How to use this tutorial

• This tutorial is for researchers (PIs) who already have an approved IRB protocol and wish to withdraw their study.
Click to access the study you want to withdraw
You’ll be taken to this page. Click on “+ New Submission”
Withdrawal = A withdrawal submission notifies the Research Compliance Office that you no longer wish to submit your initial submission and want to withdraw the study.
A pop-up screen will appear asking you to confirm that you wish to withdraw your submission. Click on “Withdraw” if you wish to continue.
Click on “Edit” to provide a final progress report to close out the study.
1. Fill out the form

2. When you have completed the “Withdrawal Request Form”, click on “Complete Submission”
Click on "CONFIRM"
You will then be redirected to the submission details page. You will need to “CERTIFY” to finalize the submission.
Certification says you knowingly mean to take this action (to renew, amend/modify, or close).
After you have clicked “Certify” under the Submission Details page, review the PI Certification Statement. After you read the statement click “Confirm”.

As Principal Investigator of this study, I assure the IRB that the following statements are true:

The information provided in this form is correct.

I have evaluated this protocol and determined that I have the resources necessary to protect participants, such as adequate funding, appropriately trained staff, and necessary facilities and equipment.

I will seek and obtain prior written approval from the IRB for any substantive modifications in the proposal, including changes in procedures, co-investigators, funding agencies, etc.

I will promptly report any unexpected or otherwise significant events or unanticipated problems or incidents that may occur during the course of this study.

I will report in writing any significant new findings which may affect the risks and benefits to the participants.

I will not begin my research until I have received written final IRB approval.

I will comply with all IRB requests to report on the status of the study.

I will maintain records of this research according to IRB guidelines.

The grant that I have submitted to my funding agency which is submitted with this IRB submission accurately and completely reflects what is contained in this application.

In the case of student protocols, the faculty advisor and the student share responsibility for adherence to policies.

If these conditions are not met, I understand that approval for the research could be suspended or terminated.
After you have certified and confirmed your submission, you will notice your study is “Under Pre-Review” which means it’s with the IRB office to officially begin the review process.

You and any co-PIs should receive an email confirmation of the action and submission type you’ve just submitted.
If you have any issues or questions, please contact IRB Office: [irb@fullerton.edu](mailto:irb@fullerton.edu) or (657) 278-7719
