Independence Day - The campus will be closed Friday, July 4th, no classes.

REFUNDS (see page 32 for more information)
Refunds are pro-rated on a decreasing basis through 60% of the session. If enrolled in multiple sessions, the 60% will be based on the total time the student attends summer term. (Note: This is for students who withdraw from all courses during the term).

IMPORTANT NOTE
For courses which do not have a session listed, contact the registration staff in LH-114 or call the registration helpline (714) 278-7601 for deadlines.

Although this class schedule/catalog supplement was prepared on the basis of the best information available at the time, all information including class meeting times and locations, faculty, course offerings, and statements of fees is subject to change without notice or obligation. This university does not guarantee the availability of a particular course or section. Enrollment is permitted only until the maximum number of students in a section has been enrolled.
Lots of classes. Lots of parking. Lots of opportunity.

American Language Program

The American Language Program has been providing excellent university preparation and professional development for non-native English speakers since 1986.

Intensive Academic English and Pre-MBA
June 12 to August 7, 2008

International and immigrant students can prepare for undergraduate and graduate university studies or a career by improving their academic English in our intensive 24-hour per week program which offers eight proficiency levels. Residents may study part-time with as few as 6 hours per week.

For more information on the Intensive English program:
• http://alp.fullerton.edu

English Language Review Classes
June 16 to August 7, 2008

The following summer courses are available for non-native speakers of English who already have a TOEFL score of 475 or the equivalent, and want to improve their test-taking, speaking, or business communication skills. Daytime and evening classes are available for most courses.

• Advanced Grammar
  Improve your academic and professional communication by receiving an intensive review of English grammar structures which are fundamental for effective writing and speaking.

• Advanced Vocabulary
  Learn vocabulary development techniques and practice applying those techniques to enhance your academic and professional vocabulary.

• GMAT Preparation
  Prepare for the Verbal and Analytical Writing Assessment sections of the GMAT examination by receiving an intensive review of advanced English language skills and test-taking strategies for non-native speakers of English. The Math section will not be covered by this class.

• TOEFL Preparation: PBT and IBT
  Prepare for the TOEFL examination with a review of the test-taking strategies, exam structure, grammar, writing, listening and reading skills necessary for obtaining a higher score on the paper or internet-based examination.

View the class schedule and register online at http://www.csufextension.org/Classes/ (click on American Language Program or Test Preparation)

ALP is a program of the CSUF Auxiliary Services Corporation administered by University Extended Education, California State University, Fullerton.

**Summer 2008**
ENGLISH AND MATH REMEDIATION
Each California State University campus is responsible for ensuring that entering students take the English Placement Test (EPT) and Entry Level Mathematics Examination (ELM) unless they are exempt from the requirement(s). Based on the test results, those students requiring remedial instruction will be placed in the appropriate remedial classes during their first semester on campus. By taking the appropriate remedial classes in the first semester, students will be better prepared to meet the challenges of their later course requirements. Remedial classes include MATH 30A, MATH 30B, MATH 40, MATH 45, ENGL 099 and ENGL 099M. Degree credit is not awarded for these classes. Transfer students can qualify for an exemption by completing and transferring to CSUF a college course that satisfies the General Education - Breadth or Intersegmental General Education Transfer Curriculum (IGETC) quantitative reasoning requirement, provided such course was completed with a grade of “C” (2.0) or better.

CAMPUS WIDE IDENTIFICATION NUMBER
Due to recent state laws concerning identity theft, Cal State Fullerton assigns all students a Campus Wide ID number (CWID). This number may also be referred to as a student identification number (SID). All university records and accounts for the student will be identified with the CWID. Each student needs to become familiar with his or her CWID number for conducting university business and making academic inquiries.

CREDIT CARD CONVENIENCE FEE
Effective November 3, 2003, a non-refundable convenience fee of $5.00 will be added to all credit card payments made via TITAN Online.

UPDATE YOUR CONTACT INFORMATION
You are required to keep your mailing address, e-mail address, and phone number current with the University to ensure that you receive all University communications. Your official address on record will be used for mailing your parking permit. You will no longer be required to complete a parking form with your parking and registration payment. Forms to request a change in your address are available from the Admissions and Records Service Center, Langsdorf Hall 114. For additional information about parking permits, call (714) 278-2495.

E-MAIL ADDRESS
Each student has been issued an e-mail address where University messages will be sent to you. For additional information about your e-mail account, contact (714) 278-7777. You may designate your personal e-mail address as your primary e-mail address via TITAN Online. You will need your student identification (SID) and personal identification (PIN) numbers for TITAN Online access. If you do not know your PIN, please visit the Admissions and Records Service Center, Langsdorf Hall 114. You must present picture identification to receive your student identification number or PIN. Many campus offices have begun utilizing e-mail as the primary communication mode to the student. Be sure to check your e-mail on a regular basis.

ENROLLMENT OF NON-CSUF STUDENTS
Information on Open University can be found in the pink portion of this class schedule.

NONDISCRIMINATION & SEXUAL HARASSMENT COMPLAINT PROCEDURES
Inquiries concerning compliance with the Nondiscrimination Policy (p. 10) and the Sexual Harassment Policy (p. 10) and implementing campus policies or procedures should be directed to: Rosamaria Gomez-Amaro, Director of Diversity and Equity Program, CSUF, College Park, Suite 700, Fullerton, CA 92834-6806, (714) 278-3951, www.fullerton.edu/diversity; Paul K. Miller, Director, Disabled Student Services, CSUF, University Hall 101, Fullerton, CA 92834-9480, (714) 278-3117, TDD (714) 278-2786, www.fullerton.edu/disabledservices/index.htm (student referrals and complaints related to Section 504 of the Rehabilitation Act of 1973); or U.S. Office for Civil Rights, Regional Director, Region 9, San Francisco Office, Old Federal Building, 09-8010, 50 United Nations Plaza, Room 239, San Francisco, CA 94102-4102, (415) 556-7000, TDD (415) 437-7786, Fax (415) 437-7783, E-mail: OCR_SanFrancisco@ed.gov.

Copies of the above policies and student grievance procedures for the resolution of discrimination and sexual harassment complaints are available in the offices of the President (LH-900), Vice President for Academic Affairs (MH-133), Vice President for Student Affairs (LH-805), Diversity and Equity Programs (CP-700), Disabled Student Services (UH-101), Public Safety (T-1200), College Deans, Office of Student Life (TSU-235), University Library Reference Desk and Women’s Center (UH-205).

CONFIDENTIALITY AND YOUR STUDENT INFORMATION
There have been significant changes to the Family Educational Rights and Privacy Act (FERPA) regarding students’ rights with respect to their educational records. You can change your elected directory status by logging onto www.fullerton.edu/titanonline or appearing in person at the Admissions and Records Service Center, room 114 on the first floor of Langsdorf Hall. Please refer to page 7 for FERPA information.

VOTERS REGISTRATION INFORMATION - REFER TO PAGE 19
I. **Registration Instructions for CBE Courses.**  
All students in the Steven G. Mihaylo College of Business and Economics are strongly advised to participate in TITAN early registration. Class availability may be limited once the session begins.

A student who registers for a class and whose name appears on the first-day-of-class list should attend all class meetings in the first week. If a student decides not to continue enrollment in a class, either before or after instruction begins, **it is the student's responsibility to follow the appropriate procedures for dropping the class**; however, if a student is absent without notifying the instructor or departmental office within 24 hours after any meeting missed during the first week, the student **may** be dropped administratively from the class by the instructor. Students should not assume that this will be done for them and should take the responsibility to ensure that they have been dropped by following the appropriate procedures for dropping classes. An instructor may also administratively drop a student who does not meet prerequisites for the course. These administrative withdrawals shall be without penalty.

II. **Admission to the Business Administration, International Business, or Economics major involves two steps.** All new and readmitted students are initially classified as pre-business, pre-international, or pre-economics. After completing the lower division prerequisite requirements, students may apply to the upper division step of their major. “Pre” students may take lower division business and general education courses, but most upper division business courses are not open to “pre” students.

**Prerequisite requirements for Business Administration:** students must complete the following courses (or equivalents) with grades of at least “C” (2.0) in each course: ACCT 201A, B; BUAD 201; ECON 201, 202; MGMT 246; ISDS 265; and MATH 135, 130, or 150A.

**Prerequisite requirements for Economics:** students must complete the following courses (or equivalents) with grades of at least “C” (2.0) in each course: ACCT 201A; BUAD 201; ECON 201, 202; ISDS 265; and MATH 135, 130 or 150A.

**Prerequisite requirements for International Business:** students must demonstrate satisfactory progress toward intermediate foreign language competency and complete the following courses (or equivalents) with grades of at least "C" (2.0) in each course: ACCT201A, B; BUAD 201; ECON 201, 202; MGMT 246; ISDS 265; and MATH 135, 130, or 150A.

To apply for the Business Administration, International Business, or Economics major see an advisor in the Business Advising Center (LH-731) during the semester in which you are completing your final prerequisite requirements. **You must bring verification of grades (transcripts or grade reports) of all completed prerequisite courses.** Deadline: you must apply at least five working days prior to your registration date.

III. **Enrollment Restrictions.** Except as noted, most courses in the Steven G. Mihaylo College of Business and Economics are restricted by major:

**Undergraduate CBE Students**  
Pre-business and pre-international business majors shall not enroll in any restricted upper-division CBE courses until they have completed all of the required lower-division core courses with a grade of at least "C" (2.0) in each course. Students with an officially declared minor in business administration, economics, or management information systems may enroll in business or economics courses required for the minor through TITAN registration.

**Graduate CBE students**  
CBE graduate courses are restricted to students currently enrolled in a CBE graduate program. Postbaccalaureate unclassified and Open University students may not enroll in CBE graduate courses.

Enrollment in BUAD 591 requires classified MBA status, approval of the CBE graduate advisor, good academic standing, and within six units of completing study plan. If you intend to register for BUAD 591, please contact Diane Mazzey via email at dmazzey@fullerton.edu for approval two weeks prior to your registration date.

**Non-CBE Majors**  
Most business courses are restricted and closed to non-CBE majors during TITAN early registration.

Communications, Computer Science, Environmental Studies, Human Services, Liberal Studies, Mathematics, Public Administration, and Psychology majors may enroll in certain business courses during TITAN early registration. Students in these majors should see their department advisor for further information.

Summer 2008
ACADEMIC ADVISEMENT

The university encourages all students to seek advisement each semester, well in advance of registration. Advisors in each major department and in the Academic Advisement Center (UH-123) assist students in making appropriate course selections and in planning a course of study. Students have the responsibility for taking advantage of opportunities for academic advisement provided by the various university offices and programs.

GENERAL EDUCATION ADVISEMENT

Students may obtain information about general education requirements at the Academic Advisement Center (AAC). The AAC is also the academic home of the undeclared student.

■ Students who began as Freshmen at CSUF should bring their General Education Worksheets if they have received prior advisement in the AAC and/or their TITAN Degree Audit to each advisement session.

■ Transfer students should always bring their Titan Degree Audit or Final Evaluation Summary of Units sheet.

The Final Evaluation and Summary of Units (blue sheet) was mailed to transfer students admitted prior to fall 2007.

MAJOR ADVISEMENT

Students who have declared a major should consult their departmental advisor well in advance of registration. Students who wish to explore the majors offered by a specific college should contact the appropriate college advisement office.

The Family Educational Rights and Privacy Act ("FERPA") affords students certain rights with respect to their educational records. They are:

1. **The right to inspect and review their education records.**

2. **The right to request the amendment of their education records to ensure that they are not inaccurate, misleading or otherwise in violation of their privacy or other rights.**

3. **The right to consent to disclosures of personally identifiable information contained in their education records, except to the extent that FERPA authorizes disclosure without consent.** FERPA permits disclosures without consent to “school officials” with “legitimate educational interests.” “School officials” include university employees (including law enforcement unit and health personnel); agents of the University (such as an attorney or collection agent); or individuals, including students, serving on official committees or assisting a school official perform his/her tasks. A school official has a “legitimate educational interest” if the official needs to review an education record to fulfill his/her professional responsibility. Upon request, the University discloses education records without consent to officials of another school in which a student seeks to enroll. California State University, Fullerton has designated as “Directory” information a student's name, date and place of birth, permanent and local address, photograph, university-recognized e-mail address(es), Titan Card number, telephone number, class level, enrollment status, major, minor, dates of attendance, degrees and awards received, previous educational institutions attended, past and present participation in recognized activities, and weight and height if an athletic team member. Unless restricted by the student, the campus may release Directory information at any time to any requesting party, including the military and for the development of the university-affiliated marketing programs. Students may choose to limit the release of their Directory information in one of four ways:

   - **(A)** Permit release of all Directory information for any purpose. No further action by the student is required.
   - **(B)** Permit release of only “Verification” information. This sub-category of Directory information consists of a student's name, class level, enrollment status, major, minor, degrees and awards received, dates of attendance, university-recognized e-mail address(es) and Titan Card number. The University will release this information for classroom use; in response to requests, including but not limited to those from campus auxiliaries, financial lenders, employers or insurance companies for verification of degree and enrollment information; and for inclusion in Commencement and honors materials. Students who release only “Verification” information will be excluded from all university directories.
   - **(C)** Permit release of only “Class” information. This sub-category of Directory information consists of a student's name, major, minor, degree and awards received, and university-recognized e-mail address(es). The University will release this information for classroom use and for inclusion in Commencement and honors materials. Students who release only “Class” information will be excluded from all university directories, and the University will not respond to requests, including those from financial lenders, employers or insurance companies, for verification of degree, dates of attendance or enrollment status.
   - **(D)** Withhold the release of all Directory information. Withholding the release of all Directory information means that the student will be excluded from all university directories and publications, including Commencement and honors materials, and the University will not verify degree, dates of attendance or enrollment status without the prior written consent of the student.

Students may select at any time the level of release by logging on to [http://www.fullerton.edu/titanonline](http://www.fullerton.edu/titanonline) or visiting the Admissions and Records Service Center located in room 114 on the first floor of Langsdorf Hall. Unless a student designates otherwise, the university will assume that a student has chosen to permit access to their Directory Information for any purpose.

4. **The right to file with the U.S. Department of Education a complaint concerning alleged failures by California State University, Fullerton to comply with the requirements of FERPA.** The Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

5. **The right to obtain a copy of California State University, Fullerton's student records policy.** A copy of this policy may be obtained from the Office of the Vice President for Student Affairs, Langsdorf Hall, room 805.
ACADEMIC AND ADMINISTRATIVE INFORMATION

ACADEMIC FREEDOM AND RESPONSIBILITY
The Academic Senate of California State University, Fullerton, endorses the 1987 Statement on Professional Ethics (UPS 230.000) and the 1940 Statement of Principles and Interpretive Comments of the American Association of University Professors contained in the 1984 Edition of Policy Documents and Reports.

ASSISTANCE FOR STUDENTS
If you are experiencing difficulty either academically or in your personal life, you should consult support groups on campus that may be able to assist you. Personal counseling is available from the Student Health and Counseling Center. If you are unsure of a career, you should consult with the Career Planning and Placement Center for special career counseling and interest testing. Other support services include: the Office of the Vice President for Student Affairs, Academic Appeals, Financial Aid, the Women’s Center/Adult Re-entry, Dean of Students, the Writing Assistance Center, the Academic Advisement Center, and the Office of Admissions and Records.

AUDITING
The symbol AU identifies those instances where a student enrolled in a course for purposes not requiring credit. An auditor must have the permission of the instructor, and may enroll only after students otherwise eligible to enroll in the course for credit have done so. Auditors pay the same fees as credit students; regular class attendance is expected. Once enrolled as an auditor, a student may not change to credit after the last day to add classes. A student enrolled for credit may not change to audit after the deadline published on the inside front cover of this class schedule. An auditor does not take examinations in the course; therefore, there is no basis for evaluation nor a formal grade report.

CAMPUS WIDE IDENTIFICATION NUMBER
Due to recent state laws concerning identity theft, Cal State Fullerton assigns all students a campus wide ID number (CWID). This number may also be referred to as a student identification number (SID). The CWID will be used in conjunction with the student’s PIN (6 digit personal identification number) to access the Student Portal or TITAN Online. All university records and accounts for the student will be identified with the CWID. Each student needs to become familiar with his or her CWID number to be used in conducting university business and making academic inquiries.

CLASS ATTENDANCE
While class attendance is not recorded officially by the university, regular attendance in class is often essential to success in a course. Policy on class attendance is within the discretion of the individual faculty member, who shall announce the policy at the first class meeting of the session.

It is especially important that students attend the first meeting of a class. Students absent from the first meeting without notification to the instructor or departmental office within twenty-four hours after class may be denied admission to the class. Instructors may deny admission to absentees to admit persons on waiting lists in their places. A student who registers for a class and whose name appears on the first-day-of-class list should attend all class meetings the first week (five class days). If a student decides not to continue enrollment in a class, either before or after instruction begins, it is the student’s responsibility to follow the appropriate procedures for dropping the class; however, if a student is absent without notifying the instructor or departmental office within 24 hours after any meeting missed during the first week, the student may be dropped administratively from the class by the instructor. Students should not assume that this will be done for them and should take the responsibility to ensure that they have been dropped by following the appropriate procedures for dropping classes. An instructor may also administratively drop a student who does not meet prerequisites for the course. These administrative withdrawals shall be without penalty.

CONCURRENT ENROLLMENT
A student enrolled at the University may enroll concurrently for additional courses at another CSU campus only with advance written approval and by filing a concurrent enrollment form with the Office of Admissions and Records. Certain restrictions apply when a quarter-system campus is involved. Permission will not be granted when the study list in the proposed combined program exceeds units authorized for full-time study. Students may enroll concurrently at institutions outside the CSU system without special permission or forms.

COURSE OUTLINES
Course Outlines, which shall be compatible with approved course proposals on file in the Office of the Associate Vice President, Academic Programs, and with course descriptions in the University catalog, must be provided to students in writing within the first five days of instruction. Course outlines shall give detailed information on the following matters:
1) Course material to be covered (e.g., reading list);
2) The grading policy for the course;
3) Class assignments (e.g., term papers-length, due date, projects); and
4) Examination dates and make-up policy, and the required or permissible materials or equipment which may be used in testing situations;
5) Required or permissible materials and/or equipment, e.g., texts, materials, or equipment, including calculators, “software”, artistic materials, scientific apparatus, etc.

It shall be a normal and reasonable duty of each faculty member to provide these materials, in accordance with the outlined provisions. The faculty member shall also provide these materials to the department chair. Faculty shall not be bound to adhere to their course outlines on a strict day-to-day basis, but should follow their outlines as much as reasonably possible.

After distribution of course outlines to students, major assignment or course requirement changes (e.g., additional term papers or examinations) must be announced to students with a reasonable timetable for completion.

DEGREE CANDIDATES
Candidates for the baccalaureate must pay the graduation and diploma fee and file a request for a degree check with the Office of Admissions and Records two semesters prior to the semester in which they anticipate completing all requirements for a degree. The form to accomplish this initial step, for those eligible, is available either at the Admissions and Records Service Center or at the Graduation Unit (LH-114). Undergraduate candidates for May 2009 and August 2009 must file the appropriate form with the Office of Admissions and Records on or before May 9, 2008. For May 2009 and August 2009 candidates, this deadline is December 12, 2008.

Candidates for January 2009 master’s degrees must pay the graduation and diploma fee and file a request for a graduation check with the Office of Admissions and Records on or before Friday, August 8, 2008.

Undergraduate students planning to graduate in January 2009 must have their graduation check forms signed by major department advisers and returned to the Graduation Unit (LH-114) no later than May 9, 2008. For May 2009 and August 2009 candidates, this deadline is December 12, 2008.

A change in anticipated date of graduation may be reported by filing the necessary form with the Graduation Unit (LH-114). Graduation checks remain valid while the student remains in continuous attendance, even though the graduation date has been changed.

FINAL EXAMINATIONS
During the summer sessions, the final is held on the last day of class or as noted on the course syllabus.
GRADE OPTIONS
The University uses a combination of traditional and nontraditional grading options as follows:

**Traditional**

**Nontraditional**
- CR - C (2.0) grade or better in undergraduate courses;
  B (3.0) or better in graduate courses
- NC - No credit

Students may indicate the grading option for each course when they register. They have until the deadline published in the front of the course schedule to change an option. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by all undergraduate students for major, minor, and general education requirements. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by graduate students for all required courses. Exceptions are those courses designated by the faculty to be graded Ltr Grd Only or CR/NC only.

Students should know that there is a limitation on the number of courses which can be taken with the nontraditional grading option. A maximum of 36 units of credit/no credit courses, including those transferred from other institutions, may be counted toward the baccalaureate. No course with a grade of CR may be used for the master’s degree. A detailed description of the grading policy and definition of symbols used may be found in the current catalog.

INCOMPLETE AUTHORIZED (I)
The symbol “I” (Incomplete authorized) signifies that a portion of the required coursework for a class has not been completed and evaluated in the prescribed time period, due to unforeseen but fully justified reasons, and that there is still a possibility of earning credit. It is the responsibility of the student to bring pertinent information to the instructor and to determine from the instructor the remaining course requirements which must be satisfied to remove the Incomplete. A final grade is assigned when the work agreed upon has been completed and evaluated.

An incomplete must be made up within one year following the end of the term during which it was assigned. This limitation prevails whether or not the student maintains continuous enrollment. Failure to complete the assigned work will result in an Incomplete being changed to an “IC” symbol or an “NC” unless the faculty member assigns a specific letter grade based on the work completed by the deadline. Therefore, “I” grades that were earned for the spring 2008 semester must be completed by May 23, 2008. “I” grades assigned at the end of the fall 2008 semester must be completed by January 1, 2009.

The “IC” symbol counts as a failing grade for grade point average and grade point balance computations.

A grade of incomplete may be given only when, in the opinion of the instructor, a student cannot complete a course during the semester of enrollment for reasons beyond the student’s control. Such reasons are assumed to include: illness of the student or of members of the student’s immediate family, extraordinary financial problems, loss of outside position, and other exigencies. In assigning a grade of “I”, the instructor shall file with the department, for future reference and student access, a Statement of Requirements for Completion of Course Work. The requirements shall not include retaking the course. The instructor will also designate a time limit (up to one year) for completing requirements. Upon request, a copy of the document will be furnished to the student. The student should review this statement at the earliest opportunity.

The statement of requirements will include an indication of the quality of the student’s work to date. This not only provides an interim evaluation for the student but assists the department chair in assigning a final grade in those instances where the instructor is no longer available. When specific requirements are completed, the instructor will report a change of grade. The responsibility for changing the incomplete grade rests with the instructor.

INDEPENDENT STUDY
If you want to register in an independent study course, you must obtain written approval from the instructor and the department chair using the appropriate university form. During the semester, you and the instructor shall prepare a study plan and submit it to the department chair, or designee, for approval. The approved study plan shall be kept on file in the department or program office, and shall include a statement of the basis for the final evaluation of the independent study.

You may not take more than 6 units of independent study at the undergraduate level in a given semester or apply more than 9 units of independent study toward completion of the undergraduate degree. If you are a graduate student, you may not apply more than 6 units of independent study toward completion of a graduate degree unless written approval is obtained from the appropriate college dean.

Lower division students normally enroll in Independent Study 299, upper division students in 499; and graduate students in 599, respectively. Independent study courses may be repeated.

INTERNSHIPS & SERVICE LEARNING
Location: LH-209
The Center for Internships and Service-Learning was established to offer students the opportunity to formally integrate academic knowledge and skills with practical experiences in business, not-for-profit and government agencies. These real world experiences will provide students with the opportunity to expand their knowledge, apply theories and skills learned in the classroom, preparing them for successful entry into the job market as well as developing them as socially responsible citizens. Additionally, students will have the opportunity for personal growth, leadership and professional preparation. Other valuable benefits of internships and service-learning are:

1. Gain work and service experience
2. Network and develop industry contacts
3. Solidify academic and career goals
4. Opportunity to earn money while learning
5. Explore various career options within a major
6. Earn academic credit

Each internship/service-learning placement is monitored by the site while faculty provide guidance to students, ensuring the academic integrity of the work or service experience.

Service-Learning Courses:
Students who wish to participate in service-learning courses should register for courses with an “S” designation in the class schedule. There are no restrictions.

Academic Internships (credit-bearing)
Students participating in internships must:

1. Be at least in the junior year of study
2. Be in good academic standing
3. Receive approval from the appropriate faculty coordinator
4. Enroll in the departmental internship course

In most departments up to three units of internship credits may be earned. There is no maximum for service-learning courses.

The center is open Monday-Friday from 8:00 a.m. to 5:00 p.m. The website is: www.fullerton.edu/CISL.

LIBRARY HOURS
Library hours are subject to change and some areas have more limited service hours. For the latest information on library hours, call (714) 278-2633, or point your browser to http://www.library.fullerton.edu.
NONDISCRIMINATION POLICY- A COMMITMENT
VALUING DIVERSITY
It is the policy of California State University, Fullerton, to create and maintain an environment that values diversity, respects human dignity, is hospitable, equitable, and tolerant, and in which all persons are free from all forms of invidious discrimination or discriminatory harassment. To this end, CSUF does not discriminate on the basis of race, color, ethnicity, ancestry, national origin, citizenship, religion, creed, sex, sexual orientation, marital status, pregnancy, age or disability in the educational programs or activities it conducts. Such programs and activities include, but are not limited to, admission of students and employment. Discrimination is prohibited by Title VI and VII of the Civil Rights Act of 1964, as amended, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, and The Americans with Disabilities Act of 1990 including all subsequent amendments and administrative regulations adopted thereunder by the Department of Education and Department of Labor.

OPEN UNIVERSITY ENROLLMENT
Open University provides an opportunity for people who are not currently admitted to Cal State Fullerton to enroll in undergraduate and graduate-level classes. Prior to registering, Open University students are required to contact UEE Academic Advisor Lyn Richie-Walker: UH-123, 714-278-7645.

In fall and spring, registration is available (on a space available basis) after classes have started. In summer, Open University students can register online before the semester starts. For more information, visit www.summer.fullerton.edu.

Please see the pink-edged pages in the back of this class schedule for more information including Open University deadlines for Summer Session 2008, an application and a registration form. Information packets and forms are also available as follows: University Extended Education (UEE) Student Services in CP-100 (714-278-2611); UEE Academic Advisor Lyn Richie-Walker, UH-123, 714-278-7645; www.csufextension.org – click on “Info” then “Forms.”

Disqualified (DQ) students may not enroll in more than six (6) units per academic term.

Credit earned through Open University is designated as special session credit. Only the first 24 units of Open University credit may count toward a bachelor’s degree. Open University courses cannot be used to fulfill the residence requirement (30 semester units) for a bachelor’s degree. For graduate degrees, normally 6-9 units of approved special session credit may apply, but for degrees which require more than 30 units, more units of credit may apply. Please consult the department graduate advisor.

Participation in Open University does not constitute admission to the university.

REPETITION OF COURSE POLICY
Undergraduate students may repeat courses at California State University, Fullerton for which “C minus” (1.7) or lower grades were earned either at CSUF or other institutions. In repeating such courses, the traditional grading system shall be used. In computing the grade point average of a student who repeats courses in which he or she received “C minus” (1.7) or lower grades, only the most recently earned grades and grade points shall be used for the first 16 units repeated. In exercising this option, an undergraduate student must repeat the course at this campus and may request application of this policy when a course has been repeated. This should be accomplished using the appropriate form, immediately following the term in which the course has been completed, so that the student’s grade point average can be revised.

In the case of any repetition beyond the 16-unit limit or in courses for which a “C” (2.0) or better grade was awarded, both grades are considered in computing grade point averages. Successful repetition of a course originally passed carries no additional unit credit toward a degree or credential except for certain courses such as independent study, practicum, or other courses specified in the catalog as “may be repeated for credit”.

Students transferring from other colleges where courses were taken and repeated, may be eligible for consideration under this policy. In general, the policy of the college where the course was repeated shall be followed; however, units for the courses taken and repeated at the transfer institution are included in the 16-unit limitation. The repetition of course policy shall not be applicable for courses in which a “C minus” (1.7) or lower grade was given for disciplinary reasons.

This policy has been revised for graduate and postbaccalaureate students (excluding second baccalaureate students) regarding courses for which a grade of “WU” (Withdrawal Unauthorized) was received. If a course for which a grade of “WU” was received is repeated, only the most recently earned grade(s) and grade points will be used in computing the grade point average; however, the original “WU” grade(s) will remain on the permanent record. This policy applies only to grades earned during the first semester in which “WU” grades are received. Repeated courses must be taken at Cal State Fullerton using the traditional grading system. Students who have successfully repeated a WU-graded course must notify the Admissions and Records office using the appropriate form if they wish an adjustment to their grade point average.

ACADEMIC DISHONESTY
Academic dishonesty includes such things as cheating, inventing false information or citations, plagiarism, and helping someone else commit an act of academic dishonesty. It usually involves an attempt by a student to show possession of a level of knowledge or skill which he or she does not possess.

The initial responsibility for detecting and dealing with academic dishonesty lies with the instructor concerned.

An instructor who is convinced by the evidence that a student is guilty of academic dishonesty shall:

1. Assign an appropriate academic penalty. This may range from an oral reprimand to an F in the course.

2. Report to the student involved, to the department chair, and to the vice president for Student Affairs the alleged incident of academic dishonesty, including relevant documentations for action that he or she deems appropriate.

The vice president for Student Affairs shall maintain an academic dishonesty file of all cases of academic dishonesty with the appropriate documentation. Students shall be informed when their names are inserted into the file and provided with copies of any appeals or disciplinary procedures in which they may become involved. The vice president for Student Affairs or his or her designees may initiate disciplinary proceedings under Title V, California Code of Regulations, Section 41301, and Chancellors’ Executive Order 148; when two or more incidents involving the same student occur, he or she shall do so.

A student may appeal any action taken on a charge of academic dishonesty under the University Policy Statement 300.030, “Academic Appeals.” See “Academic Appeals” in the “Student Affairs” section of this catalog.

SEXUAL HARASSMENT POLICY
It is the policy of California State University, Fullerton to maintain a working and learning environment free from sexual harassment of its students, employees and those who apply for student or employee status. Sexual harassment is illegal under Title VII of the Civil Rights Act of 1962, Title IX of the Higher Education Amendments of 1972, and the California Education Code 89535. Executive order 927-Systemwide policy on Prohibiting Harassment in Employment and Retaliation for Reporting Harassment or Participating in a Harassment Investigation also prohibits sexual harassment within the California State University System. The university will not tolerate sexual harassment and will take action to eliminate such behavior.

Information concerning campus sexual harassment policies and procedures can be obtained from the Office of Diversity and Equity programs, College Park 700, (714) 278-3951 or http://www.fullerton.edu/diversity/policies.asp.
USES OF BICYCLES AND SKATEBOARDS ON CAMPUS

The University’s policy concerning the use of bicycles, skateboards and other forms of non-motor vehicle transportation is set forth in a President’s Directive.

A. Bicycles may be used on campus under the following conditions.

1. Bicyclists must comply with all applicable laws and regulations, exercise due care and use reasonable caution, and not limit access to University facilities by those with disabilities. Pedestrians have the right-of-way at all times.

2. Bicycles may not be ridden over shrubbery, on grass, or in posted dismount areas, campus buildings or parking structures. However, bicycles may be ridden in posted dismount areas either for instructional purposes or whenever parking fee requirements are not enforced.

3. The Director of EH & IS will create guidelines for storing or parking a bicycle inside campus buildings. Bicycles may not be parked or stored inside a classroom/laboratory or in a manner that impedes use of a campus walkway or an entrance/exit of a building, office or other area.

B. Skateboards and motorized skateboards may not be used on campus, including parking structures.

C. Motorized bicycles and scooters may only be operated on campus roadways.

D. Bicycles, scooters, motorized bicycles and motorized scooters secured to objects or structures other than approved racks or storage containers may be removed by the University.

E. Bicycles, motorized bicycles, motorized scooters and motorized skateboards may not be stored inside any building, including the residence halls, without written authorization.

F. Non-motor vehicles forms of transportation may be used on campus or any property controlled by the University to accommodate a disability with written authorization.

SMOKING POLICY

I. Policy Statement

To mitigate well-established health risks associated with exposure to secondhand smoke, the California State University Board of Trustees delegated authority to campus presidents to adopt rules regulating smoking on campuses. At California State University, Fullerton, smoking is prohibited in:

- Building owned, leased or rented by the University or one of its auxiliaries, whether located on or off campus.
- Outdoor area (for example a patio, balcony, courtyard, or atrium) within 20 feet of any building. Smoking is permitted beyond 20 feet in outdoor areas unless otherwise posted.
- Vehicle owned, leased or rented by the University or one of the University’s auxiliaries.

II. Existing State Guidance & Development Considerations

The State of California prohibits smoking in all public buildings and other enclosed areas of employment. Authority to issue this Policy is based on Title 5, California Code of Regulations, Section 42356; State of California Executive Order W-42-93; State Government Code Section 19994.31; State Labor Code Section 6404.5; and CSU Executive Order 599.

III. Scope

This Policy applies to all University faculty, staff, students, and visitors, as well as the areas noted in Section I above. Smoking is permitted in University-sponsored Theatre and Dance productions only if smoking is listed in a script as a required part of a performance. Smoking is permitted in student-authored or student-sponsored scenes, showcases or workshops only if produced as part of the University’s Department of Theatre and Dance Season. Entertainment productions and other presentations in the Titan Student Union are not exempt from this Policy; however, the Executive Director of the Associated Students may grant an exemption when smoking is listed in the script as a required part of a performance.

IV. Definitions

“Smoking” is defined as inhaling, exhaling, burning, or carrying a lighted cigarette, cigar, pipe, or other apparatus used to smoke tobacco or any other organic or non-organic material.

V. Implementation

The Office of Environmental Health and Instructional Safety will provide faculty, staff, and visitors with notice of this Policy through signs, information campaigns or other publications. Supervisors are responsible for informing employees of this Policy.

VI. Accountability

Faculty, staff and students violating this Policy are subject to appropriate disciplinary action pursuant to the applicable collective bargaining agreement and/or administrative policies or procedures. Violations should be reported to the appropriate administrator. Environmental Health and Instructional Safety at 278-7233 or Risk Management at 278-7346.

This Policy is effective as of April 3, 2003, and supercedes all previous University smoking policies. Contacts for questions regarding this Policy are the Director of Environmental Health and Instructional Safety and the Director of University Risk Management.

SOCIAL SECURITY NUMBER

Applicants are required to include their correct social security numbers (taxpayer identification numbers) in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The University uses the social security number to identify records pertaining to the student for purposes of financial aid eligibility and the repayment of financial aid. Also, the Internal Revenue Service requires the University to file information returns that include the student’s social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. That information is used to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes.

For other records and services, the university uses an assigned Campus Wide Identification number which may also be referred to as an SID (Student Identification Number) as the student’s account number. For more information on the CWID, see page 8. A student’s TitanCard number is not his or her identification number.

Students are required to write their student identification numbers on personal checks submitted for any payment to the University. Payment by personal check is consent by the student for the University to write the student’s identification number on the check if it is not referenced. If a student prefers that his or her student identification number not be on the check, then the student must submit payment by cashier’s check, money order, or, when appropriate (other than mail-in or drop-off registration), cash. Use of the student identification number assures credit to the correct student university account. The social security number is required by the Franchise Tax Board for collection of returned checks.

STOP-OUT POLICY

The stop-out policy allows undergraduate students and post-baccalaureate unclassified non-credential graduate students to be absent for one semester and maintain their continuing student status. This includes election of catalog requirements for graduation and eligibility to register for the next semester. Disqualified students, foreign visa students, students on leaves approved for more than one year and students without approved leaves who are absent for more than one semester must apply for readmission should they wish to return to CSU, Fullerton.
ADMISSION TO THE TEACHER EDUCATION CREDENTIAL PROGRAM (Continuing Students)

Admissions and processing fee of $50 is required of all students applying to the Education Credential Programs. Overview meetings are mandatory for admission to teacher credential programs. Schedules are available on the web: http://ed.fullerton.edu/adtepor by calling (714) 278-3412. The Center for Careers in Teaching (H-113) assists undergraduate students who are planning to become teachers. For further information go to: http://ed.fullerton.edu/adtepor.

Deadlines for admission: February 29, 2008 for the fall 2008 semester and September 28, 2008 for the spring 2009 semester. Before completing the application for teacher education, you must apply to the University unless you are already enrolled. There is a $55 University Admissions Application fee which is separate from and in addition to the processing fee for applying to the Education Credential Program. June 2008 or August 2008 graduates must reapply for admission to the University for the Fall 2008 semester.

Bookstore Hours:

Hours of operation vary. For the most current information, visit: www.titanbookstore.com

TRANSCRIPTS

A single copy of a transcript requires a fee of $4 paid in advance. (Additional transcripts prepared at the same time are $2 each). Because of the large number of transcripts requested at the end of each regular semester, three weeks should be allowed for requests to be processed. At other times, transcript requests are processed within one week, as a general rule. Transcript request forms are available at the Admissions and Records Service Center (LH-114). Immediate, over-the-counter transcript service cannot be provided except on an emergency basis.

VETERANS

Veterans may obtain information concerning application for benefits, registration, and adjustments in status from the Veteran's/Special Programs Unit in LH-116. New, returning, and transfer student veterans should consult the Veteran's/Special Programs Unit to complete the necessary documents to receive VA benefits. Call (714) 278-2373 for hours representative is available.

VOLUNTARY STUDENT HEALTH INSURANCE

Students wishing to obtain voluntary student health insurance may do so at the Associated Students Office. Although neither CSUF nor the Associated Students Office can endorse any particular policy, the staff does negotiate for a policy that offers the best coverage at the lowest possible cost. Students should seriously consider health insurance since it enables them to obtain needed medical services without having to be concerned about the rising cost of medical services. The staff of the Associated Students Office will be pleased to answer any questions about the insurance policy (714) 278-2401.
WITHDRAWAL UNAUTHORIZED (WU)
Students who discontinue course participation without formally filing a withdrawal notice with the university shall be considered to have withdrawn unofficially from the course. Such action by the student will result in a final grade of "WU" (Withdrawal Unauthorized) or NC*, depending on the grade option elected. For purposes of grade point average computation, the "WU" symbol is equivalent to an F. Students will be held responsible and billed for fees not yet paid.

Students may petition for retroactive withdrawal from individual courses or from an entire semester, provided that they can document both the serious and compelling reasons or circumstances that required the withdrawal and the date of such withdrawal. Such petitions must be filed within 30 days after the first class day of the following semester. If it is determined that retroactive withdrawal is justified, a grade of W will be assigned and the negative effect of the WU grade will be removed from the grade point average. Forms are available at the Admissions & Records Service Center, LH-114.

WITHHOLDING OF SERVICES FOR NONPAYMENT OF DEBTS
The Board of Trustees has authorized the withholding of certain services for nonpayment of debts owed the University. Debts include unpaid obligations for loans, services, use of facilities or equipment, materials, food or merchandise. Services which may be withheld include permission to register in a subsequent term, use of facilities, and other services or materials for which a fee is authorized to be charged (i.e. transcripts, parking, lab fees, etc.).

Graduate Program in Applied Mathematics

The Cal State Fullerton Department of Mathematics offers a graduate program in applied mathematics leading to the Master of Arts degree. This program was developed in consultation with mathematicians and scientists in the local industrial community. It is designed for individuals who are seeking or currently hold positions which involve mathematical or quantitative applications.

The coursework emphasizes:
- Modern applied mathematics
- Problem solving
- Modeling
- Computation

All required courses are offered during the evening and can be completed in two calendar years, including summers. There are a minimal number of prerequisites and Summer Session is an ideal time to take these courses. However, the graduate program must be started in the fall semester. Financial aid is available.

To receive more information, visit http://math.fullerton.edu or call the Mathematics Department at (714) 278-3631.

The Freshman Success Program: Stay on Track to Graduate on Time!

The Freshman Success Program is designed to fast track incoming freshmen into the courses they need to graduate on time. All incoming freshmen that do not pass the English and/or Mathematics placement examinations must take remedial coursework their first semester. All incoming freshmen may take remedial courses or freshman-level general education courses this summer.

THE FRESHMAN SUCCESS PROGRAM PROVIDES YOU WITH THE OPPORTUNITY TO:

- Complete between 3-6 units in 6 weeks or less during the summer prior to your first semester.
- Receive tutoring in English and Mathematics.
- Learn about the campus and begin building friendships with the faculty and other CSUF students.

SUMMER 2008 COURSES

We offer two summer sessions for incoming freshmen

**June 23 – August 1 (6 weeks)**

**English 099 - Developmental Writing (3 units)**
(Required if you score 144 or below on the EPT)
An intensive course in basic writing skills. Designed to prepare students for English 101. Required of, and open only to, students who score below minimum standard on the English Placement Test (EPT).

**English 101 - Beginning College Writing (3 units)**
(Eligible for enrollment if you score 145 or above on the EPT, or have an exemption from the EPT)
An introductory course in the fundamentals of expository prose. Emphasizes grammatical and basic rhetorical concepts and practices necessary for successful college writing.

**Human Communication 100 - Introduction to Human Communication (3 units)**
An introduction to theory and practice of interpersonal communication. Practice in the development of skills for improving the quality of communication is required.

**Math 30A or Math 40 or Math 45 (one-week online minicourse) - Intermediate Algebra (1-3 units)**
(Placement is based on score on ELM)
An intermediate algebra course designed specifically for students who scored below college level on the Entry Level Math (ELM) exam.

**Math 110 – Mathematics for Liberal Arts Students (3 units)**
(Eligible for enrollment if you pass or are exempt from the ELM)
Survey of traditional and contemporary topics in mathematics. For non-science and/or non-business majors. (CAN MATH 2)

**Math 115 – College Algebra (4 units)**
(Eligible for enrollment if you pass or are exempt from the ELM)
For students planning to take Math 130 or 135. Equations, inequalities, and systems of equations. Properties of functions and their graphs, including polynomial functions, rational functions, exponential and logarithmic functions, with applications. Sequences and series. (CAN MATH 10)

**Philosophy 100 – Introduction to Philosophy (3 units)**
The nature, methods and some of the main problems of philosophy. Primarily for freshmen and sophomores. Not a prerequisite for advanced courses. (CAN PHIL 2)

CONSIDER A CAREER IN THE TEACHING PROFESSION

Teacher Preparation Program

- Careful planning in the undergraduate years can significantly shorten the time it takes to earn a bachelor’s degree and teaching credential. It may be possible to begin the credential program prior to graduation.
- The Center for Careers in Teaching (H-113) assists students planning to be teachers.
- Attend a Center for Careers in Teaching seminar to learn the particulars about preparing for the teaching profession. Seminar schedules are posted at www.fullerton.edu/cct.

TEACHING ELEMENTARY SCHOOL AND/OR SPECIAL EDUCATION

Students planning to teach at the elementary level must complete a multiple subject credential program. Students planning to teach special education must complete the education specialist credential program. To prepare for entry into either of these CSUF programs, students should consider the following classes:

**Required Courses to Enter the Credential Program**

- One Human Development Course: PSYC 361*, CAS 101, CAS 312*, CAS 315*, or 325A + 325B
  (or the equivalent from another institution)
  *Satisfies GE Section IV-CHAD majors may not use CAS 312 or 315 for GE, PSYC majors may not use PSYC 361 for GE
- EDEL 315
- EDEL 325 (Required for the Multiple Subject Credential Program only)
- SPED 371 (Required for the Education Specialist Credential Program only)

**Recommended Courses**

- AMST 395 (satisfies GE section III.C.2, V) GEOG 100 (satisfies GE section III.C.1)
- ART 380 (satisfies GE section III.B.3) GEOL 102 (satisfies GE section III.A.2.b)
- BIOL 102 (satisfies GE section III.A.2.c) GEOL 410
- BIOL 453
- CHEM/PHYS 102 (satisfies GE section III.A.2.a) KNES 386 (satisfies GE section IV)
- DANC 471
- EDEL/EDSC/SPED 110 MATH 303A and MATH 303B
- ENGL 211, 212, 221, 222, CPLT 110 or 111 (satisfies GE section III.B.2) MUS 433
- ENGL 341 or THTR 311 (satisfies GE section III.B.3) READ 340, HCOM 407 or ENGL/LING 206
- THTR 402A

TEACHING MIDDLE SCHOOL AND/OR HIGH SCHOOL

Students who plan to teach at the middle school or high school level must complete a single subject credential program. Each subject area (Art, Biology, Business Education, Chemistry, English, Foreign Languages, Foundational Level Math, Geology, History/Social Science, Math, Music, Physics, and Physical Education) requires specialized preparation, but all of the single subject credential programs share the following prerequisite courses:

- EDSC 310 The Teaching Experience
- EDSC 320 Adolescence (Satisfies GE Section IV)
- EDSC 330 Developing Literacy
- EDSC 340 Student Diversity

- Don’t delay seeking advisement!
- Attend a CCT seminar to learn how to blend requirements for GE, major, and credential program prerequisites. Next, come in for a personal academic planning session.
- If you are close to graduating or already hold a bachelor’s degree, attend an overview session offered by the College of Education to learn more about the elementary (multiple subject), secondary (single subject), or special education credential programs and their requirements. Dates and times are posted on the Admission to Teacher Education web site: www.fullerton.edu/adtep/overviews.htm.

HOW YOU CAN MEET THE HEPATITIS B AND/OR MEASLES/RUBELLA (MMR) REQUIREMENT(S):
1. Bring in a copy of your documentation [doctors records, military records, school records, immunization card, or letter from your doctor] of previous vaccination to the Student Health and Counseling Center (SHCC), or fax it with your name, phone #, and CWID# to (714) 278-3069. Please check TITAN Online to ensure your hold has been removed.

2. You may get the vaccination(s) by one of the following ways:
   • Your private doctor/clinic. Please provide documentation to the SHCC in person or via fax, as above.
   • The County Health Department offers the vaccine free of charge. For more information, visit the Orange County website at http://www.ochealthinfo.com. Please provide documentation to the SHCC in person or via fax, as above.
   • The Student Health and Counseling Center, by appointment. Due to a change in public health policy, the SHCC can no longer provide the vaccine(s) free of charge; therefore a fee will be charged at the time of the appointment. To schedule an appointment or to inquire about the associated fees, please call (714) 278-2800. Appointments are impacted during registration, so please plan accordingly.

3. If you have received the immunization(s) in the past, but you cannot locate the documentation, you can be re-immunized. A lab test can also be performed for measles and rubella, and/or for hepatitis B, but it takes time and there is a charge.

4. If you are pregnant or think you may be pregnant, you will be temporarily waived from the MMR and hepatitis B requirements. You may fax a copy of a note from your doctor/clinic, including your expected due date, as well as a completed immunization waiver form (found at the SHCC or the SHCC web site) to (714) 278-3069. A hold will be placed back on your record if the requirement is not met when the temporary waiver expires.

5. If you are a female required to receive the MMR and you have had intercourse since your last menstrual period, and are not using hormonal-based contraception, you will be unable to receive the MMR vaccination until your next cycle has started. You may report to the SHCC to receive a temporary waiver.

6. If you need to request a waiver for other medical reasons, please make an appointment with a SHCC provider at (714) 278-2800, or in person, or bring a note from your private physician/clinic to the SHCC and complete an immunization waiver form.

7. Waivers can be granted for religious, personal, or philosophical reasons by the SHCC Executive Director’s Office. Please complete an immunization waiver form found at the SHCC web site www.fullerton.edu/shcc and fax it to (714) 278-5525, or in person at the SHCC Executive Director’s Office. Please check TITAN Online to ensure your hold has been removed.

8. If you have an allergy to egg, feathers, gelatin or neomycin, you may receive a permanent waiver from MMR only. To find out if you qualify, come to the SHCC front desk, request and complete an immunization waiver form, and see the Screening Nurse.
GENERAL EDUCATION REQUIREMENTS

UNIT REQUIREMENTS
51 total units including:

- 9 units of upper-division taken as a junior or senior in residence at CSUF (If you have attended another 4-year institution, please see your Academic Advisor regarding this requirement.)
- 3 units in cultural diversity (courses marked with a asterisk *)
- 3 classes maximum from a single department, excluding any units associated with the courses used to meet Category I, Core Competencies, requirements
- Each course counts in one category only except those meeting Category V (cultural diversity)

ACADEMIC STANDARDS

- Letter grade required
- “C” (2.0) or better in Categories I,A,B,C and III.A.1
  (Note: A grade of “C minus” (1.7) will not satisfy GE requirements in these four categories).
- CR/NC allowed if it is the only grade option available

COURSES IN YOUR MAJOR

- Courses offered by the department of the student’s major may NOT be used to fulfill the unit requirements of III or IV with the exception of categories offering choices from only one department.
- Courses that are cross-listed meet general education requirements for all majors except those in the home department of the cross-listed course. The “home” department is the one under which the course description appears in the catalog and is underlined on the GE list in the class schedule. For example, Afro-Ethnic is the “home” department for Afro-Ethnic Studies 311/Human Services 311; therefore, it may not be used by Afro-Ethnic majors to meet GE requirements.
- Upper-division courses offered by the department of the student’s major may not be used for general education credit.

THE AMERICAN WAY...REGISTER TO VOTE!

REQUIREMENTS
1. You must be 18 years of age or older to vote.
2. You must be registered to vote before you can vote.
   (A) If you are not registered, get registered.
   (B) If you have registered in the past, and are not sure you are still registered, inquire with the Registrar of Voters Office.

HOW TO REGISTER TO VOTE
3. Complete a Voter Registration Card at any U.S. Post Office, public library, City Hall, or Registrar of Voters Office.
4. A Sample Ballot will be mailed to all registrants.
   (A) Review the Sample Ballot for election information and procedures.
   (B) Your polling place (where to vote) will also be in the Sample Ballot.
5. Contact the Registrar of Voters Office if you have questions.
   (A) See your white pages telephone directory under Registrar of Voters.
   (B) A Registrar of Voters Office is listed under each county providing services to persons registered in that county.

To make a payment with your personal check (ACH), Debit Card, Titan Card, Visa, MasterCard, Discover or American Express through TITAN Online, you will need your Campus Wide I.D. number (CWID), and your Personal Identification Number (PIN). If you have any holds on your account, you must resolve them three (3) business days before registering.

SUMMER TITAN I REGISTRATION - TITAN I Registration begins on April 14, 2008
TITAN Online allows you to register first and then make a payment after registering.

1. Register for classes using TITAN Online at www.fullerton.edu/titanonline.

2. PAY YOUR FEES NO LATER THAN 5:00 PM ON YOUR PAYMENT DUE DATE (See page C).
   See Page 29 for Payment Options and Payment Locations.

If you make a payment via TITAN Online, you will receive an official CSUF email receipt for your payment. If you do not receive a confirmation within two days, your transaction may not have been processed. If this happens, contact Student Financial Services at sfs@fullerton.edu.

Interactive Voice Response Phone System (IVR) also allows you to register via the telephone system (IVR) and then make a payment (see payment locations on page 30) after registering no later than 5:00 p.m. on your payment due date (see page C).

Note that payment over the phone (IVR) is no longer available effective March 28, 2007.

IMPORTANT!
• You will not be billed for your registration fees prior to your due date.

• The University is not responsible for delays in the U.S. Postal Service; postmarks are not considered.

• You may be subject to disenrollment from your classes if your payment is not received by your due date.

• Your email address must be current! You are responsible for maintaining a current email address. If you have a preferred email address other than your campus-assigned address, you must designate your preferred address by going to www.fullerton.edu/titanonline. Click on Personal Data and then Email Address. Be sure to click on “Preferred.”

TITAN II REGISTRATION - TITAN II Registration begins on May 10, 2008.
Pre-payment of fees is required during TITAN II. You will need to determine the number of units you plan to register for and pay for them prior to actually registering. You may make pre-payments over the web at TITAN Online, or in person at Student Financial Services (UH-180). See “Payment Options” for more details.

1. CALCULATE YOUR FEES - See page 26 for Summer 2008 Registration Fees.

2. PAY YOUR FEES - See page 29 for Payment Options and Payment Locations.

3. REGISTER FOR CLASSES

FOR NONRESIDENT AND FOREIGN STUDENTS:
Nonresident students pay basic fees plus tuition. Undergraduate, credential, and graduate tuition is $339.00 per unit. Refer to page 24 on how to calculate your total fees.

LATE REGISTRATION FEE - INCLUDE $25
A $25 Late Registration fee will be assessed for students who register on or after the first day of each summer session.

Payment is due immediately after registration, but no later than 5:00 PM on your payment due date (see page C) or you may be dropped from your classes.
PAYMENT OPTIONS

ALL PAYMENTS MUST BE RECEIVED NO LATER THAN 5:00 PM ON THE DEADLINE DATE TO BE CONSIDERED “ON TIME”!

PERSONAL CHECKS ON THE WEB (ACH)

- You must have your PIN and Campus Wide I.D. (CWID) number available.

FEES AND DEBTS OWED TO THE INSTITUTION

Should a student or former student fail to pay a fee or a debt to the institution, the institution may “withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt” until the debt is paid (see Title 5, California Code of Regulations, §42380 and §42381).

Prospective students who register for courses offered by the university are obligated for the payment of fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay student fees including any tuition for the reservation of space in the course.

The institution may withhold permission to register or to receive official transcripts of grades or other services offered by the institution from anyone owing fees or another debt to the institution. Additional collection action may be taken including collection agency referral, reporting to a credit bureau, and/or submittal for offset of future state tax refunds, including any applicable costs of collection. If a person believes he or she does not owe all or part of an asserted unpaid obligation that person may contact the Student Financial Services at sfs@fullerton.edu. Student Financial Services, or another office on campus to which Student Financial Services may refer the person, will review all pertinent information provided by the person and available to the campus, and advise the person of its conclusions.

Summer 2008
REFUND OF FEES INCLUDING NONRESIDENT TUITION

SUMMER 2008 REFUND REQUIREMENTS

Regulations governing the refund of mandatory fees, including nonresident tuition, for students enrolling at the California State University are included in §41802 of Title 5, California Code of Regulations. For purposes of the refund policy, mandatory fees are defined as those systemwide fees and campus fees that are required to be paid in order to enroll in state-supported programs at the California State University. Refunds of fees and tuition charges for self-support programs at the California State University (courses offered through Extended Education) are governed by a separate policy established by the University.

In order to receive a full refund of mandatory fees (less non-refundable fees [$11] and a processing fee [$5]), including nonresident tuition, a student must cancel registration or drop all courses prior to the first day of instruction for the term. Information on procedures and deadlines for canceling registration and dropping classes is available in this class schedule, see inside front cover and blue edged pages.

For state-supported semesters, and non-standard terms or courses of four (4) weeks or more, a student who withdraws from all courses during the term in accordance with the university’s established procedures will receive a refund of mandatory fees, including nonresident tuition, based on the portion of the term during which the student was enrolled. No student withdrawing after the 60 percent point in the term will be entitled to a refund of any mandatory fees or nonresident tuition. Pro-rated refunds will automatically be sent to the student less non-refundable fees ($11) and a processing fee ($5). No application for refund is necessary. However, if a pro-rated refund is not received two weeks after the withdrawal date, send an e-mail request to studentrefund@fullerton.edu.

Students who reduce their status from full-time to six or fewer units during the campus designated add/drop period (see inside front cover) will automatically be sent a refund of the difference between full-time and part-time fees less a processing fee ($5). Parking permits are NOT refunded automatically and must be turned in to the Parking and Transportation Office by the posted filing deadlines (see page 25) for a percentage refund.

Students will also receive a refund of mandatory fees, including nonresident tuition under the following circumstances:

- The tuition and mandatory fees were assessed or collected in error;
- The course for which the tuition and mandatory fees were assessed or collected was cancelled by the university;
- The university makes a delayed decision that the student was not eligible to enroll in the term for which mandatory fees were assessed and collected and the delayed decision was not due to incomplete or inaccurate information provided by the student; or
- The student was activated for compulsory military service.

Students who are not entitled to a refund as described above may petition the university for a refund demonstrating exceptional circumstances. The chief financial officer of the university or designee may authorize a refund if he or she determines that the fees and the tuition were not earned by the university. An Application to Appeal for Refund of Fees form is available at the Admissions and Records Service Center (LH-114) or the Student Financial Services Office (UH-180). Any documentation to support a refund appeal MUST be submitted with the appeal form. Information concerning any aspect of the refund may be obtained from Student Financial Services, UH-180, or email your questions to studentrefund@fullerton.edu.
MISCELLANEOUS INFORMATION

STUDY LIST AND FINANCIAL STATEMENT
You may view a current financial statement at any time through TITAN Online. If the Financial Statement reflects a "Current Due" balance, then payment must be made by the due date or you may be subject to disenrollment from classes.

If the Financial Statement reflects a credit balance because of an overpayment, cancelled classes, or administrative changes, and you do not intend to add classes, a refund will be automatically generated and mailed to your current address on file.

STUDENT IDENTIFICATION NUMBER ON CHECKS
All personal checks submitted for any payment to the University by students must include their Campus Wide Identification number. (The TitanCard number is not the student identification number.) Payment by personal check is considered the individual's approval for the University to write the CWID on the check if it is not already present. If you prefer that your CWID not be written on the check, then payment must be made by cashier's check, money order, or cash (refer to "Fee Payment Instructions" on page 28 for more information). Your CWID is used to assure credit to the proper account. Applicants are required to include their correct social security numbers (taxpayer identification numbers) in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The University uses the social security number to identify students and their records including to identify the student for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the university to file information returns that include the student's social security number and other information such as the amount paid for qualified tuition and related expenses. This information is used by the IRS to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes.

DISHONORED CHECKS
A $25 fee will be charged for all checks or credit card payments returned by your bank, for any reason. The dishonored check or credit card payment plus the $25 fee must be paid with cash, cashier's check or money order, otherwise, the student may be disenrolled from classes. If the dishonored check or credit card was for payment of TITAN registration fees, the student may be subject to disenrollment from classes.

Students who have two or more dishonored checks posted to their University account (regardless of maker) will lose personal check-writing privileges with the University. All subsequent payments to the University must be made with cashier's check, money order, or cash (refer to "Fee Payment Instructions" for additional information).

YOU ARE FINANCIALLY RESPONSIBLE FOR “W” GRADES.

NONRESIDENT TUITION (DOMESTIC AND FOREIGN) STUDENTS
If you completely withdraw from classes at any time up through 60% of the term, you will automatically be sent a pro-rated refund less non-refundable fees and a processing fee. If you reduce your status to six (6) or fewer units during the campus-designated add/drop period (see inside front cover) you will automatically be sent a refund of the difference between full-time and part-time fees, plus the corresponding nonresident tuition, less a processing fee. Parking permits are NOT refunded automatically and must be turned in to the Parking and Transportation Office by the posted filing deadlines (see page 27) for a percentage refund. State regulations regarding refunds have changed effective fall 2002, please see pages 31-32 of this class schedule for more details.

OUTSTANDING BALANCES FROM PREVIOUS SEMESTERS
Payments for previous semesters must be paid and the hold cleared prior to registration. (Refer to "Fee Payment Instructions" on page 28 for more information.)
SUMMER PROGRAMS
Limited funds are available for summer enrollment. If you were enrolled through the main campus of CSUF during the fall 2008 and/or spring 2009 semester(s) and you did not receive the maximum annual Federal Pell Grant or Federal Loans, you may be eligible to receive the unused portion for your summer costs. Eligibility is contingent on your meeting eligibility criteria for each aid program.

Based on funding availability, State University Grant (SUG) funds will be offered.

QUALIFICATIONS
If you are a continuing CSUF student, you must have a valid 2008-09 Free Application for Federal Student Aid (FAFSA) on file at CSUF. The summer term is considered a “trailer” to the preceding award year and your summer eligibility will be based on your 2008-09 FAFSA data. Federal Pell Grant or Federal Loan will be available only if you have unused annual eligibility remaining after spring 2009.

APPLICATION PROCESS
Complete procedures for summer aid are available on the CSUF Financial Aid website at www.fullerton.edu/financialaid.

ENROLLMENT REQUIREMENTS
Minimum enrollment for SUG is three (3) units. Minimum enrollment to receive a loan is six (6) units. Minimum enrollment to receive a Federal Pell Grant is determined by your Expected Family Contribution (EFC).

REGISTRATION FEES
At the completion of your TITAN registration, if your financial aid award is not yet determined or if it is insufficient to pay your full fees, you will be instructed of the amount due and the due date. If your financial aid award amount is sufficient to pay your fees in full, you will be advised at the end of your TITAN registration that “NO PAYMENT IS REQUIRED AT THIS TIME” and your fees will be paid automatically when your financial aid is disbursed.

FINANCIAL AID DISBURSEMENT
In most cases, payment will be issued once your first summer session course has begun. If you have any funds remaining after your summer registration fees have been credited, a balance check or direct deposit will be issued to you.

WITHDRAWALS
If you receive a Federal Pell Grant for summer 2008 and you drop one or more classes before the end of the session, you may be required to repay part or all of the Federal Pell Grant funds you received. If you receive Federal Pell Grant or Federal Loan for summer 2008 and you withdraw from all courses before the 60% point of the term, we will calculate the portion of financial aid you “earned” based on the number of days you were enrolled. You may be required to repay a portion of the funds you received and the University may be required to refund a portion of your fees to one or more federal aid programs.

SATISFACTORY ACADEMIC PROGRESS
To maintain eligibility for financial aid, you must demonstrate satisfactory academic progress by completing the courses in which you enroll and earning a passing grade in each course. Refer to the Satisfactory Academic Progress policy available on the web at www.fullerton.edu/financialaid.
The following is a summary of the CSUF parking and traffic regulations. Detailed information on parking policies, maps of parking lots, and much more can be found at the Parking and Transportation Services website at www.parking.fullerton.edu.

Office Hours: Monday – Friday 7 AM to 5 PM, (714) 278-3082 Office, (714) 278-4533 Fax.

WE MOVED!!
Our new location is in Lot A-south, north of the Children’s Center off Corporation Drive.

CONSTRUCTION INFORMATION
Construction of the CBE Building will affect traffic in Lot E and South Campus Drive. Visit the CSUF Design & Construction office website @ http://d-c.fullerton.edu for project information. For parking alternatives, see parking options below.

ENFORCEMENT HOURS
All parking regulations are enforced Monday – Thursday from 7:00 a.m. - 10:00 p.m. and Friday, 7:00 a.m. – 5:00 p.m. The following parking areas are enforced 24 hours daily: Red Curbs/Fire lanes, Disabled Spaces, State Vehicle Spaces, Loading Zones/ White and Yellow Curbs, Service/Maintenance Spaces and 10 and 15 Minute Time zones. CSUF parking permits are not required on weekends or on holidays when university offices are officially closed. There is no grace period. Parking tickets are issued the first day of classes for all parking violations. Permits are not transferable and valid only when purchased from the University. Vehicles displaying a reported lost or altered/forged permit will be ticketed.

FEES
The cost of a summer permit is $96.00 for a 4-wheel vehicle and $9.00 for a 2-wheel motorized vehicle. The cost of a daily parking permit is $5.00.

SUMMER PERMITS
Student summer permits are valid in the following lots during enforcement hours: The Nutwood Parking Structure, State College Structure, lots A, E, G, S, and student spaces at the Irvine Campus. At 6 p.m. Faculty/Staff lots E West, I, J, and College Park Faculty/Staff open for students with summer or daily permits. Note: Lots C, F and H are designated for Faculty/Staff Parking during all enforcement hours.

DAILY PERMITS
Daily permits are available for sale at Permit Dispenser Machines in lots A, E and G, and are valid in all student surface lots (A, E, G and S). After 6 p.m. daily permits are valid in the Nutwood and State College Parking Structures and Faculty/Staff lots E West, I, J and College Park Faculty/Staff. Note: Lots C, F and, H, are designated for Faculty/Staff parking during all enforcement hours.

BUYING A SUMMER PERMIT
Don’t wait in long lines or wait until the last minute to purchase your permit! Parking permits are available for sale during registration at www.fullerton.edu/titanonline under Student Fees, Make a Payment. The last day to purchase your permit online and have it mailed to your home address on file with the University is April 30, 2008. In person sales at Student Financial Services start May 5, 2008.

DISABLED PERSON (DP) PERMITS
Students with disabilities who have been issued a DMV Disabled Person (DP) placard/plates may park in any designated DP space, Faculty/Staff space or 30 Minute Visitor space and MUST display BOTH the DMV DP placard/plates AND a valid CSUF Student Parking Permit when parked on campus. Students with temporary disabilities that may preclude or impair walking far distances should contact the Office of Disabled Student Services, University Hall 101, or call (714) 278-3117. Upon verification of the disability, a temporary CSUF DP Parking Permit may be issued allowing you to park in designated DP spaces, Faculty/Staff spaces or 30 Minute Visitor spaces.

REFUNDS
In order to receive a full refund for your summer parking permit, it must be returned to Parking and Transportation before the first day of classes. The refund amount decreases starting the first day of classes, and approximately every 25 days thereafter. Please visit the parking website at www.parking.fullerton.edu for the refund schedule.

LOST PERMITS
Report a lost permit to Parking and Transportation Services. Only permits purchased in advance (via web or by phone) and reported “lost” by the third week of instruction will be replaced at no cost. No permits will be replaced after the third week of instruction; a new permit must be purchased. Permits purchased in-person will not be replaced if lost; a new permit must be purchased. For the fee schedule, please visit the parking website at www.parking.fullerton.edu. If a lost permit is recovered on campus by enforcement staff, and the original owner paid for a new permit, that cost will be refunded.

Continued on next page
OVERNIGHT PARKING
Overnight parking between the hours of 1 a.m. – 6 a.m. is limited to student lots A, G, the north section of Lot E in rows 30-40 and the parking structure adjacent to housing. Vehicles parked overnight on campus must display a valid CSUF Parking permit. Vehicles parked overnight in other locations or without a valid permit will be ticketed.

BEEP! BEEP! PARKING OPTIONS
Parking and Transportation offers many alternate programs to help reduce the parking demand on campus. Please visit the student transportation website section at www.parking.fullerton.edu for details and latest information on the following transportation alternatives:

- Need a Carpool Partner? – Find a carpool partner by visiting the on-line student carpool message board.
- Metrolink – Students who commute to campus receive a 25 - 50% discount off the retail price!
- U-Pass is here! Your TitanCard is your FREE OCTA Bus Pass. Contact TitanCard to encode/activate your TitanCard so you can just swipe and ride!

IRVINE CAMPUS – PARKING
All CSUF Parking and traffic regulations and fees are enforced at the Irvine Campus. The cost of a Summer 2008 parking permit at the Irvine Campus is $96.00, and is good for both campuses. The cost of a daily parking permit is $5.00.

GARDEN GROVE - PARKING
Students who will only park at the Garden Grove facility may obtain a parking permit at no charge at the CSUF Garden Grove Registration Office.
2008 Persian Summer Institute

Students will have the opportunity to learn Persian in an intensive summer program

Student Health Services

STUDENT HEALTH AND COUNSELING CENTER—WEST BUILDING
As a regularly enrolled student, basic medical services at Student Health Services are covered by your pre-paid registration fees. Basic services typically include provider visits for minor illness or injury and a number of other services. There is a minimal fee for non-basic services such as physicals, laboratory work, and pharmaceutical items including prescriptions. Students who are enrolled during the spring semester, but not enrolled for the summer, may be seen during the summer at Student Health Services once the $45 Health Services Fee is paid at the SHCC cashier’s office. For students desiring services from Physical Therapy and Sports Rehabilitation (PTS&R), an additional fee of $35 is required for services during the summer. For detailed information regarding charges for services, please see the SHCC cashier or call (714) 278-2800.

Student Health Services is staffed by physicians, nurse practitioners, and registered nurses. It has its own laboratory, x-ray, and pharmacy. Specialty services include orthopedics, psychiatry, optometry, acupuncture, and chiropractic services.

Student Health Services is located at the north end of campus, east of the gym. You may make an appointment online through the student portal, at the front desk, or by calling (714) 278-2813. The Internet address for the health center is http://www.fullerton.edu/SHCC.

Counseling and Psychological Services

STUDENT HEALTH AND COUNSELING CENTER—EAST BUILDING
Counseling and Psychological Services (CAPS) staff are dedicated to providing confidential, high quality, personal counseling and brief psychotherapy to students who are facing problems in their lives, their studies, or their relationships. The ultimate objective of CAPS is to contribute in a significant way to student learning and success, and to the development of CSUF students as effective, mature and responsible adults.

CAPS staff members are trained mental health professionals, including licensed psychologists, marriage and family therapists, psychiatrist and supervised post-doctoral psychology fellows and graduate trainees and interns. Any student who is currently enrolled at CSUF is eligible for counseling services at no charge, including couples counseling if both are students at CSUF. Students may call (714) 278-3040 to schedule an appointment.

### Campus Policy

Violation of student conduct regulations regarding substances can result in probation, suspension or expulsion from the University and referral for prosecution. For more details on specific policies, see the “Campus Policies and Procedures” section of the CSUF Student Handbook or go to http://www.fullerton.edu/handbook/policy/billofRights.htm.

Summer 2008
California State University, Fullerton has a branch campus at Heritage Fields, the former El Toro Marine Corp Air Base, in Irvine, to serve the higher education needs of the student population in central and southern Orange County. CSUF Irvine Campus offers courses only on the upper division and graduate levels. The majors and credential programs being offered are identical to those at the main campus in Fullerton. These programs and courses are intended to provide a more convenient location for those students who live and work in southern Orange County.

**Location:** 7314 Trabuco Road (near Sand Canyon & Trabuco Roads)  
Irvine, CA 92618

**Directions and Access:** Take the Santa Ana Freeway (I-5) to the Sand Canyon Road exit in Irvine and proceed north to Trabuco Road, turn right and go through the gate to the CSUF Irvine Campus.

**Location:** CSUF Garden Grove is located north of the Garden Grove Freeway (22) at 12901 Euclid Street, on the corner of Euclid and Acacia Parkway. From the Fullerton Campus, take the 57 Freeway south to the 22 Freeway west and exit at Euclid Street. The Euclid off-ramp exits onto Trask Avenue. Make a left turn onto Trask Avenue and an immediate right turn onto Euclid Street. Go north on Euclid Street for about one mile. Cross Garden Grove Blvd. and make a left turn at the next light onto Acacia Parkway. The parking lot is on the left side of the street, adjacent to the building.

**Registration:** Registration in degree credit courses is through TITAN registration for students admitted to the university. Open University students, those who are not currently admitted to CSUF, may also enroll in degree credit courses at CSUF Garden Grove. Refer to pink edged pages for Open University Enrollment information. For more information, see www.csufextension.org, call (714) 278-2611, or visit the Registration Offices in building CP-100 on the Fullerton campus or at the Garden Grove Center.

**Student Affairs/Services:** Questions should be directed to the CSUF campus at (714) 278-2300.

**Parking:** Students who will park at the Fullerton campus (CSUF) in addition to the Garden Grove facility should purchase a CSUF parking permit. Students who will only park at the Garden Grove facility may obtain a parking permit at no charge at the CSUF Garden Grove Registration Office.
1. On the following pages are listed all classes being offered for Summer Session 2008.

2. All class schedule entries are subject to change without prior notice. The Scheduling Office distributes a listing of added and cancelled classes to all academic departments, the Academic Advisement Center, the Daily Titan, and other university offices prior to the first day of classes.

3. **Footnotes** - The column identified as “Footnote” indicates special information of significance for the student. Explanation of each footnote appears at the end of each department’s class listings. Some classes have prerequisites while others require permission of the department or an instructor as noted under “Footnotes.” If you are selecting one of these courses, be sure that you have met the prerequisites or have obtained the required permission. The fact that you may be scheduled for such a class does not imply that permission to enroll has been granted.

4. **Schedule Numbers** - The five-digit schedule number follows the section number and is listed below the course number. It identifies the class and section of the class you want to take. It is impossible to register for a class without this number.

5. **Time Code Explanation** - The times that courses begin and end are indicated in the schedule. Morning classes beginning at 8:00 A.M. and ending at 8:50 A.M. are shown as 8:00a and 8:50a. Afternoon and evening classes beginning at 5:00 P.M. and ending at 6:50 P.M. are shown as 5:00p and 6:50p.

6. **Day Code Explanation**
   - MTWRF - Class meets daily except Saturday and Sunday
   - MWF - Class meets Monday, Wednesday, and Friday
   - TR - Class meets Tuesday and Thursday
   - R - Class meets Thursday
   - S - Class meets Saturday
   - U - Class meets Sunday
   - TBA - Class time to be arranged; see department office for details concerning meeting time.

7. **Building Code Explanation**
   - CP - College Park
   - E - Engineering
   - EC - Education Classroom
   - IRVC1 & IRVC2 - Irvine Campus
   - GGC - Garden Grove Center
   - H - Humanities, Social Sciences
   - KHS - Kinesiology and Health Science
   - LH - William B. Langsdorf Hall
   - MH - Miles D. McCarthy Hall
   - PA - Performing Arts
   - PL - Pollak Library
   - RGC - Ruby Gerontology Center
   - SHCC - Student Health and Counseling Center
   - T - Temporary
   - UH - University Hall
   - VA - Visual Arts

8. **Grade Option** - If a course is offered under the traditional grade option (A,B,C,D,F), students may, in certain situations, elect to be graded CR/NC. If a course is only offered for a letter grade, thenotation “Ltr Grd Only” will appear next to the course title. This means that the course can be taken only for a letter grade. If a course is only offered for credit/no credit, thenotation “CR/NC” will appear next to the course title. This means that the course can be taken only credit/no credit. Refer to pages 9 of this class schedule for details regarding grade option policies.

9. **Identification of General Education Courses** - In the course listing section of this class schedule, the first column at the left hand side is identified as GE.

10. **Consolidated Course Fee** - A campus-based, mandatory, $12.00 per-semester fee has replaced individual miscellaneous course fees other than those for travel and field trip expenses, event and facility admissions, sports equipment and musical instruments (including rentals). This fee will be charged as part of the “basic fees” due on or before the pertinent registration fee deadline. Course fees not covered by the Consolidated Course Fee are listed and described in the “Footnotes” sections that follow the class listings in the class schedule. Information as to the amount and payment of these fees will be provided before or on the first day of classes. For questions concerning the additional course fees, please contact the department.

11. **Course Type Explanation** - For each course offered, there is a course type. In the class listings, it is located between the footnotes and the meeting days.

GRADING STANDARDS IN GENERAL EDUCATION (GE)

- A grade of “C” (2.0) or better is required to satisfy GE requirements in:
  - Oral Communications (category I.A)
  - Written Communications (category I.B)
  - Critical Thinking (category I.C) and
  - Mathematics (category III.A.1)

  [A grade of “C minus” (1.7) or lower is not a passing grade.]

- A grade of “D” (1.0) or better is required to satisfy all other GE requirements. [A grade of “D minus” (0.7) or lower is not a passing grade.]

GRADING STANDARDS IN UPPER DIVISION WRITING REQUIREMENT (UNDERGRADUATES)

- A grade of “C” (2.0) or better is required to satisfy the upper division writing requirement. [A grade of “C minus” (1.7) or lower is not a passing grade.]

GRADE POINT AVERAGE (GPA) REQUIREMENTS FOR UNDERGRADUATES

- An average GPA of at least 2.0 based on all units attempted, including those attempted at other institutions;
- An average GPA of at least 2.0 based on all units attempted at Cal State Fullerton; and
- An average GPA of at least 2.0 based on all units attempted in the major.

[Departments may have additional grading standards in the major - consult your department advisor.]

GRADING STANDARDS IN GRADUATE PROGRAMS

- A grade of “C” (2.0) or better in each course in the graduate study plan. [A grade of “C minus” (1.7) or lower is not a passing grade]
- A grade of “C” (2.0) or better in course(s) that are used to meet the writing requirement. [A grade of “C minus” (1.7) or lower is not a passing grade.]
- A grade of “B” (3.0) or better in course(s) that are approved for postgraduate or transfer credits.

GRADE POINT AVERAGE REQUIREMENTS FOR GRADUATE STUDENTS

An average GPA of at least 3.0 based on all courses attempted to satisfy requirements for the master’s degree. This average applies to:
- All 400- and 500-level units attempted subsequent to admission to a degree program; and
- All units required on the student’s graduate study plan including transfer courses.

[Departments may have additional grading standards for graduate programs - consult your graduate advisor.]

REPETITION OF COURSE POLICY

Undergraduates may repeat courses at CSUF for which a “C minus” (1.7) or lower were earned. [Refer to the catalog for complete description of Repetition of Course Policy.]

CREDIT/NO CREDIT GRADING OPTION

For undergraduate students, “Credit” is awarded for work equivalent to all grades which earn 2.0 or more grade points (“A plus” thru “C”). “No Credit” is awarded for work equivalent to all grades which earn less than 2.0 grade points (“C minus” thru “F”).

For graduate students, “Credit” is awarded for work equivalent to all grades which earn 3.0 or more grade points (“A plus” thru “B”). “No Credit” is awarded for work equivalent to all grades which earn less than 3.0 grade points (“B minus” thru “F”).

PLUS/MINUS GRADES AND UNDERGRADUATE TRANSFER ADMISSIONS

In determining transfer admissibility, the transcripts of applicants for admission will be evaluated and grade point average(s) calculated based on the grade points assigned by the CSUF grading policy, e.g. a grade of “B plus” awarded at Cypress College will be calculated for admissions purposes as being worth 3.3 grade points per semester units.

Plus and minus grading will have no effect upon the admissions applicability of community college coursework that has been general education “certified” by California community college(s) as per CSU Executive Order 595.
NEW, VARIABLE, AND SPECIAL COURSES

DESCRIPTION OF COURSES

AMST 401T  Literature and Culture (3)
Prerequisites: American Studies 201 and 301; or consent of instructor. Contemporary American literature as a cultural document. The relationship between American culture and its recent fiction, focusing on several important novels and plays published since the end of the second world war.

ANTH 504T  Anthropology of Organizations (3)
Prerequisite: Completion of undergraduate major in anthropology and/or graduate standing or consent of instructor. Cross cultural examination of the diverse ways humans organize themselves in groups. Topics include: "Western" institutions and their export abroad, activist and environment groups, health institutions, voluntary and non-voluntary associations, and business organizations.

ANTH 504T  Medical Pluralism (3)
Prerequisite: Completion of undergraduate major in anthropology and/or graduate standing or consent of instructor. Investigation of medical pluralism in the contemporary United States, Taiwan, Mexico, the Azores, South Asia and other countries. Theory in medical anthropology, biomedicine, and alternative paradigms, AIDS, childbirth, genetic diseases, spiritualism, faith-based healing, and primary health care programs.

ANTH 504T  Transnation Anthropology (3)
Prerequisite: Completion of undergraduate major in anthropology and/or graduate standing or consent of instructor. This seminar examines a new anthropological perspective known as "Transnational anthropology", and offers an in-depth understanding of the cultural domains of transnational art, transnational business, transnational education, transnational ethnicity, transnational journalism, transnational politics, transnational religion and transnational tourism.

CRJU 475T  Inside the Criminal Mind: Forensic Psychology and Crime Prevention (3)
Prerequisites: CRJU 300. This course will explore "the criminal mind" by examining forensic psychological foundations of criminal offending. Lectures will be highlighted by guest speakers who are former offenders discussing how and why they committed crimes. Crime prevention models will also be presented.

CRJU 475T  Correction Through Eyes of Hollywood (3)
Prerequisites: CRJU 300. This course provides an historical through contemporary review of Hollywood's depiction of the evolving and conflicting purposes and practices of the "corrections" system with an emphasis upon strategies for "treating/punishing" offenders while incarcerated, as well as while in the community.

CRJU 475T  Controlling Crime (3)
Prerequisites: CRJU 300. An analytical look at the concerns of contemporary criminal justice, as they reflect public policy processes. Guest lecturers by prominent participants; field trips (with alternative times available). Our course objective is to understand the current "crime control" paradigm, using texts, discussion, and guest lecturers.

EDSC 542M  Advanced Methods of Teaching
Foundational Level Mathematics (3)
Prerequisite: This course is only for students who already have a California teaching credential (multiple subject, education specialist, or single subject) and wish to work toward adding authorization in mathematics. Students must provide evidence to the instructor that they have passed either a) one of the CSET Mathematics exams or b) one semester of Calculus. Non-credentialed students and those who do not meet the content knowledge requirement are not eligible. Course for already credentialed teachers to expand their knowledge of mathematics pedagogy, focusing particularly on curriculum for grades 6 - 10. Meets California state requirement for single subject methods coursework to add authorization.

ENGL 525T  Prosem 20th Century British Literature (3)
Surveys the major movements and developments of 20th century British literature—from its beginnings, to the advent of literary modernism, and other modern/contemporary theoretical concepts. Examines the work of a range of authors and contextualizes them philosophically and historically. (Same as CPLT 525T)

ENST 595T  Environmental Inequity (3)
Prerequisites: Graduate standing in Environmental Studies. This course explores the various reasons why toxic facilities are usually sited in or near communities populated by ethnic minorities and/or economically disadvantaged people. It will be presented in a lecture, seminar setting.

ENST 595T  Global Environmental Issues (3)
Prerequisites: Graduate standing in Environmental Studies. This course explores the major global environmental issues facing humanity. Included are such topics as: Population; Waste Management; Water, Air and Soil Quality; Agricultural Challenges; Deforestation; Biodiversity; Energy; Climate Change, and the Potential for Sustainability.

POSC 442T  American Political Thought (3)
Prerequisite: POSC 340 or 341 or its equivalent. This course explores the development of American Political Thought over the past 400 years. Special attention will be paid to the justification for political liberalism and its critics on the left and the right.

POSC 451T  China in International Affairs (3)
Prerequisite: POSC 100 or its equivalent. The course analyzes the foreign policy of the People's Republic of China since 1949 by focusing on China's evolving relationship with major actions in global and regional politics, and assesses China's emerging role in the post Cold-War international order.
Two (2) Convenient Ways to Register:

1) via the Web: http://www.fullerton.edu/titanonline
2) by touch-tone telephone: (714) 278-7902

THINGS YOU SHOULD KNOW ABOUT REGISTRATION
(This information pertains to officially admitted students.)

• You may use Web or telephone registration in any combination, since the same registration rules apply. Both systems are available Monday-Friday, 7:00 AM-midnight; Saturday 2:00 AM to Sunday 9:00 PM.

• TITAN (Web and telephone) is available Monday-Friday, 7:00 AM-midnight; Saturday 2:00 AM to Sunday 9:00 PM for adding classes that have not begun, dropping classes, listing classes, and fee amounts due from April 14-July 10.

• The Class Schedule is online at http://www.fullerton.edu/schedule and available 24 hours/day, 7 days/week. The information on the site is updated daily.

• All HOLDS must be cleared three (3) business days prior to your registration date. You may check for holds at http://www.fullerton.edu/titanonline.

• The Registration Help Line (714) 278-7601 is available if you have questions/problems with registration.
  • April 14-17, 8:00 AM-6:30 PM
  • Beginning Friday, April 18, Monday-Friday, 8:00 AM-5:00 PM.

• Once you have performed any type of registration activity, you should confirm your schedule by listing your classes (5# - phone registration) or printing your schedule (View My Study List - Web registration). It is your responsibility to verify that you are enrolled in the correct course(s) and section(s) you have requested.

• Review your Study List/Fee Statement at http://www.fullerton.edu/titanonline for the correct schedule/section numbers, meeting time and location, and instructor.
**Enrollment Eligibility**

Summer session courses are open to the public—to high school graduates, professionals, college students, and others who meet course prerequisites. Enrollment in a degree program is not required. Open University enrollment in summer session does not constitute admission to or enrollment in the university.

Courses may have prerequisites. Please check the footnotes in this class schedule or the course descriptions in the university catalog before you register.

**HIGH SCHOOL STUDENTS**

High school students completing their junior year are welcome to attend summer session classes upon the recommendation of a high school counselor.

**Registration**

Enrollment instructions are included in these blue edged pages.

The registration process for students who are officially admitted to CSUF is different than the process for students who are not admitted to the university. Officially admitted CSUF students will register through TITAN (web and/or telephone); whereas, non-CSUF students will register through the University Extended Education office. See pink edged pages for additional information.

**LATE REGISTRATION**

Late registration is defined as registration that occurs on or after the first day of the session. Late registration requires an electronic permit from the department, payment of a late registration fee, and immediate payment of fees. Open University students require a paper add permit.

**CLOSED CLASSES**

When classes meet the established enrollment limit, they are closed. Additional enrollments can be accepted into a closed class only with an electronic permit from the department. Open University students require a paper add permit.

**DROPPING CLASSES**

If a student decides not to continue enrollment in a class, either before or after instruction begins, it is the student’s responsibility to follow and complete the appropriate procedures for dropping the class.

**DEADLINES**

Deadlines for adding/dropping classes and refund of fees are published on the inside front cover of this class schedule. See pink edged pages for Open University deadlines.

**REGISTRATION PROBLEMS/QUESTIONS**

If you have registration problems or questions, please call for assistance. TITAN users should call the TITAN Help Line (714) 278-7601. Registrants through Extended Education should call (714) 278-2611.

OPEN REGISTRATION AND CHANGE OF PROGRAM
Once registration begins for a particular class level, students in that level may continue to register or change their program until the published registration deadline (inside front cover) for the appropriate class session.

Note: Class levels (i.e., senior, junior, etc.) are determined by the total number of units earned as currently reflected on your CSUF transcript and units enrolled in at CSUF for spring 2008. This prioritization applies only to those students who are currently officially admitted to CSUF. Transfer work that has not been evaluated or posted to your CSUF transcript cannot be used to calculate class level for this purpose.

MAY 4-9 NO REGISTRATION (Students may drop classes only)

TITAN II May 10-July 10 (or see session deadlines published on inside front cover)
Pre-payment of fees is required. Students may continue to register until the published deadline on the inside cover of this schedule.

WAYS TO REGISTER FOR COURSES IN THIS CLASS SCHEDULE

STUDENTS WHO ARE OFFICIALLY ADMITTED TO CSUF
If you are officially admitted to CSUF, you may use the TITAN (web/telephone) registration system to register for classes. You will need your student identification number and 6-digit Personal Identification Number (PIN). For more detailed instructions on using TITAN, refer to the blue edged pages of this class schedule. TITAN is available April 14 - July 10.

TITAN may be utilized for a session that has not started. After a given session has begun, students must obtain an electronic permit from the department offering the course. For audit and grade option changes contact the Registration Help Line at (714) 278-7601 by the deadline listed on the inside cover of this class schedule. See related deadlines on the inside front cover of this class schedule.

If you need assistance with registration, please call the TITAN Help Line (714) 278-7601.

Help Line Hours: April 14-17
Monday - Thursday  8:00 a.m. - 6:30 p.m.
Beginning Friday, April 18
Monday - Friday  8:00 a.m. - 5:00 p.m.

OPEN UNIVERSITY/NON-CSUF STUDENTS
If you are not officially admitted to CSUF, you may register through University Extended Education (UEE) at CP-100.

There are three ways to register through UEE: online, by mail, or in-person. See pink edged pages in this class schedule for complete information.

In-person Registration Hours:  Monday - Thursday, 8:00 a.m. - 7:30 p.m.
                              Friday, 8:00 a.m. - 5:00 p.m.
                              Saturdays, 8:00 a.m. - 12:00 p.m., except holidays

If you need assistance with registration, please call University Extended Education at (714) 278-2611.

For more information on Open University Enrollment, visit www.summer.fullerton.edu, or see the pink edged pages in this class schedule.
TITAN REGISTRATION INSTRUCTIONS FOR CSUF STUDENTS

PRIORITY REGISTRATION  APRIL 14-17, 2008
OPEN REGISTRATION (includes drop/add) APRIL 18, 2008-SESSION DEADLINE (see inside front cover)
LAST DAY TO REGISTER FOR SUMMER JULY 10, 2008 (based on session start date—refer to inside front cover)

TITAN is available Monday - Friday, 7 AM - midnight; Saturday 2 AM to Sunday 9 PM for adding classes for which the session has not begun, dropping classes, listing classes and fee amount due, April 14 - July 10, 2008

TITAN WEB REGISTRATION  http://www.fullerton.edu/titanonline
TITAN TELEPHONE REGISTRATION  (714) 278-7902
REGISTRATION HELP LINE  (714) 278-7601

Before registering for classes, please read the following instructions carefully. Also, registration will be made easier if you complete the worksheet contained in these blue edged pages before attempting to register.

REQUIREMENTS
• You will need your Campus Wide Identification number and Personal Identification Number (PIN) to register.
• You must use a computer with Internet service to access TITAN Online or a touch-tone telephone.
• TITAN PIN – A Personal Identification Number (PIN) is required for telephone and Web registration. The PIN assigned to you is a 6-digit number. This number will be used for registration throughout your enrollment at CSUF. If you lose or misplace your PIN, you must present picture identification to be assigned a new PIN at the Admissions and Records Service Center in Langsdorf Hall, room 114.

MAXIMUM UNITS - University Limitation - A MAXIMUM OF 16 UNITS MAY BE TAKEN DURING SUMMER SESSION.
The following individual student enrollment limits are assigned for summer (YRO) sessions:
• No more than seven units in any five- or six-week session, or
• No more than nine units in an eight-week session, or
• No more than twelve units in a ten-week session, or
• No more than sixteen units in the entire summer (YRO) term

TITAN Registration – Initial registration dates are based on class level for all participants. If you attempt to register before your assigned day, you will not be granted access. You may register any time after your assigned day; however, the later you register, the more likely it is that classes will be closed. TITAN is available Monday - Friday, 7 AM - midnight; Saturday 2 AM to Sunday 9 p.m. for adding classes for which the session has not begun, dropping classes, listing classes and fee amount due, April 14 - July 10, 2008.

Hold – Any holds will be listed on our web site at http://www.fullerton.edu/titanonline. All holds should be cleared three (3) business days prior to your TITAN registration date.

Cancelled Classes – If a class for which you have registered is cancelled by the department, you will be notified by that department. You may attempt to add a class for which the session has not begun via TITAN.

Grading Options – The default grading option is a letter grade (A, B, C, D, F). Exceptions are those classes offered LTR/GRD only and CR/NC only. To change the default (A, B, C, D, F) option to CR/NC or to change from CR/NC to a letter grade, see worksheet for information concerning grade option changes. For more detailed information on grading options, refer to the Table of Contents.

Course Prerequisites – Some courses have course prerequisites (see footnotes in this class schedule) which, if not met, will result in your being unable to register for the course, or "registered with a warning" - meaning prerequisites must be verified by the instructor when classes start. It is the student’s responsibility to provide transcripts from other institutions where prerequisites were met.

Course Corequisites – Some courses have course corequisites (see footnotes in this class schedule). You must register for the corresponding corequisite during the same Web or telephone registration transaction. Failure to do so may result in your being disenrolled from the course.

Test Score Prerequisites – Some courses have test score prerequisites which, if not met, will result in your being unable to register for the course.
Fee Payment and Parking Permit Information — Once you have successfully registered and you have been told the amount owed to the university and the date payment is due, refer to pages 28 of this class schedule for fee payment and pages 35-36 for parking permit information and instructions.

Financial Aid Recipients – Refer to page 34 of this class schedule.

State Rehabilitation and Veteran's Administration Vocational Rehabilitation – Contact the Disabled Student Services Office (UH-101) if you need assistance with registration.

Athletic Scholarship – Contact the Athletic Department (LH-215) at least three (3) business days prior to your TITAN registration appointment to confirm your eligibility.

Cal-Vet Fee Waiver – This benefit is only available to dependents of disabled or deceased veterans. Contact the Veteran’s Certification Office (LH-116) at least three (3) business days prior to your TITAN registration date to verify your eligibility. Call (714) 278-2373 to check on hours the representative is available.

Veteran's Benefits – Arrange for fee deferments with the Veteran’s Certification Office (LH-116) at least three (3) business days prior to your TITAN registration date. Only veterans who are new students at CSUF are eligible. Call (714) 278-2373 to check on hours the representative is available.

Disabled Students – Contact the Disabled Student Services Office (UH-101) if you need assistance with registration. For additional information, call (714) 278-3117.

Military Tuition Assistance – Submit proper authorization to the Student Financial Services Office (UH-180) at least three (3) business days prior to your TITAN registration date. For additional information, call (714) 278-2495.

Private Company Scholars – Submit an authorization or a purchase order from your employer to the Student Financial Services Office (UH-180) at least three (3) business days prior to your TITAN registration date.

Payment Procedure – See page 28 for information on fee payment.

Refunds – Please refer to “Fee Refund Instructions” on page 32 of this class schedule.

Refunds for Financial Aid Recipients – Please refer to “Financial Aid General Information” on page 34 of this class schedule.

FUTURE TEACHERS
Students planning careers in elementary, middle school, or high school teaching are encouraged to attend an information session provided by the Center for Careers in Teaching. A schedule of the information sessions is available in H-113 or on the web at http://www.fullerton.edu/cct

Do not delay in seeking early advisement about a teaching career as choices made in the GE package can mean the difference between early or late entry into the credential programs.

CSUF STUDENTS - REGISTRATION PROBLEMS/QUESTIONS
If you are having problems with registration, please call the TITAN Help Line (714) 278-7601

April 14-17  Monday - Thursday  8:00 AM - 6:30 PM
Beginning Friday, April 18  Monday - Friday  8:00 AM - 5:00 PM
The following instructions are intended to assist you in successfully completing the registration process. Before attempting to register, complete the worksheet on the next page, then call the TITAN REGISTRATION TELEPHONE NUMBER (714) 278-7902.

The cost of the call will depend on the following:
1) how well-prepared you are prior to registering
2) normal long distance charges, if applicable.

Step 1  If you are prompted to select a term, enter the number that corresponds with the summer semester.

Step 2  ENTER your student identification number  and press #.

Step 3  ENTER your PIN  and press #.

Step 4  Use your prepared worksheet to register. For example, enter  to add a class.

The computer will provide a response to each transaction and may prompt for further input.

At any time, you may press 5# to hear your study program. Only 5 classes are listed at a time. Press # to continue the listing of the remainder of your classes.

Step 5  You must press 9# to complete the registration process or confirm amount due and payment due date. Registration fees due and your payment deadline will be announced prior to exiting the system.

Step 6  You are officially registered ONLY after all fees are received.

TitanExpress allows payment of your registration fees with Visa, MasterCard, American Express, or Discover (see page 29 for details). Please note: there is a non-refundable convenience fee of $5.00 added to all credit card payments. Other in person options include cash, personal check, money order, or cashier’s check. Cash only students are required to pay by cashier’s check or money order.

Payments, parking request forms, and deferment forms must be received on campus by 5:00 PM on the due date. You may use the Student Financial Services drop box located at UH-180, window number 10.

Enter total number of units enrolled _____, total amount due $_______, and payment deadline ________.
If you do not have access to a computer with Internet service, you may use the computers located in the Pollak Library (Internet Oasis-main floor, TITAN Lab-basement or the walkway on the second floor).

**Step 1** – Enter your Student I.D. Number and PIN, then click “Submit.” Do not use spaces or dashes when entering your Student I.D. Number.

**Step 2** – Click “Registration”.

**Step 3** – Select “Summer 2008” from the drop down and click “Submit.”

**Step 4** – Click “Register (add/drop)” to begin the registration process.

**Adding Classes** – There are two ways to add classes online:

1) In the “Add Schedule #” box, enter the schedule number(s) of the class(es) you want. Click “Submit” after each entry.

2) If the section you want is not available, click on “View Open Sections” to obtain the schedule numbers of open sections. Select the department by single clicking on it, then click “Submit.” Click on the class you want, followed by a single click on the schedule number (which will add the class to your schedule). Or select the department and enter the course number in the “Enter Course #” box and click “Submit” under option 3. Click on the schedule number to add the course.

**Dropping Classes** – Click on “Drop” under the “Select a function” heading. A drop down menu that contains the schedule numbers of all classes in which you are currently enrolled will appear. Select the schedule number of the class you want to drop and click “Submit”.

**Conditional Drop/Add** – This function allows you to drop a class only if the requested add is successful. Therefore, you will need two separate schedule numbers for this function. Click on “Conditional Drop/Add,” select the schedule number of the class to drop from the drop down menu, enter the schedule number of the class to add in the “…Add Schedule #” box and click “Submit”.

**Grade Option Change** – In some cases, you may change your grade option from a letter grade to credit/no credit, or vice versa. Prior to using this option, please review the Grade Options section of this class schedule. Once you click “Change Grade Option,” a drop down menu that contains the schedule numbers of the classes in which you are enrolled will appear. Click on the drop down, select the schedule number of the corresponding class and click “Submit”.

**Prior to exiting the system:**

- You should print your study list (“View My Study List”) to verify all schedule/section numbers, meeting time and location, and instructor for accuracy.

- You should confirm your payment amount and due date (“Confirm Fees Due”).

- You may pay your fees online with Online ACH checks from your savings or checking account. ATM or debit cards cannot be used for payment with the online check function. TITAN Tender, Visa, American Express, MasterCard, or Discover may also be used. Note: There is a non-refundable convenience fee of $5.00 added to all credit card payments.

**Step 5** – Properly and securely log off by clicking “Logoff”.

**REGISTRATION PROBLEMS/QUESTIONS – CALL THE TITAN HELP LINE (714) 278-7601**
Please note that classes are subject to change without notice!

### Communications

**NOTE:** Sections 80 through 89 meet at the Irvine campus. For the most current course information, consult the Web Class Schedule at [http://www.fullerton.edu/schedule/](http://www.fullerton.edu/schedule/). A grade of C or better in English 101 or an equivalent course is a prerequisite for Communications writing courses (COMM 101, 201, 202, 301, 334, 335, 338, 351, 353, 362, 371, 435). For students who complete English 101, Comm 101, or Comm 233 at CSUF, the computer will automatically recognize if they earned a C or better. Students who completed an equivalent to CSUF's Comm 101 or Comm 233 at a community college or another four-year college/university must submit a copy of the relevant transcript or grade card to the Department of Communications, College Park 400.

Golden Opportunities for Lifelong Learning

University Extended Education extends the resources of the university out into the community and around the globe. We offer learning opportunities for every stage of your life. There’s truly something for everyone.

**Children and Teens** experience Summer Art Camp and other fun learning experiences.

**Degree Students** earn academic credit through Intersession, Open University and convenient evening master’s programs.

**Working Professionals** find the key to success in professional development classes that provide leading-edge education they can immediately apply. Workshops, classes and certificate programs are convenient and accessible at CSUF or on-site. Customized workforce development is also available.

**Educators and Administrators** benefit from online classes and certificate programs that meet their ongoing professional development requirements.

**International Students** can participate in the American Language Program (ALP) or University Semester Abroad (USA). In ALP, they will receive intensive English training to prepare for study at an American university. As USA students, they can study at CSUF for a semester or two before returning to their countries.

**International Professionals** from around the world visit CSUF for quality learning experiences in a wide variety of subject areas including education, business and public administration.

**Online Students** experience the convenience of our Distance Education classes.

**Retirees, Semi-retired and Those Still Working** benefit from Osher Lifelong Learning Institute’s (OLLI) classes for a vibrant, active life.

Open University Enrollment provides an opportunity for people who are not currently admitted to Cal State Fullerton to enroll in undergraduate and graduate-level classes. Registration is provided on a space available basis.

**Eligibility**

Registration in Open University is available to:
- The public
- International students with an I-20 from another institution, provided they receive authorization from their institution’s Designated School Official (DSO)
- Students disqualified (DQ) from Cal State Fullerton. Students are required to meet with a disqualification (DQ) advisor before they can be enrolled. DQ students may not enroll in more than 6 units per academic term.

Open University is not available to:
- Students officially admitted to Cal State Fullerton
- Foreign students with a score of less than 500 on the TOEFL examination.

Open University does not constitute admission to the university.

**Course Requirements and Grades**

- Students must participate fully and meet all class requirements and prerequisites which may include standard examinations. Check the university catalog or call the department for additional information.
- Open University grades become a part of the student’s official university academic transcript. Official transcripts can be obtained at Admissions and Records, Langsdorf Hall 114 (LH-114) for a $4 fee.

**Registration Instructions**

1. Check the Summer Class Schedule, for days and times of the class(es) you need or go online to www.summer.fullerton.edu.

2. Meet with or call the academic advisor, Lyn Richie-Walker, located in University Hall 123 (UH-123), at 714.278.7645 for advisement and class approval prior to registration.

3. **If you are registering by the early registration deadline,** you can register online at www.summer.fullerton.edu or submit registration forms by mail or in person to the University Extended Education office. Please refer to the registration schedule and ways to register.

4. **If you are registering after the early registration deadline,** registration is on a petition (space available) basis.
   a. Students may pick up a Registration Form and an Open University application form from the UEE office in College Park 100, the forms section at www.summer.fullerton.edu or the UEE academic advisor, Lyn Richie-Walker in the Academic Advisement Center (AAC), University Hall 123 (UH-123).
   b. Obtain signed approval from the UEE Academic Advisor, Lyn Richie-Walker located in University Hall 123 (UH-123), phone 714.278.7645.
   c. Attend the first class meeting and have the instructor sign and date the registration form. Instructors may wait to sign until they are certain space is available.
   d. Take the registration form to the department office for stamped approval. Students must register by the segment session deadline. Enrollment is on a “space available” basis and is determined at the time of registration.
   e. Bring the registration form and the application form, completed with all necessary approvals, to the UEE registration office located in College Park 100, and pay the fees to be officially enrolled.

5. Retain your receipt to verify enrollment.
A. All students must complete the following section:

Are you currently officially enrolled (matriculated) or authorized to enroll as a Cal State Fullerton student?  Yes ☐  No ☐

If yes, you are not eligible to enroll through Open University.

Did you attend, for at least three years, a high school or college in which English was the principal language of instruction?  Yes ☐  No ☐

If no, did you bring documentation of a TOEFL score over 500?  Yes ☐  No ☐

All applicants, regardless of citizenship, who have not attended, for at least three years, a school at the secondary level or beyond in which English was the principal language of instruction, are required to score a minimum of 500 on the Test of English as a Foreign Language (TOEFL). Verification of the TOEFL score must be presented when registering.

NOTE: Credit earned through Open University is designated as special session credit. Only the first 24 units of Open University credit may count toward a bachelor’s degree. Open University courses cannot be used to fulfill the residence requirement (30 semester units) for a bachelor’s degree. For graduate degrees, normally 6-9 units of approved special session credit may apply, but for degrees which require more than 30 units, more units of credit may apply. Please consult the department graduate advisor.
