The Importance of Being Earnest

## How Do MAMM Alliance Funds Benefit Performing Arts Students?

Your MAMM Alliance membership contribution provides significant financial support for plays, concerts, artist residencies, master classes and other artistic experiences for students in both the School of Music and Department of Theatre & Dance.

Through its Board of Directors, MAMM Alliance directs annual grants to provide much needed support for the activities which nurture our performing arts students' skills as performers and technicians. MAMM Alliance generates this grant funding through annual membership contributions, special fundraising events, and investment earnings from the MAMM Alliance endowment.

MAMM Alliance allocates 25% of its annual membership and fundraising efforts to be reinvested in the MAMM Alliance Endowment, ensuring a perpetual source of funding for performing arts programs and students.

The MAMM Alliance for the Performing Arts was chartered in June 2006 to support and promote the Joseph A. W. Clayes III Performing Arts Center and its programs, which provide exceptional training opportunities for College of the Arts performing arts students.

### Marcy Arroues Mulville: A Tradition of Giving

The Alliance was established to carry on the remarkable legacy of Marcy Arroues Mulville. Mulville is remembered for her generous and active arts patronage in Orange County as well as her long-standing support of Cal State Fullerton and the College of the Arts, which began in 1968.

Her tradition of arts advocacy endures with the ongoing efforts of the MAMM Alliance. In appreciation of a generous gift from the MAMM Foundation, the concert stage inside Vaughncille Joseph Meng Concert Hall bears her name.
