

1. What is EOP?
EOP stands for Educational Opportunity Program. We offer services to students who are historically low-income and are first generation college students. Our program is geared towards helping students who may have strenuous circumstances that may hold them back from succeeding throughout their time here at Cal. State Fullerton.
2. Is EOP just at Cal. State Fullerton?
No, EOP is offered at all CSU campuses however each program differs in requirements and deadlines so make sure to call each individual campus to see which steps you need to take in order to be considered for the program that matches the school you wish to attend.
3. What services does EOP offer?
We offer academic counseling and your counselor remains the same throughout your academic career at Cal State Fullerton. Another service EOP offers is a special computer lab for EOP students to do homework or work on projects. If funds allow it then some EOP students may also receive an EOP grant that gets tied in with their Financial Aid payout.
4. How do I apply?
EOP at Cal. State Fullerton requires a separate application and two letters of recommendation which is to be filled out through CSU Mentor. After you select "Yes" for your interest in EOP through the University application you may then complete the separate EOP Application.
5. When can I apply to EOP?
Students may only apply to the program as first time freshmen or first time transfer students. As we are a secondary admissions program we are unable to accept applications once a student begins attending Cal. State Fullerton.
6. Does EOP help AB540 students?
Yes! There is a separate EOP application for AB540 students which can be requested from Student Academic Services by calling (657)278-2288 or by visiting their office in University Hall room 143.
7. Does EOP offer priority registration?
Unfortunately we do not offer priority registration however there are various programs on campus that do.
8. Does EOP give book vouchers?
We do not give book vouchers however if students receive the EOP grant then that money can be used for school supplies including books.
9. What do I need before I come in or call?
Upon contacting us you will need your Campus Wide ID number (CWID) this is how we will verify we are looking at the correct students' information. It is also a good idea to make a list of questions you may have for us so you don't forget anything once you give us a call.
10. How do I make an appointment with my counselor?
Have your name, counselors name and CWID ready and call (657)278-2288 to check your counselor's availability.
