What is an Academic Internship?

At Cal State Fullerton, academic internships are credit-bearing. Students enroll in an internship course and complete course requirements. The number of units you receive depends on the number of hours you complete at your internship site.

1 unit = 40-60 hours, 2 units = 80-100 hours,
3 units = 120-150 hours

An academic internship is a work-learning partnership between a student, the university, and a host company or organization that bears a direct relationship to a student's major and professional goals.
