

OC & LA

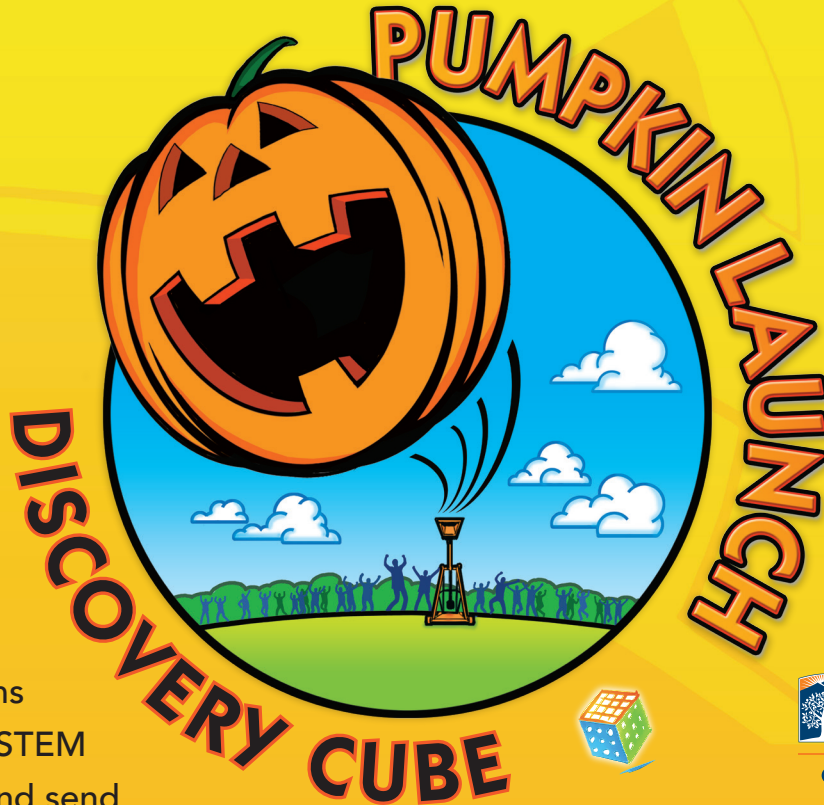

DiscoveryCube
Part of the Discovery Science Foundation

Free Family Event!

THIS POPULAR EVENT IS TURNING 10!

FUTURE SCIENTISTS &
ENGINEERS OF AMERICA

IN PARTNERSHIP
WITH:

Watch as launch teams use the principles of STEM to build trebuchets and send pumpkins flying through the sky toward targets on the field. The team with the highest score wins the Pumpkin Launch trophy! Plus, there are hands-on activities for spectators to enjoy and some cool challenges, too. There will also be food trucks out for all to enjoy.

Saturday, November 4, 2017
10 am to 2 pm @ Cal State University, Fullerton
Free to the public, all ages!

Register online at
discoverycube.org/pumpkinlaunch

This free community event is made possible by the generosity of Discovery Cube donors and sponsors. For more information about how you can invest in our mission and support science education in the community, please call 714-913-5039 or visit discoverycube.org.
