What is an Academic Internship?

At Cal State Fullerton, academic internships are credit-bearing. Students enroll in an internship course and complete course requirements. History requires you to complete 120-150 hours at your internship site to receive 3 units.

3 units = 120-150 hours

An academic internship is a work-learning partnership between a student, the university, and a host company or organization that bears a direct relationship to a student’s major and professional goals.

Finding an Internship

Students are responsible for seeking and securing internships for themselves. The Approved Agency Directory is available to HUSR students in Titan Bookstore, the fieldwork office in EC-479 or use the searchable database online at:
http://hhd.fullerton.edu/husr/Fieldwork/index.htm

HUSR students must select a site from this approved list.

Registration

HUSR students are not required to complete the Center for Internships and Community Engagement registration process. All registration is conducted through the HUSR fieldwork office. Visit the Fieldwork Website for full information concerning the rules and regulations that apply to the HUSR internship classes:
