Dear Ms. Wolff,

Congratulations! The Center for Children Who Stutter has been chosen as Program of the Year by the California Speech-Language-Hearing Association. Your program was selected for this award for its commitment to high quality clinical service, its innovative service delivery model, its coordination of related programs and services, its use of cutting-edge techniques, and its research activities. The committee members were also impressed that the Center has such strong support from the parents and family members of the students.

We are also pleased that our esteemed colleagues, Glyndon and Jeanna Riley, will be honored for their more than sixty years of dedication to stuttering research, teaching, and clinical experience.

This award will be given at the Annual Association Dinner on Friday, March 9, 2007 from 7:00-10:00 PM, at the CSHA Convention in Long Beach. We hope that you and a guest will attend this event so the Center can be recognized for its outstanding service to children and their families. You are welcome to invite other staff members, families, and friends, and you may contact Barbra O'Hara Administrative Director at the CSHA office, to obtain additional tickets at \$55 per person.

The Honors Committee acknowledges and extends its appreciation and congratulations for the achievements of the staff of the Center for Children Who Stutter. I look forward to seeing you and congratulating you in person at the Association Dinner.

Sincerely,

Marlowe K. Fischer, MA, CCC-SLP
