Transfer Admissions Requirements
Students must meet all of the following requirements for admission to Cal State Fullerton:

■ 60 transferable semester units (90 quarter units); A maximum of 70 transferable semester (105 quarter) units from a community college may be used towards completion of a degree.

■ A minimum of 30 semester units (45 quarter units) in CSU-approved general education coursework with grades of C or better, selected from either the CSU General Education Breadth pattern or the IGETC (Intersegmental General Education Transfer Curriculum), including completion of the "Golden Four" below:

The "Golden Four" requirements:
1. Oral Communication
2. Written Communication
3. Critical Thinking
4. Mathematics/Quantitative Reasoning

■ Good academic standing at the last college or university attended.

Transfer GPA Requirements
Although students may be admitted to CSU campuses with a 2.0 (C) minimum grade point average, applicants are strongly encouraged to meet higher than minimum standards as the University is an impacted campus for all majors.

To ensure a fair process for all applicants, the GPA requirement will not be determined until after the initial filing period is over. It will be based on the number of applications received, the competitiveness of the pool, and the number of spaces available.
Transfer Advisement
Who can advise me about the transfer process?
Cal State Fullerton works closely with California community college transfer centers to ensure that their students receive current information about our campus's admissions policies, academic programs, and student services. Appointments with Cal State Fullerton outreach counselors provide pre-admission counseling and academic advising at many of our local community college transfer centers during the academic year.

Cal State Fullerton’s Transfer Center provides peer advising, admissions information, and campus referrals for prospective community college transfer students at our Fullerton Campus. To reach us, you may call 657-278-3358 or email us at transfer@fullerton.edu. The CSUF Transfer Center is located in Langsdorf Hall 501B.

Is Transfer Student Orientation mandatory?
All incoming transfer students are required to complete a transfer student orientation prior to enrolling in their first semester at CSUF. Students may choose either on-campus (in-person) or online orientation sessions. For more information, call 657-278-2501 or visit fullerton.edu/orientation.

Important Points to Remember
Cal State Fullerton is an impacted campus for all majors and there are more qualified applicants than we are able to accommodate. As a result, students must anticipate meeting higher levels of competition than required by minimum CSU eligibility. Please visit fullerton.edu/admissions for more information.
