## WHAT CAN WE DO?

Come to a free reading of Heidi Schreck's play, WHAT THE CONSTITUTION MEANS TO ME and start a conversation of what the founding document means to you and to us all in 2022.

Schreck's timely and boundary-breaking play breathes new life into our Constitution and imagines how it will shape the next generation of Americans. Fifteen-year-old Heidi earned her college tuition by winning Constitutional debate competitions across the United States. In this hilarious, hopeful, and achingly human new play, she resurrects her teenage self in order to trace the profound relationship between four generations of women and the founding document that shaped their lives.
