1. Student Opinion Questionnaires

This Instructor and Course Evaluation Form evaluates your instructor and plays a part in judging teaching performance for promotion-retention-tenure personnel decisions.

The opinion questionnaires consist of eight statements to be evaluated on the front of this form using a soft pencil and choosing your response according to the following scale:

A= Excellent  
B= Above Average  
C= Average  
D= Below Average  
E= Very Poor

1.1 Preparation of the instructor for laboratory activities.
1.2 Clarity of the instructor's presentations and explanations.
1.3 Adherence to the distributed laboratory schedule/laboratory syllabus.
1.4 Generation of interest in the laboratory.
1.5 Willingness and ability to answer questions.
1.6 Availability to assist during laboratory.
1.7 Overall performance of the instructor.
1.8 Overall evaluation of the course.

2. General Comments

This category provides space for written comments.

If you feel that any question in opinion questionnaire and general comments does not apply to this course or that you have insufficient basis to make an evaluation, leave that question blank.

**Please comment on any or all of the following:**

2.1 The instructor (for example, lecture style, attitude towards students, teaching methods).

2.2 The laboratory content (for example, level of difficulty, lab manual or textbook, other reading, lecture topic, exams, assignments).

2.3 The laboratory administration (for example, grading policy and methods; number, length, and fairness of exams and assignments).

2.4 Other comments:
