Mandatory Training for All New Students

- CSU Policy requires that all new students receive training to promote the awareness of CSU policies against Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Exploitation, Dating and Domestic, Violence, and Stalking.
- Look for an email around the time classes start for instructions on how to complete the training. Weekly reminders will also be sent.
- Failure to complete the training by the deadline will result in a hold being placed on students’ accounts to prevent them from registering for classes until the training is complete.
- The training takes about 45-60 minutes to complete.
- Alternative trainings are available by emailing titleix@fullerton.edu for those that have difficulty completing the training online.
- More information is available at https://www.fullerton.edu/titleix/training/student.php.

Services are designed for students who are:

Basic Needs Assistance

We connect students who experience food, housing, and financial insecurity to available on or off-campus resources.

Students who submit a basic needs services request meet with staff to discuss their circumstances and determine which resources and services may best meet their needs.
