Service-learning is a teaching methodology that utilizes service experiences in the community as text for learning in the classroom. At Cal State Fullerton, students enrolled in service-learning courses engage in up to 40 hours of service per semester to meet unmet community needs.

**Step 1: Find a Service-Learning Placement**

**Option One: Choose from List provided by Instructor**

Check your syllabus or with your instructor whether there is a list of specific sites from which you can choose a service-learning experience. If not, it is your responsibility to find a site.

**Option Two: Find a site in Titan Connection**

- Visit [www.fullerton.edu/career](http://www.fullerton.edu/career)
- Click on Students > Jobs & Internships
- Click on View Jobs & Internships on Titan Connection
- Login using your campus portal
  - Fill out survey if first time logging in
- In the left menu, click the Jobs and then click Search Jobs & Internships
- Click Position Type and select Intern (academic/for college-credit)
- Enter relevant Keywords and click Search
- Click on positions to review and apply

**Option Three: Find your own**

If you secured an internship outside of Titan Connection:

- Go to [fullerton.edu/cice/students](http://fullerton.edu/cice/students)
- Select “My Service-Learning Site Isn’t Registered” on the left of the screen
- Complete the online request form

An email with instructions will be sent to your site supervisor. It is the student’s duty to ensure their site is approved in a timely manner. Please allow up to 3 weeks to finalize your site registration.

**Step 2: Complete CICE Registration (CalStateS4)**

After you have contacted the agency or organization and been offered a service-learning position, ask for an orientation. Also, inform the site supervisor of the number of hours you need to complete for the semester. Once you are certain that you have been accepted by the organization, complete the CICE Registration as follows:

- Visit [www.fullerton.edu/cice](http://www.fullerton.edu/cice)
- For Students > CICE Registration (CalStateS4)
- Student/Faculty Login
- Login using your campus portal
- Select Place next to your Service-Learning class
- Search by Opportunities
- Under Site Name, enter ‘Project SHINE’, Apply
- Select the title of your service learning position
  - Call CICE if you cannot find your position
- Select this Opportunity
- Select next to the site staff you will be working with
- Select the Complete Form Online button
- Complete all forms as required
  - Release of Liability
  - Emergency Contacts
  - Student Consent
- Finish Placement

You have now completed the registration process and can begin your service-learning hours.
