

Enrolling in the Correct Math Course

If a student has...	During NSO Register For	Next Step	May Swap Into
ELM score 0-30	Math 30A	Next semester: Math 30B	
ELM score 32-48	Math 40	Next semester: Math 125	
ELM score 36-48	Math 40 or 45	Next semester: Math 125	
ELM PASS or EXEMPTION			
High School math class below calculus	Math 125	May choose to take MQE*	
High School Calculus (at least one semester, with C or better)	Math 125	Bring High School transcript to Math Dept	Math 150A
AP Calculus AB exam attempt	Math 125	Bring AP Calc score to Math Dept	Math 150A or higher**
AP Calculus BC exam attempt	Math 125	Bring AP Calc score to Math Dept	Math 150B or higher**
College Level Pre-calculus (with C or better)	Math 125	Bring syllabus for pre-calc class & college transcript to Math Dept	Math 150A

***MQE (Math Qualifying Exam) INFO** (Website: <http://www.fullerton.edu/testing/mqe.htm>)

If a student did not take Calculus in High School, but feels that he/she is ready for Calculus, he/she may take the MQE (Math Qualifying Exam). If he/she receives a score of 25 or better, he/she can swap into Math 150A. Contact Math Dept for more info.

****Once AP Calculus exam score is known, bring score to the Math Dept. Student can then swap into the following:**

AP Calculus AB exam, score of 3 or below – will receive GE Math credit, but no Calculus credit. You can swap into Math 150A

AP Calculus AB exam, score of 4 or 5 – will receive credit for Math 150A and can swap into Math 150B

AP Calculus BC exam, score of 3 or below – will receive credit for Math 150A and swap into Math 150B

AP Calculus BC exam, score of 4 or 5 – will receive credit for Math 150A and 150B. Student swap into Math 250A

Students must clear the prerequisite for Math 150A with the Math Dept BEFORE they can register for Math 150A. This can be done prior to, during, or after NSO.

Math Dept is located in McCarthy Hall (MH), Room 154. Phone: (657) 278 – 3631; Fax: (657) 278 - 3972
