V. EXECUTIVE DIRECTOR & FINANCIAL REPORTS
Mr. Kissel reported that nearly all of Campus Dining staff was furloughed 100% during the pandemic; all but one will return. Campus Dining plans to hire part-time staff as campus returns to normal. The impact of minimum wage increase from $14/hr to $15/hr in January 2022 will cost ASC approximately $125K.

On 06/14/21, ASC expects to close escrow on Tucker Wildlife Sanctuary (Tucker) which was donated to CSUF in 1968. ASC operated the 12 acre property in Silverado Canyon until
December 2020. The property’s use is restricted, meaning that it cannot be developed. VP Coley asked if the Chancellor’s Office was contacted regarding the availability and use of Tucker by other CSU campuses; Mr. Kissel replied that due to the conditional deed, the property reverts back to the Audubon Society, adding that VP Greg Saks was brought in to provide possible entities to assist the Audubon Society operate the property.

As far as ASC’s internal review, six recommendations remain of which two are campus related. One of those two is to address Presidential Directive 1 (alcohol policy). The remaining four are in final stages of closing and expected to close by June.

For the period ending 04/30/21, ASC has a total net surplus of $18M, most which are proceeds from the sale of Irvine Campus; without that, total net surplus would have estimated $500K. ASC has a negative variance in Campus Dining of ($400k). As campus reopens, ASC will retrain current staff and additional hires. VP Coley asked if CARES funding could apply to the losses sustained here; Mr. Kissel replied that ASC requested from campus but was denied. ASC also manages University Gables’ reserve fund along with the charitable remainder trust which will expire in June and then transfer to Philanthropic.

VI. **ACTION ITEMS:**

Prof. Walker moved, VP Dabirian seconded and motion carried to approve the resolution for the Sale of Tucker Wildlife Sanctuary.

B. **NEW DESIGNATED FUND ACCOUNT**
