LEAVE OF ABSENCE
GRADUATE AND CREDENTIAL STUDENTS

Policy & Procedures

Continuous enrollment is a normal expectation of graduate degree and credential students. Graduate degree or credential students may be granted a leave of absence (LOA) to maintain continuous enrollment. Continuous enrollment means that a student registers in every Fall and Spring semester, following admission to the University, until award of the degree or credential.

An LOA normally is not granted for more than one semester. Students who have had a leave of absence of one semester who request a successive leave, and students requesting any leave of a duration longer than one semester, must have their request endorsed by the appropriate degree program authority (normally the department chair or graduate advisor) and approved by the Associate Vice President for Academic Programs or their designee. Appropriate substantial documentation must be provided.

An LOA granted to a degree objective student also preserves the election of curriculum rights regarding catalog requirements. However, a leave granted by the University does not extend time limitations imposed by the State for completing degree or specific teaching credential requirements.

An LOA may be granted to:
(1) conditionally classified or classified graduate students, or
(2) students with a credential-only objective who have completed at least one semester of course work.

Grounds for requesting a leave of absence include:
A. Illness or disability (permanent or temporary) or similar personal exigencies including pregnancy that makes it impossible or inadvisable for a student to register for classes.
B. Activities that enhance a student’s professional career objectives.
C. Active duty in the armed forces of the United States.
D. Severe financial hardship.
E. Other reasons at the discretion of the Associate Vice President for Academic Programs or their designee.

LEAVE REQUESTS FOR A DURATION LONGER THAN ONE SEMESTER REQUIRE ADDITIONAL DOCUMENTATION DETAILING THE CIRCUMSTANCES (E.G., DOCTOR’S NOTE, EMPLOYER’S VERIFICATION, ETC.) THAT MAKES IT IMPOSSIBLE OR INADVISABLE TO REGISTER FOR CLASSES & APPROVAL BY THE STUDENT’S DEPARTMENT/GRADUATE ADVISER AND THE ASSOCIATE VICE PRESIDENT FOR ACADEMIC PROGRAMS OR THEIR DESIGNEE.

An approved leave of absence authorizes the student to return and continue under the catalog requirements that applied prior to the absence. However, a leave granted by the University does not exempt the credential candidate from new credential requirements imposed by the State of California regardless of the student’s catalog year.

In the case of non-approved breaks in enrollment, the student will have to reapply for admission to the university and to the chosen degree program. A place in the degree/credential program or in the university will not be held for the student in these circumstances.
