ABOUT:

A.S.E.S. is funded by the State of California to enhance student education through literacy, empowerment and enrichment activities after school. Though our office is located on campus at Cal State Fullerton, we serve the Buena Park School District. We address the needs of students in 3rd through 8th grade by utilizing Scholastic READ 180 computer program. Daily homework help is provided by A.S.E.S. staff and volunteers as well as enhancement activities that address culture, science, & life learning.
