Enrollment Status:

Continuing: Students who also enrolled in the immediately prior semester and those undergraduates who "stopped out" for one semester.

All Others: Categories of new students, i.e., they filed an application in order to enroll this semester. Enrollment status does not match student level for first-time freshmen, which is a mix of first-time and transitory.

Type:

Part-Time: Enrolled in 11 or fewer units.

Full-Time: Enrolled in 12 or more units.

FTES:

Note these FTES are derived by dividing each student's total units by 15. Undergrad/grad is likewise a student level, not a course level, characteristic. Therefore, the undergrad/grad FTES are per student level and do not agree with Table 2.79, which displays FTES per course level.
