

## JOB OPPORTUNITY

**City of YUMA**  
ARIZONA

# ENGINEER-IN-TRAINING

\$47,648 ANNUALLY

## Do you want to get trained as an Engineer while getting paid?

We've got the position for you, all you need to get started is a Bachelor's Degree in Civil Engineering and the drive to succeed. Work in a great environment while gaining the experience to promote within two years to the position of Associate Civil Engineer which starts at \$50,061 annually. Promotion to this position is contingent upon the following:

- A minimum of two years in the position of Engineer-in-Training with the City of Yuma;
- Ability to obtain the Certificate of Registration as a Civil Engineer issued by the State of Arizona with three years;
- Successful performance evaluations as an Engineer-in-Training reflecting performance beyond the skill level and workload of the Engineer-in-Training
- Written recommendation from the immediate supervisor to the Department Director; and
- Department Director approval
