

**CSUF School of Music
Student Learning Outcomes (BA and BM)**

1. Music students will demonstrate knowledge of music history, literature, and theory.
2. Music students are competent and reflective practitioners of the art of music through performance, composition, analysis, and reflection.
3. Music students will demonstrate professional standards of oral and written communication.
4. Music students will demonstrate successful collaboration through concert and recital performances and productions, both onstage and backstage.
5. Music students will understand and apply global perspectives and current trends to their acquired knowledge and skills in performance, composition and education.
