

SAVE MONEY AND ENJOY UNPARALLELED FLEXIBILITY

Become A Season Subscriber!

Can't decide what to attend but want incredible subscriber savings and benefits? In addition to convenient **FREE PARKING** on weekends in our new multi-level structure, choice seats and lost ticket insurance, the CSUF Theatre and Dance FlexTix Subscription allows **YOU** to choose which shows to see, when **YOU** want to see them and how many tickets **YOU** want!

The FlexTix subscription offers you 6, 10, or 12 redeemable credits, to use all at once or one-at-a-time. Create your own unique season with our "paperless" FlexTix Credits. Redeem credits for any show, any time, in any combination (1 credit = 1 ticket to a play/dance concert; 2 credits = 1 ticket for a musical/opera). For example, \$103 buys 12 credits - Bring guests and use the credits all at once for one performance, or spread them across the season. Check out **WWW.FULLERTON.EDU/ARTS/THEATREDANCE** for more information about our **AWARD-WINNING** department!

FlexTix subscriptions offer amazing flexibility - all at a specially discounted price. Add up the credits for the shows you wish to see and select the flexible subscription that works for **YOU!**
