IMPORTANT NOTICES TO ALL STUDENTS!

CSU FEE DISCLAIMER

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory systemwide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 – 66028.6 of the Education Code).

CAMPUS WIDE IDENTIFICATION NUMBER

Due to recent state laws concerning identity theft, Cal State Fullerton assigns all students a campus wide ID number (CWID). All university records and accounts for the student will be identified with the CWID. Each student needs to become familiar with his or her CWID number for conducting university business and making academic inquiries.

ENGLISH AND MATH EARLY START PROGRAM

Based on multiple measures, some first time freshmen may be required to participate in Early Start. This program enables specific students to begin their Mathematics or English General Education requirements over the summer prior to the start of the Fall Semester. If a student is required to participate in Early Start, he or she will be notified via the CSUF Admissions Office.

E-MAIL ADDRESS

Each student has been issued an e-mail address where university messages will be sent to you. For additional information about your e-mail account, contact 657-278-8888. Many campus offices have begun utilizing e-mail as the primary communication mode to the student. Be sure to check your CSUF e-mail account on a regular basis.

MAILING ADDRESS

You are required to keep your mailing address, e-mail address, and phone number current with the university to ensure that you receive all university communications. Your address can be updated online through your Titan Online Student Center. Your official address on record will be used for mailing your parking permit. You will no longer be required to complete a parking form with your parking and registration payment. For additional information about parking permits, call Parking and Transportation Services at 657-278-3082.

Although this Registration Guide was prepared on the basis of the best information available at the time, all information including class meeting times and locations, faculty, course offerings and statements of fees is subject to change without notice or obligation. The university does not guarantee the availability of a particular course or section. Enrollment is permitted only until the maximum number of students in a section has been enrolled. This Registration Guide is published by the Office of Records and Registration.
ALL DISCRIMINATION/HARASSMENT/TITLE IX/ADA COMPLAINTS

The University is committed to maintaining a positive learning, working and living environment free from discrimination, harassment, or retaliation. The California State University's Nondiscrimination Policy and Sexual Harassment Policy requires compliance from the entire campus community. Inquiries concerning compliance with the Nondiscrimination Policy (p. 10-11), Sexual Harassment Policy (p. 12), or implementing campus procedures should be directed to the appropriate administrators that can assist in resolving complaints.

For inquiries about discrimination, harassment, and retaliation based on sex, gender, gender expression, or sexual orientation, please contact Sarah Bauer, Title IX Coordinator, CSUF, Langsdorf Hall, Suite 809, 657-278-2121;

For inquiries about employee-related discrimination, harassment, and retaliation based on a disability or medical condition, please contact Alisha Brown, Manager, Workers' Compensation/ADA Administrator, CSUF, College Park, Suite 700, 657-278-2824;

For student referrals and complaints related to Section 504 of the Rehabilitation Act of 1973, please contact Lori Palmerton, Director, Disability Support Services, CSUF, University Hall, Suite 101, 657-278-3112, www.fullerton.edu/dss;

For all other inquiries about discrimination, harassment and retaliation based on a protected status, please contact Blair Miles, Director, Faculty Labor Relations & Compliance and DHR Administrator, CSUF, College Park, Suite 770, 657-278-4933; or

Copies of the above policies and student grievance procedures are available in the offices of the President (CP-1000), Provost/Vice President for Academic Affairs (CP-1000), Vice President for Student Affairs (LH-805), Human Resources (CP-700), Disability Support Services (UH-101), University Police (UPD-139), College Deans, Office of Student Life (TSU-247), Titan Athletics (Titan House), University Library Reference Desk (PLN) and WoMen's Center (UH-205).

CONFIDENTIALITY AND YOUR STUDENT INFORMATION

There have been significant changes to the Family Educational Rights and Privacy Act (FERPA) regarding students' rights with respect to their educational records. Please refer to pages 14 for FERPA information.

GRADUATE STUDIES

Cal State Fullerton offers outstanding opportunities for students to pursue a graduate degree. CSUF offers graduate degrees, including two doctoral programs, as well as nine programs entirely online. Please visit www.fullerton.edu/graduate for more information and a list of programs.

UNDERGRADUATE ACADEMIC ADVISEMENT

The university encourages all students to seek advisement each semester well in advance of registration. Advisers in each major department and in the Academic Advisement Center (UH-123B) assist students in making appropriate course selections and in planning a course of study. Students have the responsibility for taking advantage of opportunities for academic advisement provided by the various university offices and programs.

GENERAL EDUCATION ADVISEMENT

Academic Advisement is the academic home of the undeclared student. All undergraduate students may obtain information about the CSUF general education curriculum and degree requirements by visiting the Academic Advisement Center in (UH-123B). Advising is offered on a walk-in basis Monday through Friday and all students must bring a recent printed copy of their Titan Degree Audit (TDA) to meet with an academic adviser.

MAJOR ADVISEMENT

Students who have declared a major should consult their departmental adviser well in advance of registration. Students who wish to explore the majors offered by a specific college should contact the appropriate advisement office.

ACADEMIC FREEDOM AND RESPONSIBILITY

The Academic Senate of California State University, Fullerton, endorses the 1987 Statement on Professional Ethics (UPS 230.000) and the 1940 Statement of Principles and Interpretive Comments of the American Association of University Professors contained in the 1984 Edition of Policy Documents and Reports.

ASSISTANCE FOR STUDENTS

If you are experiencing difficulty either academically or in your personal life, you should consult support groups on campus that may be able to assist you. Personal counseling is available from Counseling and Psychological Services. If you are unsure of a career, you should consult with the Career Center for special career counseling and interest testing. Other support services include: the Office of the Vice President for Student Affairs, Academic Advisement Center, Academic Appeals, Dean of Students Office, Disabled Student Services, Financial Aid, International Education and Exchange, Student Health and Counseling Center, University Learning Center, WoMen's Center/Adult Re-entry/Veterans Certification Office, Writing Assistance Center and the Office of Registration and Records.

AUDITING

The symbol AU identifies those instances where a student enrolled in a course for purposes not requiring credit. An auditor must have the permission of the instructor, and may enroll only after students otherwise eligible to enroll in the course for credit have done so. Auditors pay the same fees as credit students; regular class attendance is expected. Once enrolled as an auditor, a student may not change to credit after the last day to add classes. A student enrolled for credit may not change to audit after the deadline published on the inside cover of this registration guide. An auditor does not take examinations in the course; therefore, there is no basis for evaluation nor a formal grade report.

CLASS ATTENDANCE

While class attendance is not recorded officially by the university, regular attendance in class is often essential to success in a course. Policy on class attendance is within the discretion of the individual faculty member, who shall announce the policy at the first class meeting of the semester.

It is especially important that students attend the first meeting of a class. Students absent from the first meeting without notification to the instructor or departmental office within 24 hours after class may be denied admission to the class. Instructors may deny admission to absentees to admit persons on waiting lists in their places. A student who registers for a class and whose name appears on the first-day-of-class list should attend all class meetings the first week (five class days). If a student decides not to continue enrollment in a class, either before or after instruction begins, it is a student's responsibility to follow the appropriate procedures for dropping the class; however, if a student is absent without notifying the instructor or departmental office within 24 hours after any meeting missed during the first week, the student may be dropped administratively from the class by the instructor. Students should not assume that this will be done for them and should take the responsibility to ensure that they have been dropped by following the appropriate procedures for dropping classes. An instructor may also administratively drop a student who does not meet prerequisites for the course. These administrative withdrawals shall be without penalty.

CLOSED CLASSES

A departmental permit is required to add a closed class.

CONCURRENT ENROLLMENT

A student enrolled at the university may enroll concurrently for additional courses at another CSU campus only with advance written approval and by filing a concurrent enrollment form with the Office of Registration and Records. Certain restrictions apply when a quarter-system campus is involved. Permission will not be granted when the study list in the proposed combined program exceeds units authorized for full-time study. Students may enroll concurrently at institutions outside the CSU system without special permission or forms.

CONTINUOUS ENROLLMENT - GRADUATE STUDENTS WITH MASTER'S DEGREE OBJECTIVES

A student with a graduate degree objective must maintain continuous enrollment (summer sessions and intersession excluded) until the degree is awarded.

A graduate student who finds it impossible to attend during a particular semester and is denied a formal leave of absence may register in Graduate Studies 700, which gives no units of credit and does not require class attendance. Enrollment in Graduate Studies 700 is through regular registration and is restricted to classified or conditionally classified graduate students.

A graduate student who fails to register and who has not obtained approval for a formal leave of absence, has discontinued enrollment in the graduate degree program. If the student wishes to resume study, he or she must reapply for admission to the university and to the degree program.

End of Program Enrollment: students who have enrolled in all units required for the degree and are continuing to work on thesis, project or comprehensive exam preparation, are expected to maintain continuous enrollment by enrolling in GRAD 700 Continuous Enrollment (zero units) through regular registration or at a reduced fee through Extended Education if qualified. Students must notify their Graduate Adviser if they need to enroll in Grad 700.

If you are unsure as to whether GRAD 700 applies to your situation, contact your Program Adviser.

CONTINUOUS ENROLLMENT OF TEACHING CREDENTIAL CANDIDATES

A postbaccalaureate student who has completed student teaching but must complete requirements for an elementary or secondary teaching credential and finds it impossible to enroll in courses for the credential during a certain semester may apply for a leave of absence.

COURSE OUTLINES

Course outlines, which shall be compatible with approved course proposals on file in the Office of the Associate Vice President, Academic Programs, and with course descriptions in the university catalog, must be provided to students in writing within the first five days of instruction. Course outlines shall give detailed information on the following matters: (1) course material to be covered (e.g., reading list); (2) the grading policy for the course; (3) class assignments (e.g., term papers-length, due date, projects); and (4) examination dates and make-up policy and the required or permissible materials or equipment which may be used in testing situations; (5) required or permissible materials and/or equipment, (e.g., texts, materials, or equipment, including calculators, software, artistic materials, scientific apparatus, etc.)
It shall be a normal and reasonable duty of each faculty member to provide these materials, in accordance with the outlined provisions. The faculty member shall also provide these materials to the department chair.

DEGREE CANDIDATES

Candidates for the baccalaureate must file an application for a graduation check one year (two semesters) prior to the semester in which they anticipate completing all requirements for a degree. Undergraduate candidates for May 2020 must file by January 26, 2020. Complete information and instructions about the entire graduation check process for undergraduates are available on the university website under “Graduation.”

Candidates for May 2020 master’s and doctorate degrees must file a request for a graduation check on or before February 10, 2020. The form to accomplish this is available on your student portal under “Self Service” (click on Other Academics).

A change in anticipated date of graduation may be reported by filing the necessary form with the Graduation Unit (LH-114) for undergraduate students, and with the Graduate Studies Office (MH-112) for graduate students.

GRADE OPTIONS

The university uses a combination of traditional and nontraditional grading options as follows:

Traditional

Nontraditional
CR - C (2.0) grade or better in undergraduate courses; B (3.0) or better in graduate courses.
NC - No credit

Students may indicate the grading basis for each course when they register. They have until the deadline published in the front cover of the registration guide to change an option. If grading for a course is listed as “Undergraduate Student Option”, the course can be taken either for a letter grade (A,B,C,D) or as credit/no credit. If no option is chosen, the course will default to letter grade. Certain faculty designated courses may solely be taken as graded or as credit/no credit. To change the option from letter grade to Credit/No Credit or from Credit/No Credit to a letter grade, use the pull down menu under “Grading” at the time you enroll in the class. Grade basis can be made online through the second week of classes. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by all undergraduate students for major, minor and general education requirements. A letter grade (A+, A, A-, B+, B, B-, C+, C, C-, D+, D, D-, F) must be used by graduate students for all required courses. Exceptions are those courses designed by the faculty to be graded Letter Grade Only or CR/NC Only.

Students should know that there is a limitation on the number of courses which can be taken with the nontraditional grading basis. A maximum of 36 units of credit/no credit courses, including those transferred from other institutions, may be counted toward the baccalaureate. Limited courses with a grade of CR may be used for the master’s or doctorate degree. A detailed description of the grading policy and definition of symbols used may be found in the current catalog.

Advisory Caution
Undergraduate students who plan to pursue graduate or professional studies later are advised to be selective in opting for courses on a credit/no credit basis. As a general rule (advisory only), coursework that is preparatory or prerequisite to advanced specialized study should be completed and evaluated on a letter grade and not a credit/no credit.

INCOMPLETE AUTHORIZED (I)

The symbol ‘I’ (Incomplete Authorized) signifies that a portion of the required coursework for a class has not been completed and evaluated in the prescribed time period, due to unforeseen but fully justified reasons, and that there is still a possibility of earning credit. It is the responsibility of the student to bring pertinent information to the instructor and to determine from the instructor the remaining course requirements which must be satisfied to remove the incomplete. A final grade is assigned when the work agreed upon has been completed and evaluated.

An incomplete must be made up within one year following the end of the term during which it was assigned. This limitation prevails whether or not the student maintains continuous enrollment. Failure to complete the assigned work will result in an Incomplete being changed to an IC symbol or an NC unless faculty member assigns a specific letter grade at the time the incomplete is assigned, which would replace the ‘I’ in the student’s record at the end of the one year deadline. Therefore, ‘I’ grades that were earned for the Fall 2018 semester must be completed by January 2, 2020. ‘I’ grades assigned at the end of the Spring 2019 semester must be completed by May 22, 2020.

The IC symbol counts as a failing grade for grade point average and grade point balance computations.

A grade of incomplete may be given only when, in the opinion of the instructor, a student cannot complete a course during the semester of enrollment for reasons beyond the student's control. Such reasons are assumed to include: illness of the student or of members of the student's immediate family, extraordinary financial problems, loss of outside position, and other exigencies. In assigning a grade of ‘I’, the instructor shall file with the department, for future reference and student access, a Statement of Requirements for Completion of Course Work. The requirements shall not include retaking the course. The instructor will also designate a time limit (up to one year) for completing requirements.

Upon request, a copy of the document will be furnished to the student. The student should review this statement at the earliest opportunity.

The statement of requirements will include an indication of the quality of the student’s work to date. This not only provides an interim evaluation for the student but assists the department chair in assigning a final grade in those instances where the instructor is no longer available. When specific requirements are completed, the instructor will report a change of grade. The responsibility for changing the Incomplete grade rests with the instructor.

INDEPENDENT STUDY

If you want to register in an independent study course, you must obtain written approval from the instructor and the department chair using the appropriate university form. During the semester, you and the instructor shall prepare a study plan and submit it to the department chair, or designee, for approval. The approved study plan shall be kept on file in the department or program office and shall include a statement of the basis for final evaluation of the independent study.

You may not take more than six units of independent study at the undergraduate level in a given semester or apply more than nine units
of independent study toward completion of the undergraduate degree. If you are a graduate student, you may not apply more than six units of independent study toward the completion of a graduate degree unless written approval is obtained by the appropriate college dean.

Lower-division students normally enroll in Independent Study 299, upper division students in 499; and graduate students in 599, respectively. Independent study courses may be repeated.

INTERNSHIPS AND COMMUNITY ENGAGEMENT

Earn course credit while gaining practical experience related to your major by registering for an academic internship or service-learning course. Check your department for requirements and prerequisites. Be sure to start early (sometimes a semester ahead), especially if an academic internship is a graduation requirement for your major. Many placements are available at businesses, nonprofit organizations and government agencies at locations throughout southern California and opportunities may also be available out of state or overseas.

Experiential learning opportunities are high impact practices that allow students to expand their knowledge, apply theories and skills learned in the classroom, prepare for successful entry into the job market, and develop as socially responsible citizens. Participating in high impact practices like internships and service-learning can keep students on track for graduation, and prepare them for meaningful careers. Additionally, academic internship and service-learning courses offer opportunities for students to:

- Build your résumé / portfolio
- Gain work and service experiences
- Network and develop industry contacts
- Earn academic credit
- Solidify academic and career goals
- Possibly earn money while learning
- Explore various career options within a major
- Demonstrate personal and social responsibility
- Become engaged in your community and the issues that matter to you.

To learn more about the opportunities available within your major, contact your department or visit the Center for Internships & Community Engagement in LH-206, open Monday through Friday 8:00 a.m. to 5:00 p.m. Information is online at fullerton.edu/CICE.

LEAVE OF ABSENCE - UNDERGRADUATES AND POSTBACCALAUREATE UNCLASSIFIED GRADUATE STUDENTS

A leave of absence may be granted based on certain documented extenuating circumstances and normally is granted for not more than one year. Students must be in good academic standing and must have completed 12 units at this university. A leave of absence is not granted in order for a student to return to a community college to take coursework for financial or academic reasons. An approved leave of absence authorizes the student to return without reapplying to the university and continue under the catalog requirements prior to the absence.

Undergraduate and postbaccalaureate unclassified graduate students on approved leaves of one year (two academic semesters) or less are eligible to register for the semester immediately following the end of the leave.

LEAVE OF ABSENCE - GRADUATE AND CREDENTIAL STUDENTS

Graduate degree or credential students may be granted leaves of absence, up to two consecutive semesters, which maintain their place in the university and in degree or credential programs (i.e., they do not have to reapply following the leave). A leave granted to a degree objective student also preserves the election of curriculum rights regarding catalog requirements. However, a leave granted by the university does not extend time limitations imposed by the state for completing specific credential requirements nor does it extend the time limit for completing the master's or doctorate degree.

In the case of non-approved breaks in enrollment, reapplication for admission to the university and to the chosen degree or credential program will be required. A place in the degree/credential program or in the university will not be held for the student in these circumstances.

Forms for requesting a leave of absence are available in the Graduate Studies Office (MH-112), or the Graduate Studies website: fullerton.edu/graduate. Students must be in good academic standing and must have completed at least six units toward the degree or credential in residence at this university in order to qualify for leaves of absence. Leaves must be submitted before the first day of classes.

NONDISCRIMINATION POLICY

California State University, Fullerton is committed to creating an atmosphere in which all students have the right to participate fully in its programs and activities free from unlawful discrimination, harassment and retaliation. California State University (CSU) Executive Order 1097, “Systemwide Policy Prohibiting Discrimination, Harassment and Retaliation, Sexual Misconduct, Dating and Domestic Violence, and Stalking against Students and Systemwide Procedure for Addressing Such Complaints by Students” was issued in response to the Campus Sexual Violence Elimination Act (the SaVE Act) and related guidance from the U.S. Department of Education, Office for Civil Rights, addressing Title IX of the Educational Amendments of 1972.

It is the policy of the CSU that no student or applicant for admission as a student shall, on the basis of protected status, be unlawfully excluded from participation in or be denied the benefits of any CSU program or activity. Nor shall a student or applicant for admission as a student be otherwise subjected to unlawful discrimination, harassment or retaliation for exercising any rights under this executive order.

Discrimination is prohibited by Titles VI and VII of the Civil Rights Act of 1964, as amended, Title IX of the Education Amendments of 1972, Sections 508 and 504 of the Rehabilitation Act of 1973, the Vietnam Era Veterans Readjustment Act, Title II of the Americans with Disabilities Act of 1990 and the Age Discrimination Act of 1975, including all subsequent amendments and administrative regulations adopted thereunder by the Department of Education and Department of Labor.

Employees and students who violate CSU Executive Order 1097 may be subject to discipline. If employee discipline is appropriate it shall be administered in a manner consistent with applicable collective bargaining agreements, CSU policies and legal requirements. Discipline of a student shall be administered in accordance with Section 41301 of Title 5, California Code of Regulations and CSU Executive Order 1098, or any superseding executive order, if applicable.
OPEN UNIVERSITY ENROLLMENT

Open University Enrollment provides an opportunity for people not currently admitted to Cal State Fullerton to enroll in undergraduate and graduate-level courses. Registration is on a space-available basis at the start of the semester and students must meet stated prerequisite requirements. Information is available from Extension & International Programs (EIP) in CP-100 or ou.fullerton.edu. Students enrolling through Open University are encouraged to contact Open University Advisers Suzanne Batista, sbatista@fullerton.edu (GH-123B, 657-278-4280) or Margaret Luzzi, mluzzi@fullerton.edu (CP-100, 657-278-7644) with any questions prior to registering.

A maximum of 24 units earned through Open University may count towards a bachelor's degree. Credit earned through Open University may not be used to fulfill the residence requirements (30 semester units) for a bachelor's degree. For graduate degrees, normally 9 units may apply. Please consult the graduate department adviser. Disqualified (DQ) undergraduate students may not enroll in more than six (6) units per academic term. Participation in Open University enrollment does not constitute admission to the university.

REPEAT POLICY

Grade Forgiveness (16-unit limit)

An undergraduate student may repeat up to 16 units of course work with 'Grade Forgiveness'. This category of repeat is used for grades of C- (1.7) or lower. In computing the grade point average of a student who repeats courses in which he or she received C- (1.7), only the most recently earned grades and grade points shall be used in the GPA calculation for the first 16 units repeated. In exercising this option, an undergraduate student must take and repeat the course at this campus. Repeat policy will be automatically applied to courses repeated each semester during final grade processing at the end of the term.

Grades Averaged (12-unit limit)

An undergraduate may repeat up to 12 units of course work with 'Grades Averaged', beginning Fall 2009 forward. Under this category of repeat, both grades are calculated into the student's GPA.

Maximum Repeat Limit (28-units)

The 16 units of 'Grade Forgiveness' and the 12 units of 'Grades Averaged' comprise the maximum repeat limit of 28 units for an undergraduate student.

Regulation Against Repeat of Courses with 'C' Grade or Better

Undergraduate students may not repeat a course in which a grade of 'C' or better has already been earned. This does not apply to those courses noted in the university catalog as "may be repeated for credit".

Regulation Against Repeat of a Course with an 'I' Currently on Record

A student may not re-enroll in a course for which he or she has received an 'I' until the 'I' has either been assigned a final grade, or been converted to an 'IC'.

For further information on Undergraduate Repeat Policy, see fullerton.edu/admissions/resources/faq.asp

ACADEMIC DISHONESTY

Academic dishonesty includes such things as cheating, inventing false information or citations, plagiarism and helping someone else commit an act of academic dishonesty. It usually involves an attempt by a student to show possession of a level of knowledge or skill which he or she does not possess.

The initial responsibility for detecting and dealing with academic dishonesty lies with the instructor concerned. An instructor who is convinced by the evidence that a student is guilty of academic dishonesty shall:

1. Assign an appropriate academic penalty. This may range from an oral reprimand to an F in the course.
2. Report to the student involved, to the department chair and to the vice president for Student Affairs the alleged incident of academic dishonesty, including relevant documentations for action that he or she deems appropriate.

The vice president for Student Affairs shall maintain an academic dishonesty file of all cases of academic dishonesty with the appropriate documentation. Students shall be informed when their names are inserted into the file and provided with copies of any appeals or disciplinary procedures in which they may become involved. The vice president for Student Affairs or his or her designees may initiate disciplinary proceedings under Title 5, California Code of Regulations, Section 41301, and Chancellor's Executive Order 148; when two or more incidents involving the same student occur, he or she shall do so.

A student may appeal any action taken on a charge of academic dishonesty under the University Policy Statement 300.030, “Academic Appeals.” See “Academic Appeals” in the “Student Affairs” section of the university catalog.

SEXUAL HARASSMENT/SEXUAL MISCONDUCT POLICY

It is the policy of California State University, Fullerton to maintain a working and learning environment free from sexual harassment and sexual misconduct of its students, employees and those who apply for student or employee status. Sexual harassment is illegal under Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, and California Education Code Section 89535. CSU Executive Order 1097 “Systemwide Policy Prohibiting Discrimination, Harassment, Retaliation, Sexual Misconduct, Dating and Domestic Violence, and Stalking against Students and Systemwide Procedure for Addressing Such Complaints by Students”, CSU Executive Order 1096 “Systemwide Policy Prohibiting Discrimination, Harassment, Retaliation, Sexual Misconduct, Dating and Domestic Violence, and Stalking Policy” prohibit sexual harassment within the CSU System. The University will take action to eliminate sexual harassment and similar behavior. Information concerning campus sexual harassment policies and procedures can be obtained from Sarah Bauer, Title IX Coordinator, CSUF, Langsdorf Hall, Suite 809, 657-278-2929.

TITLE IX

USE OF BICYCLES AND SKATEBOARDS ON CAMPUS

The university’s policy concerning the use of bicycles, skateboards and other forms of non-motor vehicle transportation is set forth in President’s Directive No. 16. Please see http://directive16.fullerton.edu.

SOCIAL SECURITY NUMBER AND STUDENT IDENTIFICATION NUMBER

Applicants are required to include their correct social security numbers in designated places on applications for admission pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations and Section 6109 of the Internal Revenue Code (26 U.S.C. 6109). The University uses the social security number to identify students and their records including identification for purposes of financial aid eligibility and disbursement and the repayment of financial aid and other debts payable to the institution. Also, the Internal Revenue Service requires the University to file information returns that include the student’s social security number and other information such as the amount paid for qualified tuition, related expenses and interest on educational loans. This information is used by the IRS to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes.

The Social Security number also is required by the Franchise Tax Board for collection of past due accounts.

For other records and services, the university uses an assigned campus wide identification number (CWID) as the student’s account number. A student’s Titan Card number is not his or her identification number.

Students are required to write their student identification numbers (CWID) on personal checks submitted for any payment to the University. Payment by personal check is consent by the student for the University to write the student's identification number on the check if it is not referenced. If a student prefers that his or her student identification number not be on the check, then the student must submit payment by cashier's check, money order, or when appropriate (other than mail-in or drop-off registration) and cash. Use of the student identification number assures credit to the correct student university account.

STOP-OUT POLICY

The stop-out policy allows undergraduate students and postbaccalaureate unclassified non-credential graduate students to be absent for one semester and maintain their continuing student status. This includes election of catalog requirements for graduation and eligibility to register for the next semester. Disqualified students, foreign visa students, students on leaves approved for more than one year and students without approved leaves who are absent for more than one semester must apply for readmission should they wish to return to Cal State Fullerton. Service members who are called to active duty or deployed should check with veteran’s certification at 657-278-2373.

II. AUTHORITY

The California State University Board of Trustees has issued Executive Order 1108, Policy on System wide Smoke and Tobacco Free Environment.

The State of California prohibits smoking in all public buildings and other enclosed areas of employment. Authority to issue this Policy is based on Title 5, California Code of Regulations, Section 42356; and California Government Code Section 7597.

III. SCOPE

This policy applies to all the university faculty, staff, students and visitors and to all the interior and exterior campus areas and locations identified in Section 1.

Smoking in university-sponsored theater and dance productions, student-authored or sponsored scenes, workshops or productions produced as part of the department of theatre and dance season may be authorized by the President or designee only when a required part of a specific performance. Smoking in Associated Students-sponsored performances is prohibited unless explicitly authorized in writing by the university president or designee.

- Strategic Communications
- Dean of Students
- International Education and Exchange

WITHDRAWAL LIMIT

Undergraduate students are limited to a maximum of 18 units of withdrawal (“W” on transcript) during their CSUF career, from Fall 2009 forward. “W’s” earned prior to Fall 2009 will remain on the record but will not be counted toward the 18-unit limit. (See fullerton.edu/admissions. Under “Resources,” click on “Frequently Asked Questions”, select “Undegraduate Withdrawal Policy”).

WITHDRAWAL UNAUTHORIZED (WU)

University policy states that the symbol WU shall be assigned to a student who is enrolled in a class as of the census date*, but stops attending or participating, does not complete the course work and does not officially withdraw from the class. Students who discontinue course participation without filing an official, approved withdrawal form with the CSUF Registration Office shall be considered to have withdrawn unofficially from the course.

*The census date is approximately at the end of the fourth week of classes. (See the ‘Semester Calendar’ section in the online Registration Guide each term for the applicable census date).

When a WU is assigned, the grading basis selected by the student at the time of registration for the course determines what displays on the student transcript:

- If the student registered for the class with a grading basis of 'letter grade', the symbol on the CSUF transcript appears as WU, and is equivalent to an F in GPA calculations.
- If the student registered for the class with a grading basis of 'credit/no credit', an assigned ‘WU’ would be recorded as NC* which does not impact GPA calculations.
- NOTE: The grading basis available for a class depends on how the course is being offered. Some courses are offered as ‘letter grade only’, some as ‘credit/no credit only’ and some courses offer students a choice of either ‘letter grade’ or ‘credit/no credit’.

In the first semester at CSUF that a WU is assigned to a student, any and all WUS that are posted to the student record during the final grading period for that semester are automatically converted to a W during the grading cycle at the end of that term. The student is notified that this is a “one time only” provision. This auto-conversion will not occur in future semesters.

For future occurrences, students may petition for retroactive withdrawal from courses that have been assigned a WU or NC* by using...
the retroactive withdrawal petition process when serious and compelling circumstances occurred during the semester being petitioned. A serious and compelling reason is defined as a physical, medical, emotional or other condition which has the effect of limiting the student’s full participation in the class and which is clearly beyond the student’s control. The student must provide independent documentation (from a source other than the student, or the student’s family or friends) to verify the serious and compelling circumstances that occurred during the semester being petitioned which resulted in the student receiving a WU or NC*. There are also specific time limits for submitting retroactive withdrawal petitions. Further information on these time limits can be viewed on line at: www.fullerton.edu/admissions - select ‘Current Students’ tab, click on forms tab, scroll down to ‘Petitions’.

All retroactive withdrawal petitions are individually reviewed and can be either granted or denied. If it is determined that retroactive withdrawal is justified, a grade of W will be assigned and the negative effect of the WU will be removed from the GPA. Petition forms are available at Registration and Records (LH-114) or online at the web site indicated above.

FEES AND DEBTS OWED TO THE INSTITUTION

Should a student or former student fail to pay a fee or a debt owed to the institution, the institution may “withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt,” until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381).

Prospective students who register for courses offered by the university are obligated for the payment of fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay student fees including any tuition for the reservation of space in the course.

The institution may withhold permission to register, or to receive official transcripts of grades, or other services offered by the institution from anyone owing fees or another debt to the institution. The institution may also report the debt to a credit bureau, offset the amount due against any future state tax refunds due the student, refer the debt to an outside collection agency and/or charge reasonable attorney fees if litigation is necessary.

If a person believes he or she does not owe all or part of an asserted unpaid obligation, that person may contact Student Financial Services. Student Financial Services or another office on campus to which Student Financial Services may refer the person, will review all pertinent information provided by the person and available to the campus and will advise the person of its conclusions.

WRITING CENTER

The Writing Center offers free tutorial help to university students. The Writing Center, located on the first floor of Pollak Library, is open Monday through Saturday. Students may drop in or may make appointments by calling 657-278-3650. More information is available at hss.fullerton.edu/english/wc/.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

THE PRESIDENT’S DIRECTIVE NO. 17

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their educational records. They are:

I. Directive

The Family Educational Rights and Privacy Act (“FERPA”) and California State University Executive Order 796 (“EO 796”) afford students the right to inspect and review their education records; request amendment of an education record believed to be in error or misleading; limit disclosure of personally identifiable information contained in an education record; and file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with FERPA. Should a conflict arise between FERPA or EO 796 and this directive, FERPA or EO 796 will take precedent.

II. Authority

III. Scope

This directive applies to the records of any student who is attending or has attended the University. They do not apply to records of applicants for admission who are denied acceptance or if accepted, do not attend the University.

IV. Definitions

A. Directory Information. A student’s name, date and place of birth, permanent and local address, University-recognized e-mail address, telephone number, class level, enrollment status, major(s), minor(s), dates of attendance, degrees and awards received, previous educational institutions attended and past and present participation in recognized activities. Directory information also includes weight and height if student is an athletic team member.

B. Legitimate Educational Interest. A school official has a “legitimate educational interest” if the official must review an education record to fulfill their professional responsibility. The University faculty or staff member responsible for maintaining the requested record is responsible for determining whether a school official has a legitimate educational interest.

C. School Official. A University or CSU system employee or volunteer in an administrative, academic, research or staff position, including law enforcement unit personnel and health staff; an individual or entity with whom the University has contracted to act for the institution or to provide services the institution would otherwise perform for itself, such as an attorney, auditor or collection agent; an individual, including a student, serving on a CSU System or University committee, such as a disciplinary or grievance committee or assisting another school official in performing their professional responsibility.

V. Implementation

A. School officials with a legitimate educational interest may access student records. In addition to school officials with a legitimate educational interest, the University may disclose Directory information (defined in Section IV.A). depending on the nature of the request and depending on the release category selected
by a student. Students may choose to limit the release of their Directory information as described below:
1. Permit release of all Directory information. Unless restricted by a student, the University may release a student's Directory information at any time to any requesting party, including the military and for the development of University-affiliated marketing programs. This is the default category for release of information.
2. Permit release only “Verification” information. This sub-category of Directory information consists of a student's name, class level, enrollment status, major(s), minor(s), degrees and awards received, dates of attendance and University-recognized e-mail address. The University may release this information in response to requests, including but not limited to those from campus auxiliaries, financial lenders, employers, the military or insurance companies for verification of degree and enrollment information; for inclusion in Commencement and honors materials. Students who release only “Verification” information will be excluded from all University directories, printed or electronic, that the University may produce or publish.
3. Withhold release of all Directory information. Withholding the release of all Directory information means that the student will be excluded from all University directories and publications that the University may produce or publish, including Commencement and honors materials and the University will not verify degree, dates of attendance or enrollment information without the prior written consent of the student. There will be no release to the military or for marketing programs.
B. Students wishing to review their education records must make a written request to the Vice President for Student Affairs. Requested education records as defined by FERPA will be made available for review within 45 working days of the request. Reasonable charges for copy costs will be applied.
C. The University notifies students of their FERPA rights in its course catalog, university website and annually via electronic mail.
D. Students who believe their rights have been abridged may make a request in writing seeking assistance from the Vice President for Student Affairs, Langsdorf Hall 805 or The Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Ave., S.W., Washington, D.C., 20202-4605.

VI. Accountability
A. The University will review bi-annually its information practices concerning student records to assess its compliance with FERPA, CSU Executive Order 796 and this directive. The Vice President for Student Affairs is responsible for ensuring the completion of these reviews.
B. Any school official requiring access to student records must meet all training requirements established. This training must be completed prior to access being granted.
C. Individuals who violate this directive are subject to appropriate disciplinary action pursuant to the applicable collective bargaining agreement and/or administrative policies or procedures.
D. The contact for questions concerning this Directive is the Vice President for Student Affairs or his/her designee. Reviewed and approved by President Milton A. Gordon on March 17, 2011.

#### GRADING STANDARDS IN GENERAL EDUCATION (GE)

A grade of “C” (1.7) or better is required to satisfy GE requirements in:
- Oral Communication (category A1)
- Written Communication (category A2)
- Critical Thinking (category A3)
- Mathematics/Quantitative Reasoning (category B4)
- A grade of “D plus” (1.3) or lower is not a passing grade.

A grade of “D” (1.0) or better is required to satisfy all other GE requirements. A grade of “D minus” (0.7) or lower is not a passing grade.

#### GRADING STANDARDS IN UPPER DIVISION WRITING REQUIREMENT (UNDERGRADUATES)

A grade of “C” (2.0) or better is required to satisfy the upper division writing requirement. A grade of “C minus” (1.7) or lower is not a passing grade.

#### GRADING STANDARDS IN GRADUATE PROGRAMS

A grade of “C” (2.0) or better in each course in the graduate study plan. A grade of “C minus” (1.7) or lower is not a passing grade.

A grade of “C” (2.0) or better in course(s) that are used to meet the writing requirement. A grade of “C minus” (1.7) or lower is not a passing grade.

#### GRADE POINT AVERAGE REQUIREMENTS FOR GRADUATE STUDENTS

An average GPA of at least 3.0 based on all courses attempted to satisfy requirements for the master's degree. This average applies to:
- All 400 and 500-level units attempted subsequent to admission to a degree program; and
- All units required on the student's graduate study plan including transfer courses.

Departments may have additional grading standards for graduate programs-consult your graduate advisor.
CREDIT / NO CREDIT GRADING OPTION

For undergraduate students, “credit” is awarded for work equivalent to all grades which earn 2.0 or more grade points (“A+” thru “C”). “No credit” is awarded for work equivalent to all grades which earn less than 2.0 grade points (“C” minus thru “F”).

For graduate students, “credit” is awarded for work equivalent to all grades which earn 3.0 or more grade points (“A+” thru “B”). “No credit” is awarded for work equivalent to all grades which earn less than 3.0 grade points (“B minus” thru “F”).

PLUS / MINUS GRADES AND TRANSFER ADMISSIONS

In determining transfer admissibility, the transcripts of applicants for admission will be evaluated and grade point average(s) calculated based on the grade points assigned by the CSUF grading policy, e.g. a grade of B+ at Cypress College will be calculated for admissions purposes as being worth 3.3 grade points per semester units.

Plus and minus grading will have no effect upon the admissions applicability of community college coursework that has been general education “certified” by California community college(s) as per CSU Executive Order 1100.

YOUR BACHELOR’S DEGREE WORKSHEET

The university requires that you accomplish many different objectives to graduate.

The following is a checklist of graduation requirements.

7. Satisfy the Upper Division Baccalaureate Writing Requirement (for those under 1980-81 and later requirements)
   • Pass the required courses with a grade of C or better.
8. Apply for graduation check approximately one year (two semesters) before graduation – online grad applications are available via portal access. Refer to page 2 of this registration guide for the specific deadline dates.
9. Finish with at least a 2.0 (C) average:
   • in all courses at all colleges or universities,
   • in all courses at CSUF and
   • in all courses in your major.
10. Count no more than:
    • 36 CR/NC units toward the degree,
    • 30 units of credit by exam,
    • 24 units taken through extension (University Extended Education); including adjunct,
    • 9 units of independent study,
    • 6 units of internship,

MATH GE REQUIREMENTS FOR AY 2019-20

All incoming freshmen are required to take a class that meets the Math GE requirement (B.4) during their first year. Furthermore, incoming freshmen in the following majors must complete the GE B.4 requirement by enrolling in a specific GE math class that is part of their academic major or minor during their first semester:

<table>
<thead>
<tr>
<th>Biological Science (B.S)</th>
<th>Engineering Undeclared</th>
</tr>
</thead>
<tbody>
<tr>
<td>Biochemistry (B.S)</td>
<td>Geology (B.S)</td>
</tr>
<tr>
<td>Chemistry (B.S./B.A.)</td>
<td>Mathematics (B.A.)</td>
</tr>
<tr>
<td>Civil Engineering (B.S)</td>
<td>Mechanical Engineering (B.S)</td>
</tr>
<tr>
<td>Computer Engineering (B.S)</td>
<td>Nursing (B.S)</td>
</tr>
<tr>
<td>Computer Science (B.S)</td>
<td>Physics (B.S)</td>
</tr>
<tr>
<td>Earth Science (B.A.)</td>
<td>Pre-Business</td>
</tr>
<tr>
<td>Electrical Engineering (B.S)</td>
<td>Pre-Economics</td>
</tr>
</tbody>
</table>

In order to ensure that students with specific major-related math requirements are able to progress through their degrees in a timely manner, enrollments during Freshmen Orientation in Math 115 College Algebra and Math 125 Pre-calculus will be restricted to the majors in the following table:

<table>
<thead>

<td>Biological Science, Geology, Pre-business, Nursing, Health Science, and Kinesiology Majors</td>
</tr>
<tr>
<td>Math 125</td>

</tr>
</tbody>
</table>

Although Kinesiology and Health Science majors are not required to take a Math GE class in their first semester, they will be allowed to register in Math 115 or Math 125 during Freshmen Orientation.

Once Freshmen Orientation is complete the restrictions will be lifted and any remaining seats will be open to students from all majors.

DEPARTMENT PLACEMENT EXAMS

CHEMISTRY 120A ENROLLMENT REQUIREMENTS

All students planning to enroll in Chemistry 120A General Chemistry are required to take the Chemistry Placement Exam (CPE) or have completed Chemistry 115 Introduction to General Chemistry or its equivalent, verified with an official transcript, with a grade of C or higher.

CPE DESCRIPTION:

The CPE may be taken only once a year. Test scores are valid for three consecutive semesters. You will have 45 minutes to complete the Chemistry Placement Exam (CPE). The CPE consists of 44 multiple-choice questions addressing basic concepts in arithmetic, algebra and high school chemistry. In scoring the test, only correct answers will be counted. A Periodic Table of elements and a table of abbreviations and symbols are provided in the test book. You may need them for some questions. All other data are given in the questions. Calculators are permitted but not essential. Cell phones are NOT allowed. BRING Picture ID with signature, (Driver’s license, passport) your CWID, sharpened #2 pencils with a large soft erasers and a nongraphic nonprogrammable calculator to the test session.

CPE RESULTS:

Test results will be sent by email to a CSUF email address approximately one week after the test. The Department of Chemistry and Biochemistry will not give scores over the telephone.

CPE EXEMPTIONS

CHEM 115 Equivalent

To be exempt from the CPE, students must have completed Chemistry 115 Introduction to General Chemistry or its equivalent with a grade of C or higher. If you have taken an equivalent chemistry course at another college, you must submit a copy of your transcript that displays the course grade earned and a course description from the college catalog to the Department of Chemistry and Biochemistry prior to enrolling in Chemistry 120A General Chemistry.

AP Chemistry Exemption

Students who pass the AP Chemistry exam with a score of 3 or greater are eligible to enroll in CHEM 120A. Students who earn a score of 4 or greater on the AP Chemistry exam will be considered for enrollment in CHEM 120B. Students who want to establish their eligibility for CHEM 120A or 120B and have taken the AP exam, should bring evidence of AP Chemistry exam scores to the Department of Chemistry and Biochemistry in MH 580.

COMPUTER SCIENCE PLACEMENT TEST

The Computer Science curriculum begins with a three course sequence, CPSC 120,121,131, covering concepts of programming and data structures. You may have gained knowledge of these topics in a variety of ways, but do not have formal courses to transfer nor AP scores to submit. To validate your knowledge you may take the Computer Science Placement Examination to waive one or more of these courses. The test may be taken only once. Test scores are valid for two consecutive semesters.

Arrive for instructions 10 minutes before test begins. Bring pencils and eraser. There is no fee and you do not need to pre-register, but picture identification is required.

UNDERGRADUATE UPPER-DIVISION WRITING REQUIREMENT

The University Writing Proficiency Committee certifies the course, or courses, that each major department designates to fulfill the upper-division writing requirement. Departments and programs may specify a single “intensive writing course” of at least three units, which has writing as its primary objective and involves thorough instruction in writing, two or more “complementary writing courses” (for a total of at least six units) in which you are required to write one or more lengthy papers or several shorter ones involving the organization and expression of complex ideas, or a “thesis course” (for a total of three units), for which you produce a substantial written original work or individual research. In all of these courses, you will be given careful and timely evaluations of your writing and suggestions for improvement by your instructor. An assessment of your writing competence will be included in determining your final course grade. You must pass these courses with a grade of C or better. Please consult your advisor to find what upper division writing courses are certified to fulfill the upper-division writing requirement in your major.
EXAMINATION

Effective May 25, 2012, the EWP was eliminated as a graduation requirement for the undergraduate degree at California State University, Fullerton. However, graduate students whose program requires the EWP must continue to take this exam.

The Junior-Level Examination in Writing Proficiency (EWP) consists of an essay.

For test dates and registration deadlines, check the Testing Center website: www.fullerton.edu/testing/ewp/

To register for the EWP, pick up the registration form from the Testing Center (GH-143) and pay your fee at Student Financial Services (GH-180) by 5 p.m. on the registration deadline date. Your EWP Confirmation Ticket with test day information will be emailed to your campus email address approximately one week after the registration deadline.

Sabbath observers and students requiring special accommodations due to a documented disability must make special arrangements with the Test Center (GH-143) at least 4 weeks before the registration deadline.

If you are unable to attend the test session that you registered for, contact the Testing Center (657-278-2288) at least 24 hours before the test date for transfer or test refund information.

STUDENT ACCOUNT INFORMATION

FEES AND PAYMENTS

Please go to http://sfs.fullerton.edu/ to view a list of current fees.

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory systemwide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).

EMAIL ADDRESS

Each student has been issued an email address where university messages are sent to you. Student Financial Services uses this email address as the primary communication mode to students. Be sure to check your email on a regular basis. For additional information about your email account, contact the Titan Help Desk at 657-278-8888.

FEE PAYMENT DEADLINES (ALL STUDENTS)

Anticipated/Pending Financial Aid must be enough to cover all tuition and fees.

If Anticipated/Pending Financial Aid is not enough, students will be required to pay the difference to avoid disenrollment from all classes.

**IMPORTANT!**

- Payments made online via the web are due by 11:30 PM on the due dates given by Titan Online (Web registration). In-person and mail-in payments are due by 5:00 PM on the date given by Titan Online after registering.
- The University is not responsible for delays in the US Postal Service: postmarks are not considered.
- If you have decided not to attend CSUF for the current semester, please contact Registration and Records Service Center to ensure that you are formally withdrawn from the University and no registration fees remain on your account. You are responsible for dropping all your classes in the event you are not disenrolled.
- You will not receive an invoice for your registration fees. To ensure your fees are paid on time and to avoid disenrollment, please check both your financial aid application status and your student account regularly by logging into Titan Online via your student portal (http://www.fullerton.edu) and click on your Titan Online “Student Center”. Select “Account Inquiry” to view any current balances due.
- If you switch from part-time (0-6 units) to full-time (7+ units), you must pay your additional fees by the due date. If payment in full is not received, all of your classes are subject to disenrollment.
- If your financial aid consists of loan funds, you must formally accept a Direct Loan before it can be included in the anticipated aid. In addition, new borrowers must fill out an on-line Master Promisorry Note and go through an on-line loan entrance counseling.
- If you decline your loan and do not have other forms of financial aid, you are responsible for fee payment at the time you register.
- If you are disenrolled for non-payment, waitlisted students will fill your space in the class and there is no guarantee that space will be available in classes that were dropped.
- Students who register on/after the first day of instruction for any term will be assessed a $25.00 Late Registration Fee.
- For University refund policies and procedures, please go to sfs.fullerton.edu.

**STUDENTS RECEIVING FINANCIAL AID**

If you have applied for financial aid, you may be eligible to postpone payment of your registration fees and Tuition Installment Payment Plan (TIPP) until your financial aid has disbursed at the beginning of the semester. To qualify for postponement of your fee payment, you must meet the condition below:

1. You have accepted a financial aid award at the time you register for classes and you have enough anticipated aid to cover your tuition fees, and/or TIPP payment.
   - Most grant funds are automatically accepted on your behalf. Therefore, if State University Grant (SUG), Education Opportunity Grant (EOP), Cal Grant A or B, Federal Pell Grant or Federal Supplemental Educational Opportunity Grant (FSEOG) are accepted on your account, those funds can be used as anticipated aid to lower what is due now on your account. Those monies will be automatically deducted at the time of disbursement.
   - You must formally accept a loan in order to use those funds as anticipated aid to lower what is due now on your account.
   - If you have been offered a Federal Direct Loan or a Federal Perkins Loan or Dream Loan, go to Titan Online and “View Financial Aid”. Click on the “Accept/Decline Awards” link and follow the instructions to accept the loan.
   - The “Account Inquiry” page in Titan Online displays your fee charges and any anticipated financial aid. If you do not have enough anticipated financial aid available to offset your charges in full, you must pay the balance.

**STUDENT RESPONSIBILITY FOR PAYMENT OF FEES**

You are responsible for payment of your registration fees. If your financial aid award becomes unavailable for ANY reason or is insufficient to pay for fees as initially anticipated, you must pay the balance immediately upon notification. It is your responsibility to ensure that registration and tuition fees are paid in full. Check your student account regularly by logging into Titan Online via your student portal (fullerton.edu) and click on “Student Center”.

Select “Account Inquiry” to view any current balances due.

**WITHDRAWAL ‘W’ GRADES**

If you drop one or more courses after grant aid was disbursed to you or applied to your university account, you may be billed for some or all of the aid. Visit the Office of Financial Aid to determine how much you would be required to repay. If you receive financial aid and you completely withdraw from the university, we will calculate the amount of Federal financial aid you “earned” based on the number of days you were enrolled. You may be required to repay a portion of the funds you received. In addition, the university may be required to refund a portion of tuition and fees to one or more federal aid programs. For further information, contact the Office of Financial Aid at 657-278-3125.

**STUDENTS RECEIVING FEE ASSISTANCE**

Applications and requests must be submitted according to program guidelines.

**THIRD PARTY CONTRACTS/SPONSORED STUDENTS**

If a government agency, embassy or other organization will pay your registration and tuition fees, you must submit a current letter of financial guarantee to International Students and Scholars Office (GH-244) at least five business days prior to your TITAN registration appointment. If this letter is not received prior to your registration appointment, you are responsible for paying your registration and tuition fees and may be subject to disenrollment if your payment is not received by the deadlines specified above.

**STATE REHABILITATION**

Contact the Disability Support Services Office (GH-101) if you need assistance with registration.

Waitlisting is available to all colleges. If a course is full, you may try to obtain a place in the class by getting on the waitlist. As space in the class becomes available, your name will advance on the waitlist. If enough students drop the course, you may be automatically enrolled from the waitlist. Please review "How Waitlisting Works" and "Waitlist Restrictions" on the following Registration pages.

TITAN ONLINE REGISTRATION INSTRUCTIONS

REQUIREMENTS

Check Titan Online for your registration appointment date/time and for any holds on your record. All holds must be cleared three business days prior to your TITAN registration appointment. You will access registration via your student portal.

MAXIMUM UNITS

University Limitation

Undergraduates are limited to a maximum of 18 units during TITAN registration. Classified graduate students not in a Credential Program are limited to 12 units during early registration. Credential students are limited to 19 units.

TITAN PIN

A “one-time use” Personal Identification Number (PIN) is assigned to you, which is a 6-digit number. After accessing your Student Portal with the PIN, you will be asked to create a password. This password will be used for Student Portal access including registration throughout your enrollment at CSUF. If you need assistance with your username or password, select the "need help signing in?" link immediately below the "sign in" button on the CSUF Portal Sign In webpage.

TITAN APPOINTMENT

Appointment dates and times for registration are based on class level and on units earned for all participants. The date indicated on Titan Online represents the first date you can access Titan Online to enroll in classes. If you attempt to register before your assigned date and time, you will not be granted access.

HOLDS

Any holds will be listed on Titan Online Student Center. All holds must be cleared three business days prior to your TITAN registration appointment.

CANCELLED CLASSES

If a class for which you have registered is cancelled by the department, you will receive an email notification at your CSUF email address. You may attempt to add another class during TITAN registration on or after your appointment time.

GRADING OPTION CHANGES

If grading for a course is listed as “Undergraduate Student Option”, the course can be taken either for a letter grade (A,B,C,D) or as credit/no credit. If no option is chosen, the course will default to letter grade. Certain faculty designated courses may solely be taken as graded or as credit/no credit. To change the option from letter grade to Credit/No Credit or from Credit/No Credit to a letter grade, use the pull down menu under “Grading” at the time you enroll in the class. Grade option changes can be made online through approximately the second week of classes. The deadline is published on page 2 of the Registration Guide.

COURSE PREREQUISITES

Some courses have course prerequisites (see Class Notes in the online class schedule) which, if not met, will result in your being unable to register for the course or being dropped by the instructor.

COURSE COREQUISITES

Some courses have course corequisites (see Class Notes in the online class schedule). You must register for the corresponding corequisite during the same registration transaction. Failure to do so may result in your being disenrolled from the course.

TEST SCORE PREREQUISITES

Some courses have test score prerequisites which, if not met, will result in your being unable to register for the course. Refer to the Placement Examinations section of this registration guide.

REGISTRAR CLASS (REG 999)

Students unable to enroll in any classes because they are closed may enroll in the Registrar Class (REG 999) (see online class schedule for 5-digit course number). Students thus become officially registered and pay minimum fees by their payment due date, thereby avoiding the $25 late registration fee that goes into effect as of the first day of class. This is a temporary device to enable students to add classes later during the registration period, if classes are available then or to wait for decisions on admissions into specific courses.

You must withdraw from REG 999 to add other courses. If you are unable to add other courses, you are required to withdraw. Any student who does not add a regular course or withdraw with a refund will be administratively withdrawn from the university.

DISABLED STUDENTS

Contact the Disability Support Services Office (GH-101) if you need assistance with registration. For additional information, call 657-278-3117.
WAITLISTING

Waitlisting is available to all colleges. If a course is full, you may try to obtain a place in the class by getting on the waitlist. As space in the class becomes available, your name will advance on the waitlist. If enough students drop the course, you may be automatically enrolled from the waitlist.

How Waitlisting Works

- Many classes will offer waitlisting with the exception of 495, 499, 595, 598 and 599 classes.
- The standard waitlist limit for each class is 15 students; this is regardless of the class limit. Some classes may have different waitlist limits based on department discretion.
- You can waitlist for a maximum of 8 units, provided that each course's waitlist is not already full. (Note: Waitlisted units are not included toward your enrollment unit limit. Once you successfully get into the class, then the units will count towards your enrollment unit limit.)
- You must meet any requisites for the class before you can be placed on the waitlist, e.g., course pre-requisites, section co-requisites, major and class level restrictions.
- Students cannot waitlist the same lecture section or the same lab section more than once.
- If a seat becomes available, the student first on the waitlist will get the seat (subject to the restrictions below).
- Students will be moved from the waitlist into the class if other students drop or are dropped due to non-payment of fees.
- If students drop, seats will not be available to students who happen to log in if there is someone on the waitlist.
- If you are moved from the waitlist into the class, you will receive an email notification.
- If you are waitlisted for multiple sections of the same course, and you successfully get into one of the sections, you will be automatically removed from the waitlists for the other sections.
- You will not be billed for waitlisted classes but will be billed if moved from a waitlist into a class and the additional units result in higher registration fees. It is important to check your class schedule and account summary regularly to avoid possible cancellation due to a newly added class(es).
- If you are moved from the waitlist into a class, it is your responsibility to drop the class (as with any other class) if you decide not to attend. Failure to do so will result in a ‘WU’ grade on your record, which will lower your grade point average.
- There is no guarantee you will be moved off the waitlist and enrolled into the class. Once the process to move students from the waitlist has run for the final time and classes have begun, instructors are not required to add students who were waitlisted for the class.

Waitlist Restrictions

Students will be moved from the waitlist into the class if space becomes available and in the order placed, unless any of the following restrictions apply:

1. There is a time conflict with another registered class. Since potential time conflicts are not checked when you place yourself on a waitlist, you should ensure that waitlisted classes do not conflict with your enrolled schedule.

2. You are already enrolled in another section of the same course. Do not use waitlisting to try to get into another section of a course in which you are already enrolled, as you will not be moved from the waitlist if space becomes available. You will need to choose whether to take a chance and place yourself on the waitlist of the full section in the hope that space becomes available or remain enrolled in the section you have already scheduled.

If you cannot be moved from the waitlist, for any of the reasons given above, you will be skipped and the next student considered. You will not be reconsidered until the next time space becomes available in the class. Check your schedule regularly in your Student Center to monitor your position on a waitlist. If you decide you no longer wish to wait for space to become available, you should drop yourself from a waitlist.

TITAN Scheduler

Students can now plan their schedule from anywhere with TITAN Scheduler! Students will be able to find the best schedule with streamlined class searches, visual schedule previewing, side by side comparisons and flexibility around planned breaks. Students can bring multiple schedules up side-by-side and compare options. The schedule planner provides a “Breaks” feature to allow students to block off times they are unable to take class, such as for jobs or athletics. Advisors can now focus on which courses students need to take, rather than the individual times in which to take them, alleviating advisors of tedious scheduling for students. There is a video tutorial in Titan Online as well as additional “help” resources available within TITAN Scheduler. Please note that class schedule information will be available in Titan Scheduler when the schedule is formally released to the campus and will not be available prior to that. Students need to simply access the TITAN Scheduler link from their Portal to begin optimizing their schedule today!
“Minicourses” are generally five weeks long and offered during four sessions throughout the semester. “Shortcourses” can last anywhere from two days to several weeks, but are shorter in length than the semester and generally within the semester dates. Course meeting information is listed with the departmental class offerings, under "dates". Shortcourses are not listed below, because many of these courses are for a select group of students and are usually held at off-campus locations. If you are enrolled in a shortcourse, check with the department offering the course for information about deadlines.

Although some of the classes listed start on dates that are later in the semester, students should pre-register, during TITAN registration. Not enrolling early may cause a class to be cancelled due to low enrollment. Students who register, add or drop these courses after the semester begins must follow the published procedures in this schedule. Deadline information is available by selecting the calendar icon in front of the course listed in your schedule in the Student Center. Forms and/or information needed to complete the process may be obtained from the Registration and Records, located in LH-114. Information is also available by calling the Registration and Records Helpline at 657-278-7601.

| **First week of classes**  
*All classes must be added through Titan Online.*  
For restricted classes, an electronic permit must be placed in the registration system by the department. After the permit is placed, students must complete the registration process through TITAN, by midnight on Tuesday September 10.  
Last day students will be enrolled from waitlist, September 1. | **August 24 - September 1** |
| **Second week of classes**  
*All classes must be added through Titan Online.*  
To register for classes (except classes offered at Irvine), an electronic permit must be placed in the registration system by the department. To obtain a permit, you must secure the consent of the instructor. Depending on the department, the request to place the permit may happen in one of two ways. Either the instructor will notify department staff to place the permit or students may be given a permission slip to present to department staff personally. After the permit is placed, students must complete the registration process through Titan Online, by 12 midnight on September 10. It is highly advisable to complete the on-line add process as soon as the permit is issued.  
**All permits issued during week two will expire at midnight on September 10.** You may add a class as an auditor or change your grade option to audit by obtaining the signature of the instructor on a Change of Program form and returning it to the Registration and Records in LH-114.  
Grade basis changes to credit/no credit or a letter grade may be accomplished by visiting the Registration and Records in LH-114 and do not require the signature of the instructor. | **September 2 - 10** |
| **Third and Fourth week of classes**  
*Add period over.*  
Students may add classes late due to personal emergencies (documentation required) or specified university exceptions (course-dependent, see the department). An approved Petition for Late Addition of Classes form must be submitted to Registration and Records. The signatures of the instructor, Department Chair and the Dean are required. If approved, a $20 late add fee will be assessed.  
**Note:** Petitions for Late Addition of Classes are no longer accepted after September 23. | **September 11 - 23** |

</tr>
</tbody>
</table>

**Withdrawal Period ("W" drop)**

Authorization to withdraw after the second week of classes shall be granted for only the most serious and compelling reasons, e.g. a documented physical, medical, emotional or other condition which has the effect of limiting the student’s full participation in the class. Poor academic performance, e.g. lack of effort or poor attendance, is not evidence of a serious reason for withdrawal.

Signatures of the instructor and department chair are required for each course from which you withdraw. The Associate Dean’s signature is also required for withdrawal from classes in the colleges of Business or Engineering and Computer Science. (Required signatures are noted on the “Request for Withdrawal” form.)

Submit the approved Withdrawal Form to Registration and Records in Langsdorf Hall (LH-114). September 11 - 23

**Late Withdrawal Period ("W" drop)**

Follow the same procedures as above. The approved withdrawal form should be submitted to the Registration and Records in Langsdorf Hall (LH-114). September 24 - November 14

**Emergency Medical Withdrawal**

Complete withdrawal may be allowed during the final three weeks of instruction only in cases of documented accident or serious illness where assignment of an Incomplete is not practicable. The student or his/her proxy must submit detailed medical documentation and Petition for Emergency Medical Withdrawal to the University Registrar (LH-101) for approval. The student should first attempt to receive Incompletes (I grades) with his/her instructors prior to applying for an emergency medical withdrawal, in order to salvage credit for the time and money invested in the courses up to that point. In such cases, state regulations do not permit a refund of fees to be considered. November 15 - December 13

WITHDRAWAL LIMIT

See page 14.

Attention students — you are financially responsible for “W” grades.

DISCONTINUING CLASSES

If a student decides not to continue enrollment in a class, either before or after instruction begins, it is the student’s responsibility to follow and complete the appropriate procedures for dropping the class. See “Class Attendance” on page 8.

REFUND OF FEES

Dropping classes may entitle you to a fee refund. For further information, contact the Student Financial Services Office or visit sfs.fullerton.edu.

DEADLINES FOR NON-STANDARD LENGTH COURSES

If a course is not a mini course (see page 29) or a standard semester course, contact the Registration and Records Helpline at 657-278-7601 for Add-Drop deadlines.
