FALL 2021 WORKSHOP CALENDAR
Workshops hosted by the Career Center are purposeful. Gain more than just networking opportunities and Q&A sessions. There are specific competency alignments and learning outcomes that will help you be Career Ready, which are listed at the beginning of each workshop category in this calendar.

**CAREER & SELF-DEVELOPMENT**
Proactively develop oneself and one’s career through continual personal and professional learning, awareness of one’s strengths and weaknesses, navigation of career opportunities, and networking to build relationships within and without one’s organization.

**COMMUNICATION**
Clearly and effectively exchange information, ideas, facts, and perspectives with persons inside and outside of an organization.

**CRITICAL THINKING**
Identify and respond to needs based upon an understanding of situational context and logical analysis of relevant information.

**LEADERSHIP**
Recognize and capitalize on personal and team strengths to achieve organizational goals.

**EQUITY & INCLUSION**
Demonstrate the awareness, attitude, knowledge, and skills required to equitably engage and include people from different local and global cultures. Engage in anti-racist practices that actively challenge the systems, structures, and policies of racism.

**PROFESSIONALISM**
Knowing work environments differ greatly, understand and demonstrate effective work habits, and act in the interest of the larger community and workplace.

**TEAMWORK**
Build and maintain collaborative relationships to work effectively toward common goals, while appreciating diverse viewpoints and shared responsibilities.

**TECHNOLOGY**
Understand and leverage technologies ethically to enhance efficiencies, complete tasks, and accomplish goals.
The Career Center wants to ensure that you will be ready to gain the knowledge and skills to help you navigate through your career options, discover your career passion and help you land a job or internship.

With a diverse set of workshops this semester, we’ve grouped them together by workshop series. Click on any workshop listed under a series to advance to the workshop details.

Once you’ve discovered workshops and events that you’d like to attend, select the **CLICK TO RSVP** buttons for each respective workshop or event.

We look forward to seeing you at some of our workshops and career fairs.
Understanding and learning how your identity and intersection of identity play a role in career development and the world of work. Exploring issues that various communities face and preparation to navigate and be successful in the world of work.
