Note: All data are calculated on a per cell basis. It is possible for percentages added across categories to not match the actual totals because of rounding.

** Data for special admits by ethnicity for all CSU's are from the Fall 2002 California State University Statistical Report: *New Student Enrollments Reports by Year, CSU Enrollments by Ethnic Group*-Table 23. These data represent first-time freshmen (**both part-time and full-time**) from California high schools only.

Data for special admits by sex for all CSU's are from the Fall 2003 California State University Statistical Report: *New Student Enrollments Reports by Year, One-Year Continuation Rates for First-Time Freshman* -Table 26. These data represent first-time freshmen (**both part-time and full-time, including high school transitory students**), from all high schools.
