### 1. Student Opinion Questionnaire

**About the course:**

1.1 This course and its objectives as stated in the syllabus have contributed to my preparation for a career in reading and literacy education.

1.2 The course addressed issues relevant to historically under-served student populations.

1.3 This course and the assignments increased my capacity as a reflective literacy practitioner.

**About the technology:**

1.4 This course used online tools and strategies to enhance my learning.

**About the instructor:**

1.5 The instructor helped me to understand how systems and structures perpetuate educational inequities and consider solutions to address equitable outcomes.

1.6 The instructor was well prepared for class sessions.

1.7 The instructor prepared topics or units of study that addressed the course objectives.

1.8 The instructor was responsive to student inquiries (e.g. email, office hours, appointments).

1.9 The instructor’s teaching considered issues of equity and diversity in reading and literacy education.

1.10 The instructor helped me to understand my role as a change agent for literacy education.

1.11 As a result of the instructor’s work in this course, my understanding of the subject matter has increased.
