

RESOURCES FOR WOMEN STUDENTS

General Advice

Women are now the majority of the U.S. workforce, but many women still face difficulties associated with work, such as receiving low pay, disclosing pregnancy, and finding childcare. The CSUF Career Center is available to support and empower women in their career and job search journey. Please schedule an appointment with a Career Specialist if you have any questions. It is important to note that all CSUF students are eligible for and encouraged to engage in all of our services/resources listed below including our Career fairs, and Job/Internships posted on **Titan Connection**. Great general advice can be found on **California Commission on the Status of Women** website.

Off-Campus Resources

Listed below are some great programs/associations for professional development, leadership, training, extracurricular programs to add to your resume and allow you to create a professional network and connection with others.

- **American Association of University Women:** National non-profit organization that advances equity for women and girls through advocacy, education, and research
www.aauw.org/

- **Soroptimist:** A global volunteer organization that provides women and girls access to education and training they need to achieve economic empowerment
www.soroptimist.org/

Find women organizations within your profession. Many professions will have a professional organization or group to address women issues for that profession.

Here's a list of **Women's Professional Organizations**

- **Alliance for Women in Media**
www.allwomeninmedia.org/

- **Association for Women in Science**
www.awis.org/

- **Advancing Women in Transportation, Orange County**
