Voice

Repertoire requirements

Please prepare:

1. Two contrasting selections, one of which must be classical in style; the other may be classical, folk song or from the musical theater repertoire. Musical theater selections must be from the classic lyrical repertoire (i.e. music of Rodgers and Hammerstein, Lerner and Loewe, etc.), utilizing classical singing technique (no belting).

2. At least one of your selections should be in English. You are encouraged to offer the other piece in Italian, Spanish, French, or German.

3. Both selections must be memorized.

4. An accompanist (and excellent sight reader) will be provided. You may bring your own accompanist if you wish. Be sure to bring sheet music! You will not be able to use accompaniment recordings.

5. Basic musicianship skills are expected from all successful applicants for the music major. Be prepared for a short sight-singing examination of basic rhythmic patterns and diatonic melody, similar in difficulty to these examples:
