What is an Academic Internship?
At Cal State Fullerton, academic internships are credit-bearing. Students enroll in an internship course and complete course requirements. History requires you to complete 120-150 hours at your internship site to receive 3 units.

3 units = 120-150 hours

An academic internship is a work-learning partnership between a student, the university, and a host company or organization that bears a direct relationship to a student's major and professional goals.
