

ART 495 Internship Enrollment Petition Request

ART 495: This class is a combination of students working within an internship (120-hours per term) and preparing for future job opportunities. Students work with online resources and/or the University's Career Center to obtain internships. Students also complete a resume (along with edits), digital portfolios and websites, and an online Mock Interview; and participate in a Portfolio Review with professionals in their fields. This is an online class with most of the activities completed by students independently and with guidance from their professor. Please work to obtain an internship before the term/semester begins.

An academic internship is work experience for which you receive academic credit, students must:

- Seek and secure an internship relevant to your major prior to the start of the semester*
- Enroll in ART 495 (see Internship Steps below)
- Complete the course requirements as prescribed in the University Catalog

**Timelines are suggested; however, completion of the CICE Placement must be completed prior to beginning your internship hours and by the add/drop deadline of the term.*

Prerequisites

- Visual Art Senior or Graduate standing with a 2.0 GPA
- Attend an orientation session (*see the Art 495 canvas webpage for details*)
- Sign and submit to the Art Department to confirm you have read this application, and you meet the requirements or prerequisites prior to the beginning of the term.

Unit/Hours Requirement

- 3 units (120 internship hours)
- Maximum 6 units for credit (may be repeated once)

Online Internship Approval:

The Center for Internship and Community Engagement (CICE) administers and establishes internship partners throughout the University. It is the CICE that confirms internship placement. Internship registration instructions can be found through this link: <https://app.calstates4.com/fullerton/node/389756>
