VOTER REGISTRATION – FALL 2020

As the November 3rd general election nears, we want to ensure that those of you who are eligible to vote have the necessary information to cast your ballot in the safest manner possible. COVID-19 presents some unique challenges for election administration that may require advanced preparation on your part.

- **Voter Registration**
  We encourage students to register to vote through the Ballot Bowl Competition – a friendly voter registration competition among California’s major higher education systems. I know the Titans can emerge victorious!

- **Vote by Mail**
  Registered voters can expect to receive a Vote-By-Mail ballot sent to the address listed on their voter registration. If you have moved, you may need to re-register with your new address to prevent your ballot from being delivered to your previous address. You can verify your voter registration online with the Secretary of State’s “My Voter Status” tool ([https://voterstatus.sos.ca.gov/](https://voterstatus.sos.ca.gov/)).

  Consider registering a few weeks before the deadline to ensure you receive your elections materials in the mail on time.

- **Early Voting**
  Whether you vote in-person or by mail, consider voting early to avoid long lines on Election Day or potential mail delays.
