How to Manage your E-Mail

NEED HELP?

Manage your E-Mail!

- Check your email regularly since most financial aid correspondence is not mailed!
- Consider keeping your campus email account for all school related business!
- Expect to receive 3 - 4 emails from Financial Aid Office from the time you file your FAFSA (electronically) until you are awarded aid.
- If using an off campus e-mail account, add FA@fullerton.edu to your address book so Financial Aid e-mail won't be treated as spam.
- Keep your inbox clean – if too full e-mail won't be delivered!
