You have earned Emeriti status, a reflection of your dedication to your profession and the students, faculty and alumni of Cal State Fullerton. Many of our Emeriti have included Cal State Fullerton in their estate plans. In as little as one sentence or two, you can ensure that your support of Cal State Fullerton continues after your lifetime.

If you have included CSUF in your estate plans, please let us know. You are eligible to become a member in our Ontiveros Legacy Society. The Ontiveros Legacy Society consists of University supporters who have included CSUF in their estate plans for any form of planned gift. The Ontiveros name honors Martina and Juan Ontiveros, who were the original owners of thousands of acres in Fullerton, Brea and Placentia, including land now home to CSUF. The Ontiveros name celebrates the legacy of Cal State Fullerton’s past, as it advances towards the future.

If you are interested in establishing your legacy and making a lasting impact at Cal State Fullerton through membership in the Ontiveros Legacy Society, please contact our Office of Planned Giving at (657) 278-3947 or CSUFPlannedGift@fullerton.edu. For more information on recognizing your legacy or other planned giving topics, please visit CSUFPlannedGift.org at your convenience.
