Dear Titans,

The State of California has a Special Election approaching on **September 14, 2021**, and Cal State Fullerton is encouraging all students to get engaged in the process by registering and turning out to vote.

**Voter Registration**

We are encouraging students to register to vote or update your voter registration through the Ballot Bowl Competition, [https://registertovote.ca.gov/?t=s](https://registertovote.ca.gov/?t=s), a friendly voter registration competition among California’s major higher education systems.

All registered voters will receive a Vote-By-Mail ballot to the address associated with their voter registration. If voters have moved, they should update their address by re-registering to vote to ensure receipt of their election materials and ballot.

Although the deadline to register to vote passed, you can still vote in the Special Election. If you need to change your voter registration or would like to register for the first time, register online and take your voter registration or receipt with you to your voting location.

**Voting Options**

- **Vote by Mail**

  *Registered* voters received a Vote-By-Mail ballot sent to the address listed on their voter registration. If you have moved, you may need to `re-register` with your new address to prevent your ballot from being delivered to your previous address. You can verify your voter registration online with the Secretary of State’s “[My Voter Status](https://registertovote.ca.gov/)” tool.

- **Early & In-Person Voting**

  Whether you vote in-person or by mail, consider voting early to avoid long lines on Election Day or potential mail delays.

  Vote by using nearby voting options. To find vote centers and ballot drop boxes and their operating hours in Orange County use this [link](https://registertovote.ca.gov/).

  - Nearest vote center: St. Andrew’s Episcopal Church (1212 Gove Pl, Fullerton)
  - Nearest ballot drop box: Fullerton College (233 N Berkeley Ave, Fullerton)
