Graduate Education: Master’s

- Integrated, intense curriculum (no G. E.)
- Many programs are 30 units, 10 courses
- “full time” is 6-9 units, 2-3 courses
- Co-hort based vs. Defined program vs. Elective-based programs
- Seminar courses, independent study, lectures
- Courses meet once per week, 3 hours
- 3 hours for class + 6-9 hours study / weekly
- Reading scholarly research articles
- Greater student responsibility for learning
• Strong faculty connections bring....
  • Mentoring relationships
  • Chance to see insides of academia: life as a professor
  • Increased chances for other opportunities—internships, jobs, awards, grants, etc., etc.
  • Faculty letters of reference—develop your faculty
    • Faculty personal understanding of student
    • Student interests—interests

• Strengthen your connections with the faculty—how?
