<i>Reapply to CSUF</i>		<i>Apply to Credential Program</i>	

- Minimum of 120 units needed to graduate. This plan is intended to be a sample only. It should not replace early and frequent consultation with CAS, Natural Sciences, and CCT academic advisors as requirements are subject to change.
- Recommendations for the Minor in Natural Sciences emphasize coursework designed for elementary/middle school science teachers and include courses from all four science disciplines in order to prepare candidates for the CSET Foundational Level General Science Subtests #118 and 119.
- To qualify for the Professional Track Internship Program, students must completed EDSC 400 and EDSC 410 prior to the beginning of the credential program. See internship program requirements at http://ed.fullerton.edu/seced/Professional_Track_Program/Index.htm.
