Grading Guidelines: Specifics of your final grade should be discussed with your advisor. In general, grade guidelines for GEOL498 are:

GRADING GUIDELINES FOR GEOL 498 (1st unit only):

- A Proposal Completed. Proposal text and figures reviewed and approved with no revisions.
- B Proposal Incomplete. Draft of text and figures reviewed, but minor revisions pending.
- C Proposal Submitted. Draft of text and figures reviewed with major revisions pending.
- D Proposal Started. Draft of figures and text begun, but not submitted for review.
- F Proposal Not Started.

Plus/minus grades will be evaluated within the framework of the grade outline above.

GRADING GUIDELINES FOR GEOL 498 (2nd unit only):

In this case, you have already taken one unit and have finished your proposal, but will still have one unit after this semester. Your grade will be evaluated based on grading scheme/rubric agreed upon by you and your advisor – PLEASE ATTACH GRADE EVALUATION RUBRIC – This rubric should outline expectations and how grade will be determined.

GRADING GUIDELINES FOR GEOL 498 (3rd unit only, 2nd and 3rd units only, or ALL 3 units):

In this case, you have either already taken one and/or two units of your 498 course or you plan on completing all requirements in one semester. Specifics related to your final grade should be discussed with your advisor. In general, grade guidelines for GEOL498 will be evaluated as follows:

- A Thesis Completed. Final text and figures with no revisions.
- B Thesis Incomplete. Draft of text and figures submitted with minor revisions required.
- C Data Collection Complete. Data collected and submitted in a transferable format; thesis text and figures outlined or requiring major revisions.
- D Data Collection Started. Incomplete data set collected; thesis text and figures not outlined.
- F Data Collection Insufficient.

Plus/minus grades will be evaluated within the framework of the grade outline above.

Note that 3 units of GEOL498 fulfills the CSUF upper-division writing requirement for the BS in Geology or BA in Earth Science, thus it is expected that extensive writing and feedback on writing will occur over the course of the 3 units of GEOL498.
