What is an Academic Internship?

At Cal State Fullerton, academic internships are credit-bearing. Students enroll in an internship course and complete course requirements. Child & Adolescent Studies requires you to complete 120-150 hours at your internship site to receive 3 units.

1 unit = 40-60 hours, 2 units = 80-100 hours,
3 units = 120-150 hours

An academic internship is a work-learning partnership between a student, the university, and a host company or organization that bears a direct relationship to a student's major and professional goals.
