog and is indicated with an underline in the GE list in the registration guide. For example, Afro-Ethnic Studies is the home department for Afro-Ethnic Studies 311/Human Services 311; therefore, it cannot be used by Afro-Ethnic Studies majors to meet GE requirements.
- Upper division courses offered by the department of the student’s major may not be used for GE credit.
- Upper division GE courses are not applicable for graduate degree credit, regardless of the student’s major or the department offering the course.

SCHEDULE OF CLASSES AND EXPLANATION OF CODES

All class schedule entries are subject to change without prior notice. The scheduling office distributes a listing of added and cancelled classes to all academic departments, the Academic Advisement Center, the Daily Titan, and other university offices prior to the first day of classes.

The faculty member shown in the “faculty” column of this class listing is a tentative assignment, depending on schedule adjustments required by circumstances during registration.

CLASS NOTES

The column identified as “Class Notes” indicates special information of significance for the student. Explanation of each CN appears online. Under Class Search, CR means department consent required. Some classes have prerequisites, while others require permission of the department or an instructor as noted under “Class notes”. If you are selecting one of these courses, be sure that you have met the prerequisites or have obtained the required permission. The fact that you may be scheduled for such a class does not imply that permission to enroll has been granted.

COURSE NUMBER

The five-digit code number follows the section number and is listed below the course number. It identifies the class and section of the class you want to take. You register for a class with this number.

Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees.

EMAIL ADDRESS
Each student has been issued an email address where university messages are sent to you. Student Financial Services uses this email address as the primary communication mode to students. Be sure to check your email on a regular basis. For additional information about your email account, contact the Titan Help Desk at 657-278-7777.

FEE PAYMENT DEADLINES (ALL STUDENTS)
Check TITAN Online for the date(s) on which you are eligible to register. For questions regarding your registration appointment, please contact Admissions and Records at 657-278-7601. If you have any holds on your accounts, you must resolve them at least three business days before registering.

Do not sign up for an Installment Payment Plan until after you register for classes, or your account will not calculate your fees correctly.

TITAN REGISTRATION PAYMENT DUE DATES

10/28/2011 THROUGH 1/20/2012
TITAN registration online allows you to register for classes first, and then make a payment. Payments are due within 3 days after you register. If you do not pay your balance in full within 3 days, you will be subject to disenrollment without notice.

1/21/2012 AND AFTER
TITAN registration continues to allow you to register for classes first; however, your payment is due immediately on the same day you register. If you do not pay your balance in full, you will be subject to disenrollment without notice.

IMPORTANT!
- Payments made online via the web are due by 11:30 PM on the due dates given by Titan Online (Web registration). In-person and mail-in payments are due by 5:00 PM on the date given by Titan Online after registering.
- The University is not responsible for delays in the US Postal Service: postmarks are not considered.
- If you have decided not to attend CSUF for the current semester, please contact Admissions and Records to ensure that you are formally withdrawn from the University and no registration fees remain on your account. You are responsible for dropping all your classes in the event you are not disenrolled.
- You will not receive an invoice for your registration fees. To ensure your fees are paid on time and to avoid disenrollment, please check both your financial aid application status and your student account regularly by logging into Titan Online via your student portal (http://www.fullerton.edu) and click on your Titan Online “Student Center”. Select “Account Inquiry” to view any current balances due.
- If you switch from part-time (0-6 units) to full-time (7+ units), you must pay your additional fees by the due date. If payment in full is not received, all of your classes are subject to disenrollment.
- You must formally accept a Direct Loan in order for it to qualify you for postponement of your tuition fee payment. If you have been offered a Direct Loan or a Federal Perkins Loan, go to Titan Online and select “View Financial Aid” for the current term. Click on the “Accept/Decline Awards” link and follow the instructions to accept the loan.
- If you decline your loan and do not have other financial aid, you are responsible for fee payment at the time you register.
- If you are disenrolled for non-payment, waitlisted students will fill your space in the class and there is no guarantee that space will be available in classes that were dropped.
- Students who register on/after the first day of instruction for any term will be assessed a $25.00 Late Registration Fee.
- For University refund policies and procedures, please go to http://sfs.fullerton.edu.
STUDENTS RECEIVING FINANCIAL AID

If you have applied for financial aid, you may be eligible to postpone payment of your tuition fees until your financial aid is disbursed at the beginning of the semester. To qualify for postponement of your tuition fee payment, you must:

1. have accepted a financial aid award at the time you register for classes:
   - Grant funds are automatically accepted on your behalf. Therefore, if you have an accepted State University Grant (SUG), Education Opportunity Grant (EOP), Cal Grant A or B, Federal Pell Grant, or Federal Supplemental Educational Opportunity Grant (FSEOG), your fee payment will be postponed and deducted automatically from your disbursement.
   - You must formally accept a loan in order for it to qualify you for a postponement of your tuition fee payment. If you have been offered a Direct Loan or a Federal Perkins Loan, go to Titan Online and select “View Financial Aid” for the current term. Click on the “Accept/Decline Awards” link and follow the instructions to accept the loan.
   - The “Account Inquiry” page in Titan Online displays your tuition fee charges and any pending financial aid. If you do not have enough pending financial aid available to offset your charges in full, you must pay the balance.

STUDENT RESPONSIBILITY FOR PAYMENT OF FEES

You are responsible for payment of your registration fees. If your financial aid award becomes unavailable for ANY reason, or is insufficient to pay for fees as initially anticipated, you must pay the balance immediately upon notification. It is your responsibility to ensure that registration and tuition fees are paid in full. Access your account balance by clicking the “Financial Statement” link from your Student Portal.

WITHDRAWAL ‘W’ GRADES

If you drop one or more courses after grant aid was disbursed to you or applied to your university account, you may be billed for some or all of the aid. Visit the Office of Financial Aid to determine how much you would be required to repay. If you receive financial aid and you completely withdraw from the university, we will calculate the amount of Federal financial aid you “earned” based on the number of days you were enrolled. You may be required to repay a portion of the funds you received. In addition, the university may be required to refund a portion of tuition and fees to one or more federal aid programs. For further information, contact the Office of Financial Aid at 657-278-3125.

STUDENTS RECEIVING FEE ASSISTANCE

Applications and requests must be submitted according to program guidelines.

THIRD PARTY CONTRACTS/SPONSORED STUDENTS

If a government agency, embassy or other organization will pay your registration and tuition fees, you must submit a current letter of financial guarantee to Student Financial Services (UH-180) at least five business days prior to your TITAN registration appointment. If this letter is not received prior to your registration appointment, you are responsible for paying your registration and tuition fees and will be subject to disenrollment if your payment is not received by the deadlines specified above.

STATE REHABILITATION AND VETERANS ADMINISTRATION

VOCATIONAL REHABILITATION

Contact the Disabled Student Services Office (UH-101) if you need assistance with registration.

CAL-VET FEE WAIVER (COLLEGE FEE WAIVER)

This benefit is only available to the dependent child, spouse, or unmarried surviving spouse of a service-connected disabled or deceased veteran. Submit the approval letter of authorization for the appropriate academic year to the Veterans Certification Office (LH-540) at least five business days prior to your Titan registration appointment. Approval letters for previous academic years are not accepted.

VETERAN FEE DEFERMENT OPTION

Only veterans who are attending their first semester at CSUF and who are receiving GI Bill benefits are eligible. Please arrange for fee deferments with the Veterans Certification Office (LH-540) at least five business days prior to your Titan registration appointment.

For detailed information regarding student account policies and procedures, please go to the Student Financial Services website http://sfs.fullerton.edu. You may also contact the Student Financial Services Office at SFS@fullerton.edu or 657-278-2495.

WAITLISTING

Waitlisting is available to all colleges. If a course is full, you may try to obtain a place in the class by getting on the wait list. As space in the class becomes available, your name will advance on the wait list. If enough students drop the course, you may be automatically enrolled from the wait list. Please review How Waitlisting Works and Waitlist Restrictions on the following Registration pages.

TITAN ONLINE REGISTRATION

INSTRUCTIONS

REQUIREMENTS

Check Titan Online for your registration appointment date/time and for any holds on your record. All holds must be cleared three business days prior to your TITAN appointment. You will access registration via your student portal.

MAXIMUM UNITS

University Limitation

Undergraduates are limited to a maximum of 16 units during TITAN registration. Classified graduate students not in a Credential Program are limited to 12 units during early registration. Credential students are limited to 19 units.

TITAN PIN

A “one-time use” Personal Identification Number (PIN) is assigned to you, which is a 6-digit number. After accessing your Student Portal with the PIN, you will be asked to create a password. This password will be used for Student Portal access including registration throughout your enrollment at CSUF. If you lose or misplace your password, you must present picture identification at the IT Helpdesk.

TITAN APPOINTMENT

Appointment dates and times for registration are based on class level and on units earned for all participants. The date indicated on Titan Online represents the first date you can access Titan Online to enroll in classes. If you attempt to register before your assigned date and time, you will not be granted access.

HOLDS

Any holds will be listed on Titan Online Student Center. All holds must be cleared three business days prior to your TITAN appointment.

CANCELLED CLASSES

If a class for which you have registered is cancelled by the department, you will be notified by that department. You may attempt to add another class during TITAN registration on or after your appointment time.

GRADING OPTIONS

The default grading option is a letter grade (A, B, C, D, F). Exceptions are those classes offered LTR/GRD only and CR/NC only. To change the default (A, B, C, D, F) option to CR/NC or to change from CR/NC to a letter grade, see worksheet for information concerning grade option changes. For more detailed information on grading options, refer to page 8.

COURSE PREREQUISITES

Some courses have course prerequisites (see Class Notes in the online class schedule) which, if not met, will result in your being unable to register for the course or being dropped by the instructor.

COURSE COREQUISITES

Some courses have course corequisites (see Class Notes in the online class schedule). You must register for the corresponding corequisite during the same registration transaction. Failure to do so may result in your being disenrolled from the course.

TEST SCORE PREREQUISITES

Some courses have test score prerequisites which, if not met, will result in your being unable to register for the course. Refer to the Placement Examinations section of this registration guide.

REGISTRAR CLASS (REG 999)

Students unable to enroll in any classes because they are closed may enroll in the Registrar Class (REG 999) (see online class schedule for 5-digit course number). Students thus become officially registered and pay minimum fees by their payment due date, thereby avoiding the $25 late registration fee that goes into effect as of the first day of class. This is a temporary device to enable students to add classes during the next registration period, if classes are available then, or to wait for decisions on admissions into specific courses.

You must withdraw from REG 999 to add other courses. If you are unable to add other courses, you are required to withdraw. Any student who does not add a regular course or withdraw with a refund will be administratively withdrawn from the university.

DISABLED STUDENTS

Contact the Disabled Students Services Office (UH-101) if you need assistance with registration. For additional information, call 657-278-3117.
WAITLISTING

Waitlisting is available to all colleges. If a course is full, you may try to obtain a place in the class by getting on the wait list. As space in the class becomes available, your name will advance on the wait list. If enough students drop the course, you may be automatically enrolled from the wait list.

How Waitlisting Works

- Many classes will offer waitlisting with the exception of 495, 499, 595, 598 and 599 classes.
- The standard waitlist limit for each class is 15 students; this is regardless of the class limit. Some classes may have different waitlist limits based on department discretion.
- You can waitlist for a maximum of 8 units, provided that each course's waitlist is not already full. (Note: Waitlisted units are not included toward your enrollment unit limit. Once you successfully get into the class, then the units will count towards your enrollment unit limit.)
- You must meet any requisites for the class before you can be placed on the waitlist, e.g., course pre-requisites, section co-requisites, major and class level restrictions.
- Students cannot waitlist the same lecture section or the same lab section more than once.
- If a seat becomes available, the student first on the waitlist will get the seat (subject to the restrictions below).
- Students will be moved from the waitlist into the class if other students drop or are dropped due to non-payment of fees.
- If students drop, seats will not be available to students who happen to log in if there is someone on the waitlist.
- If you are moved from the waitlist into the class, you will receive an email notification.
- If you are waitlisted for multiple sections of the same course, and you successfully get into one of the sections, you will be automatically removed from the waitlists for the other sections.
- You will not be billed for waitlisted classes but will be billed if moved from a waitlist into a class and the additional units result in higher registration fees. It is important to check your class schedule and account summary regularly to avoid possible cancellation due to a newly added class(es).
- If you are moved from the waitlist into a class, it is your responsibility to drop the class (as with any other class) if you decide not to attend. Failure to do so will result in a ‘WU’ grade on your record, which will lower your grade point average.
- There is no guarantee you will be moved off the waitlist and enrolled into the class. Once the process to move students from the waitlist has run for the final time and classes have begun, instructors are not required to add students who were waitlisted for the class.
- The online waitlisting feature will cease to function with the end of the first week of class, but the waitlist will be retained for informational purposes for the instructor.
- Faculty may control access to “closed” classes starting with the first day of class via according to academic department procedures.

Waitlist Restrictions

Students will be moved from the waitlist into the class if space becomes available, and in the order placed, unless any of the following restrictions apply:

1. There is a **time conflict** with another registered class. Since potential time conflicts are not checked when you place yourself on a waitlist, you should ensure that waitlisted classes do not conflict with your enrolled schedule.
2. You are already **enrolled in another section of the same course**. Do not use waitlisting to try to get into another section of a course in which you are already enrolled, as you will not be moved from the wait list if space becomes available. You will need to choose whether to take a chance and place yourself on the waitlist of the full section in the hope that space becomes available or remain enrolled in the section you have already scheduled.
3. Enrollment from waitlist will exceed student's maximum unit limit for the term. Unit limits are viewable in the Student Center under enrollment details.

If you cannot be moved from the waitlist, for any of the reasons given above, you will be skipped and the next student considered. You will not be reconsidered until the next time space becomes available in the class. **Check your schedule regularly in your Student Center to monitor your position on a waitlist.** If you decide you no longer wish to wait for space to become available, you should drop yourself from a waitlist.
MINICOURSES AND SHORTCOURSES – SPRING 2012

“Minicourses” are generally five weeks long and offered during four sessions throughout the semester. “Shortcourses” can last anywhere from two days to several weeks, but are shorter in length than the semester and generally within the semester dates. Course meeting information is listed with the departmental class offerings, under the footnotes. Shortcourses are not listed below, because many of these courses are for a select group of students and are usually held at off-campus locations. If you are enrolled in a shortcourse, check with the department offering the course for information about deadlines.

Although some of the classes listed start on dates that are later in the semester, students should pre-register, during TITAN registration. Not enrolling early may cause a class to be cancelled due to low enrollment. Students who register, add, or drop these courses after the semester begins must follow the published procedures in this schedule. Forms and/or information needed to complete the process may be obtained from the Admissions and Records Service Center, located in LH-114. Information is also available by calling the Admissions and Records Helpline at 657-278-7601.

The student or his/her proxy must submit detailed medical documentation and Petition for Emergency Medical Withdrawal to the University Registrar (LH-101) for approval. The student should first attempt to receive Incompletes (I grades) with his/her instructors prior to applying for an emergency medical withdrawal, in order to salvage credit for the time and money invested in the courses up to that point. In such cases, state regulations do not permit a refund of fees to be considered.</td>

### WITHDRAWAL LIMIT

Attention students — you are financially responsible for ‘W’ grades.

### DISCONTINUING CLASSES

If a student decides not to continue enrollment in a class, either before or after instruction begins, it is the student’s responsibility to follow and complete the appropriate procedures for dropping the class. See “Class Attendance” on page 7.

### REFUND OF FEES

Dropping classes may entitle you to a fee refund. For further information, contact the Student Financial Services Office at sfs@fullerton.edu.

IMMUNIZATION REQUIREMENTS

By direction of the California State University Chancellor, the following immunization requirements must be completed by the end of a student’s first semester. Students will be unable to register for class for their second semester until both requirements are met. **Students who have graduated from a California High School in 2005 or later have fulfilled both requirements.**

REQUIRED PROOF OF IMMUNIZATION

**Measles/Rubella**

All students must show proof of immunization against Measles and Rubella if they were born after January 1, 1957.

**Hepatitis B**

Students under the age of 19 on the census date must show proof of immunization against Hepatitis B (Census date is 4 weeks after the beginning of the semester).

MEETING THE REQUIREMENTS

To fulfill the requirement, a student must do one of the following:

- Bring in written proof of immunization from a doctor, clinic, military record or school record to the Student Health and Counseling Center, or fax it with your name, phone number, and Campus-Wide Identification (CWID) number to (657) 278-3069. - Obtain lab tests for immunity if you think you have had the disease or the immunization but do not have proof (Titer). This can be done by your personal physician or at the SHCC for a fee.

Immunization Waiver

Permanent or temporary waivers may be granted to some students after appropriate approval:
